NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student’s responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed in **BOLD ITALICS**) and have a cumulative grade-point ratio of **2.0 or better before** being admitted into the Management major. Registration for 3000- and 4000-level business courses may be restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Management as their major as soon as possible.

¹All students are **required** to take the Clemson Math Placement Test (CMPT) **prior** to registering for their first for math course at Clemson. To take the test, go to [https://mthsc.clemson.edu/cmpt/](https://mthsc.clemson.edu/cmpt/) and follow the instructions. Acceptable math sequences include: MATH 1020/2070, MATH 1060/1080 or MATH 1060/2070. If a student elects to take MATH 1060 or 1080, one credit-hour will be applied toward the elective hour requirement. **See advisor for approval of course selection.**

²Not used.

³Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.

⁴See General Education Requirements (p.37 in Undergraduate Announcements). Some general education requirements may be satisfied by other courses in the curriculum (double-dipping). In this case, elective hours will be used.

⁵A grade of **C** or better in this course is **required** for graduation.
