NOTE: Students must place material in an electronic General Education portfolio to document their work on General Education competencies. Information and instructions are available at <http://www.clemson.edu/academics/programs/eportfolio/>.

¹ Two semesters (through 202) in the same modern foreign language are required. Language courses at the 100-level are now considered "prep" courses and count as electives.

² See General Education Mathematical, Scientific and Technological Literacy (Mathematics) Requirement. Students need to take two courses from the approved list. Note that this also fulfills the General Education Mathematics or Natural Science Requirement. All students are required to take the Clemson Math Placement Test (CMPT) prior to registering for math courses.

³ See General Education Social Science Requirement for a list of acceptable courses. Note that PSYCH 201 fulfills three of the six required hours. The remaining three hours must be in an area other than Psychology.

⁴ ENGL 103 fulfills the General Education Communication (English Composition) Requirement. Note: For transfer students, ENGL 102 will fulfill this requirement.

⁵ See General Education Arts and Humanities (Non Literature) Requirement (p. 34 Undergraduate Announcements) for a list of acceptable courses.

⁶ Nineteen credit hours in psychology courses, excluding PSYCH 201, 202, 309, 310, and 492 are required to complete the BA degree. Select five courses (13-15 hrs) from the menus below. At least six credit hours (of the 19 hour total) must be from 400-level courses, with at least three hours from courses numbered between 400 and 489. BIOSC 470 may be taken in lieu of one elective psychology course. Students should consult their academic advisors for other degree requirements and course recommendations.

⁷ See General Education Arts and Humanities (Literature) Requirement for a list of acceptable courses, which include 200-level English literature courses and specified foreign language literature courses.

⁸ See the General Education Cross-Cultural Awareness Requirement. Students need to take two courses from the approved list. Note that approved cross-cultural courses fulfilling the Literature, Humanities (Non Literature), and Social Science Requirements are also acceptable and can be double-dipped. Courses in the minor may also be used to meet the Cultural Awareness Requirement and can be double-dipped.

⁹ See General Education requirements. **Students need a two-semester sequence in the same physical or biological science, each including a laboratory.**

¹⁰ Any minor that has been approved by the University and listed in the Undergraduate Announcements (page 86) is acceptable. No course may satisfy requirements for both the major and the minor. Courses used to fulfill the General Education Requirements, however, may be counted toward the minor. If a minor requires more than the allotted 15 hours, replace elective hours with the minor.

¹¹ See General Education Science & Technology in Society Requirement. Note that approved Science & Technology in Society courses fulfilling the Mathematics or Natural Science, Humanities (Non Literature), and Social Science Requirements are also acceptable and can be double-dipped. Courses in the minor may also be used to meet the Science & Technology in Society Requirement and can be double-dipped.

¹² See General Education Communication (Oral Communication) Requirement (pg. 34 Undergraduate Announcements) for a list of acceptable courses.

¹³ Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.
