1 All students are required to take the Clemson Math Placement Test (CMPT) prior to registering for their first for math course at Clemson. To take the test, go to [http://www.clemson.edu/MTHS/CMPT](http://www.clemson.edu/MTHS/CMPT) and follow the instructions. Acceptable math sequences include: MTHS 1020/2070, MTHS 1080/1080 or MTHS 1060/2070. If a student elects to take MTHS 1060 or 1080, one credit-hour will be applied toward the elective hour requirement. See advisor for approval of course selection.

2 Not used.

3 Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.

4 See General Education Requirements (p.37 in Undergraduate Announcements). Some general education requirements may be satisfied by other courses in the curriculum (double-dipping). In this case, elective hours will be used.

Notes:

A. **MOST ACCOUNTING COURSES REQUIRE A GRADE OF C OR BETTER.**

B. Financial Management majors are required to have a minimum grade-point ratio of 2.0 in all Finance (FIN) designated courses to graduate. Only the last grade for courses that are repeated is used in computing this grade-point ratio.

C. At least 50 percent of the total credits taken in ACCT, ECON, FIN, LAW, MGT, and MKT must be taken at Clemson University.

D. Students must place material in an electronic General Education portfolio to document their work on General Education competencies. Information and instructions are available at [http://www.clemson.edu/academics/programs/eportfolio/](http://www.clemson.edu/academics/programs/eportfolio/).
