Mr. Newton informed the Board that debt service savings of approximately \$300,000 on a present value basis over the life of the outstanding stadium bonds could be realized given present market conditions if the proposed Stadium Refunding Bonds, Series 1992, (Attachment A) were issued.

He stated that the purpose of the second Resolution was to supplement the State Institution Bond Application which the Board adopted on January 17, 1992, (Attachment B) to acknowledge that

Mr. Gressette stated that on behalf of the Budget and Finance Committee, he moved that the full Board approve both the Resolution authorizing the issuance of the Stadium Refunding Bonds, Series 1992 and the Resolution supplementing the \$3,797,000 State Institution Bond Application which the Board adopted on January 17, 1992. Dr. Britton seconded the motion.

The Secretary stated that Mr. Mickel, who was unable to call into the meeting due to a previous commitment, had asked that it be recorded in the minutes that if he had been present, he would have voted in favor of both resolutions.
