EDUCATION

BACHELOR OF SCIENCE IN PHYSICS–ENGINEERING (2003)
Washington and Lee University
Magna Cum Laude

MASTER OF SCIENCE IN CIVIL ENGINEERING: STRUCTURES (2006)
Virginia Polytechnic Institute and State University

MASTER OF ARCHITECTURE (2008)
Virginia Polytechnic Institute and State University
Graduate Thesis Award

PROFESSIONAL WORK

CLEMSON UNIVERSITY SCHOOL OF ARCHITECTURE – Clemson, SC
Assistant Professor (August 2014 – present)

CLEMSON UNIVERSITY – Clemson, SC
Faculty-In-Residence (August 2012 – May 2015)
Responsibilities: out-of-class engagement with residential students; founding Campus Partner to Clemson University Design Community (CUDC), a new living-learning residential community for design majors

CLEMSON UNIVERSITY SCHOOL OF ARCHITECTURE – Clemson, SC
Lecturer (August 2012 – August 2014)

DUSTIN ALBRIGHT DESIGN – Greenville, SC
Residential Designer (May 2011–December 2012)
Responsibilities: design services for home additions and renovations
Clients: Single-Family Residential

CRAIG GAULDEN DAVIS - Greenville, SC
Project Designer (June 2008 – August 2014)
Responsibilities: project management; programming; schematic design; construction documents; master planning; marketing
Clients: Public and Academic Libraries; Higher Education; K-12; Cultural Arts; Ministry

COURSES TAUGHT

Clemson University School of Architecture

- Graduate Design Studio IV: Entry Studio* – ARCH 8510 (Fall 2012-2014)
- Undergraduate Structures I* – ARCH 2700 (Fall 2012-2014; Spring '16; Fall 2016, '17)
- Graduate Studio VI: Comprehensive Studio* – ARCH 8920 (Spring 2013-2018)
- Graduate Structures II* – ARCH 8710 (Spring 2013-2015, '17, '18)
- Introduction to Craft* – ARCH 6770 (Fall 2015)
- Graduate Design Studio V: Fluid Studio* – ARCH 8570 (Fall 2015-2017)
- Undergraduate Fluid Studio* – ARCH 3510 (Fall 2016, '17)
- Undergraduate Synthesis Studio* – ARCH 4520 (Fall 2016, '17)

STUDENT ADVISEE AWARDS

2018 AIA South Carolina Student Citation Award. "BICEFS Research Support Building" by Chelsea Anderson, Allison Chan and Emily Heezen.

2016 AIA South Atlantic Region Student Merit Award. "Changing Perspectives" by Sarah Glass and Beth Koepfel.

2016 AIA South Carolina Student Honor Award. "The Goat Farm Performing Arts Center" by Nick Irmen and Alex Libengood.

2014 Clemson Graduate Research and Discovery Symposium. "Solar Grove Pavilion" by Alex Libengood. 1ST Place within College of Architecture Arts and Humanities.

2013 AIAS/AGA Ascension Design Competition. "Freedom. Ascension" by Nick Tafel. Tied for 1ST Place internationally. Co-Advisor with Annemarie Jacques.

STUDENT ADVISEE PEER-REVIEWED PROJECT POSTERS

2018 International Mass Timber Conference | Portland, Oregon
C. Anderson, A. Chan, E. Heezen. "BICEFS Research Support Building" (2018).

RESEARCH ACTIVITY

As a founding fellow in the Wood Utilization + Design Institute at Clemson University, I am involved in ongoing research with advanced wood and timber structures. This includes Massive Timber, from CLT to hybrid long-span systems, as well as digitally-fabricated light wood solutions. I am also engaged in pedagogical research relating to creative and effective instruction in the areas of Structures and Building Technologies.

DIRECTED GRADUATE RESEARCH

M.S. Graduate Research | Brooks Forest Products Center, Virginia Tech (2004-05)
Studied railing post-to-deck connections under Dr. Joseph Loferski and Dr. Frank Woeste. This research has been published in *The Journal of Light Construction* (February 2005), *Wood Design Focus* (Summer 2006), and *Structure* (July 2007), and was referenced in the American Forest & Paper Association (AF&PA) *Prescriptive Residential Deck Construction Guide, DCA 6* (2009).

GRANTS, AWARDS, AND FUNDED RESEARCH

EXTERNALLY SPONSORED PROGRAMS

USDA AGRICULTURE AND FOOD RESEARCH INITIATIVE. "An Interdisciplinary Approach to Building the Bioproducts Workforce." (applied but not awarded), July 2016. Four-year grant in the total amount of \$2,653,854 for developing interdisciplinary online certificate programs in the area wood and timber design and engineering. The grant also targets K-12 outreach activities relating to sustainable wood structures. Co-Investigator w/ professors Pat Layton (PI), Tim Brown, Thomas Cousins, Dan Harding, Weichi Pang, and Brandon Ross.

