

NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student's responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-business students must complete the Pre-Business freshman core and have a cumulative grade-point ratio of 2.0 or better before being admitted into the Financial Management major. Registration for 300- and 400-level business courses may be restricted to students in their degree major, so students should endeavor to complete the core requirements and declare a major as soon as possible.

²See Business School College Advising Center list of approved courses. Note: Students must complete the General Education Cross-Cultural Awareness (CCA) requirement. This requirement may be fulfilled by "double-dipping" with the International Studies or Non-Literature requirement. See the 2010-11 Undergraduate Announcements (p.34) for additional ways to satisfy the CCA requirement.
