

Alumni Distinguished Professor and Director
Graduate Studies in Architecture + Health
Clemson University, Clemson, SC 29634 USA
Born: June 10th, 1956 US Citizen

Education, Professional Licensure and Board Certifications

1978 Bachelor of Science in Pre-Architecture with Honors, Clemson University, 1978
1982 Master of Architecture: Health Facilities Planning & Design Concentration, Clemson University, 1982
Since 1985 Licensed Architect: California 1985-2018, South Carolina since 1987, North Carolina since 2000
Since 1987 NCARB Certified 1987
Since 2000 Board Certified by the American College of Healthcare Architects, 2000

Academic Appointments:

Since 2015 Faculty Scholar. Clemson University School of Health Research
Since 2012 Alumni Distinguished Professor of Architecture: Architecture + Health, Clemson University.
2006-2012 Professor of Architecture: Architecture + Health, Clemson University
1990-2006 Associate Professor of Architecture: Architecture + Health, Clemson University.
Since 1990 Director, Graduate Studies in Architecture + Health, Clemson University

Professional Experience:

Since 1987 David Allison Architect, Clemson SC [1987-1991 Charleston SC]
1985-1987 Middleton McMillan Architects/Gale Architectural Associates, Charleston SC
1982-1985 Kaplan McLaughlin Diaz Architects & Planners, San Francisco CA
1978-1982 Neal Prince & Browning Architects, Greenville, SC
1972-1974 Handy & Harmon Tube Company, Engineering Intern, Norristown PA

Sponsored Research/Grants:

2015-2019 Co-Investigator: [Anjali Joseph, Principal Investigator] P30: Realizing Improved Patient Care through Human-centered Design in the Operating Room (RIPCHD.OR) Learning Lab; AHRQ, National Institutes of Health/DHHS [\$3,975,998]
2017 Grant: To participate in the AIA Academy of Architecture for Health 2017 Student Design Charrette, Healthcare Design CHD-AIA/AAH Conference Orlando, FL. [\$7500]
2015 Grant: To participate in the AIA Academy of Architecture for Health 2015 Student Design Charrette, Healthcare Design CHD-AIA/AAH Conference Washington DC. [\$7500]
2015 Grant: To participate in the American Society of Healthcare Engineers and AIA Academy of Architecture for Health Planning + Design Student Challenge at the PDC Conference, San Antonio, TX in March 2015. [\$7500]
2014 Principal Investigator [with Byron Edwards]: NCARB Award, Defining Best Practices in Ambulatory Care Design for Medically Underserved Populations: an Integrated and Collaborative Knowledge/Research Informed Learning-Practice Model [\$30,000]
2014-2015 Co-Investigator [Shima Clark Principal Investigator] A+CA GOALI: An Engagement of Academia, Industry, and Organizations [\$20,925]
2013-2014 Grant: Clemson University Curriculum International Seed Funding [\$2000]
2013 Grant: AIA Academy of Architecture for Health 2014 Student Design Charrette, Healthcare Design CHD-AIA/AAH Conference Orlando FL. [\$7500]
2013 Grant: TRUMPF, Patient Room Prototype Headwall Development Funding [\$30,000]
2012 Grant: AIA Academy of Architecture for Health 2012 Student Design Charrette, Healthcare Design CHD-AIA/AAH Conference Phoenix, AZ [\$7500]
2011-2012 Robert Mills Endowed Professorship Funded Research: Patient Room Prototype Refinements [\$34,000]
2010-2011 Co-Investigator: [Dina Battisto, Principle Investigator] Development of World Class and Evidence-based Design Tools for Achieving and Evaluating Projects, Department of Defense Military Health System. Subcontract through NXT to Noblis [\$350,000]
2010 Grant: AIA Academy of Architecture for Health 2010 Student Design Charrette, HC Design 10 CHD-AIA/AAH Conference Las Vegas, NV. [\$5000]
2009-2010 Co-Investigator: [Dina Battisto, Principle Investigator] Development of World Class and Evidence-based Design Tools for Achieving and Evaluating Projects, Department of Defense Military Health System. Subcontract through NXT to Noblis [\$300,000]
2009-2010 Co-Investigator: [Dina Battisto, Principle Investigator] Patient Room Prototype Design and Research Project - Phase 3 for the Department of Defense and Spartanburg Regional Health System, Spartanburg, SC. [\$487,957]
2008 Grant: AIA Academy of Architecture for Health 2008 Student Design Charrette, AIA/AAH National Fall Conference Miami, FL. [\$5000]
2007 - 2009 Co-Investigator: [Dina Battisto, Principle Investigator] Patient Room Prototype Design and Research Project - Phase 2 for the Department of Defense and Spartanburg Regional Health System, Spartanburg, SC. [\$363,633]
2007 Principal Investigator: [with Jerry Reves, Gail Stuart, and Tom Jennings] CoEE/HSSC Health Facilities Research and Testing Laboratory and Endowed Chair for CU and MUSC. [\$4,000,000]
2006 Grant: AIA Academy of Architecture for Health 2006 Student Design Charrette, AIA/AAH National Fall Conference Miami, FL. [\$5000]