USDA FOREST SERVICE. "Expanding the Use of Wood Products in South Carolina." (awarded), April 2015. 3-year \$250,000 grant to research the factors limiting the use of wood in non-residential buildings in South Carolina, and to propose strategies for promoting the expanded use of wood as a structural material in publicly-funded buildings. Co-Investigator w/ professors Pat Layton (PI), Dan Harding, Weichi Pang, and extension associate Susan Guynn.

SOFTWOOD LUMBER BOARD. "Advanced Softwood Morphologies: Design Instruction for Emerging Wood and Timber Technologies." (applied but not awarded), October 2014. \$144,226 funding for a dedicated series of studio courses, supplemental instruction, and summer research on the topic of advanced wood design and massive timber systems. PI w/ contribution from professors Weichi Pang, Carlos Barrios, and Pat Layton.

PRECAST CONCRETE INSTITUTE FOUNDATION. "Precast Performative Morphologies." (awarded) September 2014. \$100,000 awarded for a 4-year cycle of dedicated studio courses and supporting instruction on the topic of precast concrete design and construction. Co-Investigator w/ professors Carlos Barrios (PI), Ufuk Ersoy, Dan Harding, Ulrike Heine, Brandon Ross, and Scott Schiff.

UNITED STATES DEPARTMENT OF ENERGY. "Clemson University Solar Decathlon 2015." (awarded) February 2014. \$50,000 funding in support of Clemson's 2015 Solar Decathlon entry. Co-Investigator w/ professor Vincent Blouin (PI) and fifteen others from a wide range of University departments.

SERVICE LEARNING FUNDING

FUNDED STUDIO. "Hobcaw Studio." (awarded), May 2017. Topical service-learning studio supported through Clemson Public Service and Agriculture and the Wallace F. Pate Foundation in the amount of \$51,568. Interdisciplinary planning and design projects for Clemson University's Baruch Institute of Coastal Ecology and Forest Science. Principal Investigator w/ professors Paul Russell and Dan Harding.

THE JOHN BLACKBURN FUNDED STUDIO. "Studio Appalachia." (awarded), August 2016. Topical service-learning studio supported through gift from alumnus John Blackburn in the amount of \$25,000. Interdisciplinary projects focused on master planning and facilities design for two regional sites, including the Clemson University Equine Center. Principal Investigator w/ professors Paul Russell and Kristine Vernon.

INTERNAL GRANTS

CLEMSON UNIVERSITY CAAH INTERDISCIPLINARY H.A.B. GRANT. "Shared Space: Architecture and Design Meet Geopolitics and Political History – a Humanities Course." (applied but not awarded), September 2014. \$5,000 seed funding for developing an interdisciplinary summer course coinciding with the *Prague Quadrennial of Performance Design and Space*. Co-PI w/ professors Shannon Robert, Michael Meng, and Rachel Moore.

CLEMSON UNIVERSITY OFFICE OF GLOBAL ENGAGEMENT SEED GRANT. "Shared Space: Architecture and Design Meet Geopolitics and Political History – a Humanities Course." (applied but not awarded), September 2014. \$4,864 seed funding for developing an interdisciplinary summer course coinciding with the *Prague Quadrennial of Performance Design and Space*. Co-PI w/ professors Shannon Robert, Michael Meng, and Rachel Moore.

INVITED PRESENTATIONS + EXHIBITIONS + WORKSHOPS + INSTALLATIONS

INTERNATIONAL SCOPE

"The Hobcaw Studio: Designing Service Learning" – Augsburg, Germany. Design/Build Symposium, Augsburg University of Applied Science. (05.30.18)

Timber Design/Build Workshop: Canopy Structure for St. Joseph's Hospital in Peramiho, Tanzania – Augsburg, Germany. Invited participant and Instructor, Augsburg University of Applied Science. (05.25 and 05.26.18)

"Timber in North America: Innovations in Wood Design + Building" – Augsburg, Germany. Timber Design class lecture, Augsburg University of Applied Science. (05.23 and 05.24.18)

"Hands and Things: Leveraging Technology to Incite Constructive Participation" – Des Moines, IA. 2017 BTES Conference. Prepared w/ Dan Harding and David Pastre. (06.09.17)

"Assembling the Digital House By Hand: Lessons from Deep Engagement and Guiding the Experimental Impulse" – Detroit, MI. 105th ACSA Annual Meeting. TAD Journal session. w/ Dan Harding. (03.25.17)

"Assembling the Digital House By Hand: Designing and Building an Idea" – Augsburg, Germany. Design/Build Symposium, Augsburg University of Applied Science. (03.21.17)

"Wood Renaissance: Wood Design + Building in North America" – Augsburg, Germany. Timber Design class lecture, Augsburg University of Applied Science. (3.20.17)
