

NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student's responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed in **BOLD ITALICS**) and have a cumulative grade-point ratio of 2.0 or better before being admitted into the Financial Management major. Registration for nearly all 300- and all 400-level business courses is restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Financial Management as their major as soon as possible.

To take the test, go to <http://www.math.clemson.edu/CMPT/> and follow the instructions. Acceptable math sequences include: MTHSC 102-207, MTHSC 106-108 or MTHSC 106-207. ²See Business School College Advising Center list of approved courses. Note: Students must complete the General Education Cross-Cultural Awareness (CCA) requirement. This requirement may be fulfilled by "double-dipping" with the business International or Non-Literature requirement. See the 2008-09 Undergraduate Announcements (p.34) for additional ways to satisfy the CCA requirement.

Notes:

- A. **MOST ACCOUNTING COURSES REQUIRE A GRADE OF C OR BETTER.**

- C. At least 50 percent of the total credits taken in ACCT, ECON, FIN, LAW, MGT, and MKT must be taken at Clemson University.
- D. Students must place material in an electronic General Education portfolio to document their work on General Education competencies. Information and instructions are available at <http://MyCLE.clemson.edu>.
