5 Elective	
15 Total Hours	15 Total Hours

120 Total Semester Hours

¹Only PHIL 1020 fulfills the General Education Arts and Humanities (Non Literature) Requirement.

²See General Education Mathematics Requirement. Students need to take one course from the approved list. All students are *required* to take the Clemson Math Placement Test (CMPT).

3See General Education Natural Science with Lab Requirement. Students need to take one course from the approved list.

⁴ENGL 1030 fulfills the General Education English Composition Requirement.

⁵Sixreen credit hours, in addition to the Mathematics and Natural Science General Education Requirements, are required. Select any mathematics course that satisfies the General Education Requirement, any STAT or MATH course at the 3000-level or higher, any natural or physical science course on the departmental list of acceptable courses, or any relevant course with the approval of the Psychology Department Chair.

⁶The Bachelor of Science program in Psychology requires PSYC 2010, 2020, 3090, 3100, 4920, and 19 additional credits selected from PSYC 2750 and/or 3000-4000-level psychology courses arranged as follows:

At least six credits from the Biological and Cognitive menu: PSYC 3240, 3330, 4220

At least three credits from each of the following menus:

Applied – PSYC 2750, 3640, 3680, 3830, 4350, 4560, 4800, 4880 Foundations of Science – G W 4020, PHIL 3260, 3270, PSYC 4150

Individuals and Groups - PSYC 3400, 3520, 3700

At least one credit from the Laboratory/Research menu - PSYC 3250, 3340, 4230, 4560, 4710, 4900, 4930, 4950, 4970, 4980

At least six credits must be from 4000-level psychology courses, with at least three of those credits from psychology courses numbered between 4000 and 4890.

Students satisfying both the Applied and Laboratory/Research requirements with PSYC 4560 must still satisfy the requirement for 19 additional credits in Psychology.

⁷See the General Education Mathematics or Natural Sciences Requirement. Students need to take one course from the approved list.

8See General Education Arts and Humanities (Literature) Requirement for a list of acceptable courses.

⁹See General Education Social Science Requirement for a list of acceptable courses. Psychology majors may fulfill the General Education Social Science Requirement and departmental requirements by taking PSYC 2010 and two additional non-psychology social science courses (from the same or different fields).

¹⁰See the General Education Cross-Cultural Awareness Requirement (CCA) for a list of acceptable courses. Note that approved CCA courses may, in some cases, double-dip with courses fulfilling other requirements.

¹¹Any minor that has been approved by the University and listed in the *Undergraduate Announcements* is acceptable.

¹²See General Education Science & Technology in Society Requirement (STS) for a list of acceptable courses. Note that approved STS courses may, in some cases, double-dip with courses fulfilling other requirements.

¹³See General Education Oral Communication Requirement for a list of acceptable courses.
