

NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student's responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed in **BOLD ITALICS**) and have a cumulative grade-point ratio of 2.0 or better before being admitted into the Economics major. Registration for 300- and 400-level business courses may be restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Economics as their major as soon as possible.
