The Secretary called the roll and advised the Chairman that the Chairman of the Student Affairs Committee had requested that a meeting of the Student Affairs Committee be added as the first item on the agenda for the purpose of considering the Student Health Service Fee. Mr. Amick turned the meeting over to the Chairman of the Student Affairs Committee.

Mr. Prince stated that Messrs. Wood, DesChamps, Lynn, McTeer and Self of the Student Affairs Committee were present. Mr. Lomax explained that last year Dr. Burley, Director of Health Services, recommended that the health fee be increased by \$10.00 to support the services provided for students. In an effort to minimize the impact on students, the final recommendation to the Board of Trustees was a \$5.00 increase for 1991-92 with the understanding that another \$5.00 health fee increase would be requested this year. The Administration is recommending a \$5.00 increase in the health fee to \$90.00 for 1992-93. This increase is needed to offset the cost of replacement of outdated radiographic/fluoroscopic equipment. Mr. Wood made the motion to approve the administration's recommendation. Mr. DesChamps seconded and the Committee unanimously approved.

Mr. Prince stated to the full Board that the Student Affairs Committee recommended that the Student Health Services fee be increased by \$5.00 which would raise the fee to \$90.00. He made a motion to this effect, Dr. Britton seconded and the Trustees present unanimously approved.
