

NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student's responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed below in **BOLD ITALICS**) and have a cumulative grade-point ratio of 2.0 or better before being admitted into the Accounting major. Registration for 3000- and 4000-level business courses may be restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Accounting as their major as soon as possible.
