 - 3 Cross Cultural Awareness⁸_____
 - 4 Natural Science Requirement⁴**_____
 - 3 Literature³_____
 - 1 Elective⁶ _____
- 15 Hours

Second Semester

- 4 PSYCH 310 Advanced Experimental Psych
 - 3 Cross Cultural Awareness⁸_____
 - 4 Natural Science Requirement⁴**_____
 - 3 Elective⁶ _____
 - 1 Elective⁶ _____
- 15 Hours

¹ **All** students (including transfer students with incoming math credit) are *required* to take the Clemson Math Placement Test (CMPT) *prior* to registering for their first math course at Clemson. If a student elects to take MTHSC 106 or 108, one credit-hour will be applied toward the elective hour requirement. See advisor for information on course selection. See General Education Requirements (p. 34 Undergraduate Announcements). **NOTE:** Two Cross Cultural Awareness and two Mathematics courses are required. To take the test, go to <http://www.math.clemson.edu/CMPT/> and follow the instructions.

² Two semesters (through the 202-level) in the same modern foreign language are required.

³ See General Education Requirements, p.34 Undergraduate Announcements. Social Science requirement must be in an area other than Psychology.

⁴ See the Psychology Department Student Handbook for approved courses. **NOTE: A two-semester sequence in the same physical or biological science, each including a laboratory, is required.**

⁵ See back of worksheet for footnote 5.

⁶ Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.

⁷ See list of approved minors (p. 83 Undergraduate Announcements).

⁸ See General Education Requirements (p. 34 Undergraduate Announcements). This requirement may be satisfied by "double-dipping" other courses in the curriculum. In this case, elective hours may be substituted.

Note: Students must place material in an electronic General Education portfolio to document their work on General Education competencies. Information and instructions are available at <http://MyCLE.clemson.edu>. The Psychology department also publishes a 2008-2009 handbook, for your use.

Junior Year**First Semester**

- 3 PSYCH Requirement⁵ _____
 - 1 PSYCH Lab⁵ _____
 - 3 Minor⁷ _____
 - 3 Advanced Writing³ _____
 - 3 STS Requirement⁸ _____
 - 3 Elective⁶ _____
- 16 Hours

Second Semester

- 3 PSYCH Requirement⁵ _____
 - 3 Minor⁷ _____
 - 3 COMM 150 Intro. to Communications or
COMM 250 Public Speaking or approved
cluster.
 - 3 Elective⁶ _____
 - 3 Elective⁶ _____
- 15 Hours

Senior Year**First Semester**

- 14 Hours

Second Semester

- 3 PSYCH Req. (Elective)⁵ _____
 - 3 Minor⁷ _____
 - 3 Minor⁷ _____
 - 3 Elective⁶ _____
 - 3 Elective⁶ _____
- 15 Hours

Total Hours 120

⁵The Bachelor of Arts program requires PSYCH 201, 202, 309, 310, 492, and 19 additional credit hours in psychology. Select twelve (12) credit hours as follows: two courses from the Biological & Cognitive Area, one course from the Applied Area, one course from the Individual & Group Area. Students are also required to take a laboratory course, which is typically 1 credit hour. The remaining six (6) required credit hours are psychology electives, and students may fulfill these hours in a variety of ways. Majors must take at least six credit hours from 400-level psychology courses, with at least three hours from courses numbered between 400 and 489. BIOSC 470 may be taken in lieu of one 300- or 400- level elective psychology course. Students should consult their departmental advisor for other degree requirements and course recommendations.

Biological & Cognitive - Select 2 courses:

- ___ 324 Physiological Psychology
- ___ 333 Cognitive Psychology
- ___ 422 Sensation and Perception

Applied - Select 1 course:

- ___ 275 Applied Psychology and Transportation (STS)
- ___ 355 Environmental Psychology
- ___ 364 Industrial Psychology
- ___ 368 Organizational Psychology
- ___ 375 Psychology of Substance Abuse
- ___ 435 Human Factors Psychology
- ___ 456 Applied Psychophysiology
- ___ 480 Health Psychology
- ___ 483 Abnormal Psychology
- ___ 488 Theories of Psychotherapy

Individuals & Groups - Select 1 course:

- ___ 340 Lifespan Development
- ___ 352 Social Psychology
- ___ 370 Personality

Laboratory – Select 1 course:

- ___ 325 Physiological Psychology Lab (1 hr)
- ___ 334 Cognitive Psychology Lab (1 hr)
- ___ 423 Sensation & Perception Lab (1 hr)
- ___ 456 Applied Psychophysiology
- ___ 471 Psychological Testing
- ___ H490 Senior Honors Research
- ___ 493 Clinical Psychology Practicum
- ___ 495 Applied Psychology Practicum
- ___ 496 Laboratory in Psychology
- ___ 497 Directed Studies
- ___ 498 Team-Based Research
