NOTE: Students must place material in an electronic General Education portfolio to document their work on General Education competencies. Information and instructions are available at <http://www.clemson.edu/academics/programs/eportfolio/>.

¹Biology 110 and 111 may be substituted. In this case, the extra two credit hours will be counted towards the Science (non-sequence) Requirement. BIOL 103/105/104/106 or BIOL 110/111 fulfills the General Education Mathematical, Scientific and Technological Literacy (Natural Science with Lab as well as Mathematics or Natural Science) Requirement.

²PHIL 102 fulfills the General Education Arts and Humanities (Non Literature) Requirement.

³See General Education Mathematical, Scientific and Technological Literacy (Mathematics) Requirement. Three courses from the approved list are required by the department. All students are *required* to take the Clemson Math Placement Test (CMPT).

⁴ENGL 103 fulfills the General Education Communication (English Composition) Requirement. Note: For transfer students, ENGL 102 will fulfill this requirement.

⁵Nineteen credit hours in psychology courses, excluding PSYCH 201, 202, 309, 310, and 492 are required to complete the BS degree. Select six courses (16-18 hrs) from the menus below. At least six credit hours (of the 19 hour total) must be from 400-level courses, with at least three hours from courses numbered between 400 and 489. BIOSC 470 may be taken in lieu of one elective psychology course. Students should consult their academic advisors for other degree requirements/course recommendations.

⁶See General Education Arts and Humanities (Literature) Requirement for a list of acceptable courses, which includes 200-level English literature courses and specified foreign language literature courses.

⁷A two-semester sequence in the same natural science other than biology is required by the department. The Psychology Department typically recommends the following sequences: ASTR 101/102, CH 101/102, CH 105/106, GEOL 101/102 (or 112), PHYS 122/221, or PHYS 207/208. Excess credits from the sequence will be counted towards the departmental Science (non-sequence) Requirement.

⁸See the General Education Cross-Cultural Awareness Requirement. Students need any one course from the approved list. Note that approved cross-cultural courses fulfilling the Literature, Humanities (Non Literature), and Social Science Requirements are also acceptable and can be double-dipped. Courses in the minor may also be used to meet the Cultural Awareness Requirement and can be double-dipped.

⁹See General Education Social Science Requirement for a list of acceptable courses. Psychology majors may fulfill the General Education Social Science Requirement and departmental requirements by taking PSYCH 201 and two additional non-psychology social science courses (from the same or different fields).

¹⁰Any minor that has been approved by the University and listed in the *Undergraduate Announcements* (page 86) is acceptable. No course may satisfy requirements for both the major and the minor. Courses used to fulfill the General Education Requirements, however, may be counted toward the minor. If a minor requires more than the allotted 15 hours, replace elective hours with the minor.

¹¹Three credit hours, in addition to the core biology sequence and the Natural Science Requirement, in any natural or physical science course is required by the department.

¹²COMM 150, COMM 250, or approved ROTC cluster fulfill the General Education Communication (Oral Communication) Requirement.

¹³See General Education Science & Technology in Society Requirement. Note that approved Science & Technology in Society courses fulfilling the Mathematics or Natural Science, Humanities (Non Literature), and Social Science Requirements are also acceptable and can be double-dipped. Courses in the minor may also be used to meet the Science & Technology in Society Requirement and can be double-dipped.

¹⁴Electives may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.
