NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student’s responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses in BOLD ITALICS) and have a cumulative grade-point average of 3.0 or better before being admitted into the Marketing major. Registration for 3000- and 4000-level business courses may be restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Marketing as their major as soon as possible.

1 All students are required to take the Clemson Math Placement Test (CMPT) prior to registering for their first math course at Clemson. To take the test, go to https://mthsc.clemson.edu/cmpt/ and follow the instructions. Acceptable math sequences include: MATH 1020/2070, MATH 1060/1080 or MATH 1060/2070. If a student elects to take MATH 1060 or 1080, one credit-hour will be applied toward the elective hour requirement. See advisor for approval of course selection.

2 Select from COOP 1010, 2010, CPSC 2200, GC1990, INT 1010, 1510, 2010, 2510, 3010, MGT 2180, MKT 3980, 3990, 4980, or 4990 or other professional development courses approved by a departmental advisor. Courses cannot count toward both Support Course Requirements and Professional Development Requirement. Students meeting the Professional Development Requirement with a zero-credit COOP or INT course will need three additional elective credits to meet the 121 total credits requirements for the major.

3 Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.

4 See General Education Requirements list in the catalog. If this requirement is met through the completion of another General Education requirement, students will have three additional elective hours. Students must complete 121 total hours.

5 A grade of C or better is required to take MATH 2070.

Notes:
At least 50 percent of the total credits taken in ACCT, ECON, FIN, LAW, MGT, and MKT must be taken at Clemson University.