- 2006 Co-investigator: [Uriel Cohen, Principal Investigator] Critical Issues in Health Environments Research National Survey. [\$20,000]
- 2005 - 2009 Principal Investigator: [with Dina Battisto, Thomas Garvey and David Detrich] Patient Room Prototype Design and Research Project for Spartanburg Regional Health System, Spartanburg, SC. [\$300,000]
- 2005 - 2006 Co-Principal investigator: [with Kirk Hamilton & Frank Zilm]. Hospital Department Net/Gross Study. [\$14,000]
- 2006 Grant: AIA Academy of Architecture for Health 2006 Student Design Charrette, AIA/AAH National Fall Conference, Washington DC. [\$5000]
- 2004 Grant: AIA Academy of Architecture for Health 2004 Student Design Charrette, AIA/AAH National Fall Conference Washington, DC. [\$5000]
- 2004 JSPS Fellowship: Japan Society for the Promotion of Science Invitation Fellowship Program for Research in Japan [Long Term]. Awarded for a 3-month research period in Japan between May 2004 and August 2004 to conduct a comparative study of innovative health facilities in Japan with Dr. Nagasawa at the University of Tokyo. [JY 1,247,000]
- 2003 Co-Investigator [with David Freedman]: Sustainable Universities Initiative Grant to develop a protocol for a LEED-EB Study of Hardin Hall at Clemson University, [\$5000]
- 2003 Principal Investigator [with Thomas Garvey, Yukari Oka, David Detrich, Dina Battisto, and Barbara Logan]: Clemson University Provost's Innovation Grant - A Collaborative Interdisciplinary Design Based Research Project to develop an acuity adaptable and universal patient room prototype. [\$30,000]
- 2002 - 2003 Principal Investigator [with Barbara Heifferon]: Facilities Guidelines Institute - Research Project: Usability survey and editorial review of the "Guidelines for the Design and Construction of Health Facilities." [\$20,000]
- 2002 - 2003 Co-Investigator: [with Geoff Zender, Pat Zungoli, Eric Bensen, et al] Integrated pest management grant to develop a residential learning module for primary school children in SC.
- 2002 Grant: AIA Academy of Architecture for Health 2002 Student Design Charrette, AIA/AAH National Fall Conference Boston, MA. [\$5000]
- 2002 Research Consultant [Dina Battisto Principal Investigator]: Coalition for Health Environments Research project: The Nature and Rate of Change in Hospital Laboratories. [\$20,000]
- 2001 Research Consultant [Windsor Sherrill Principal Investigator]: Wellness Facility Design, Client Satisfaction, and Improved Health Outcomes.
- 2000 Grant: AIA Academy of Architecture for Health 2000 Student Design Charrette, AIA/AAH International Fall Conference, Vancouver, BC, Canada. [\$5000]
- 1998 Grant: AIA Academy of Architecture for Health 1998 Student Design Charrette, AIA/AAH National Fall Conference, Pittsburg, PA. [\$6000]
- 1996 Grant: AIA Academy of Architecture for Health 1996 Student Design Charrette, AIA/AAH National Fall Conference, Charlotte, NC. [\$3000]
- 1990 Grant: AIA Academy of Architecture for Health 1990 Student Design Charrette, AIA/AAH National Fall Conference Charleston, SC. [\$3000]

Presentations, Panels and Symposia:

- 2018 Peer Reviewed Presentation: **Allison, D.** "Creating Hospitals without Walls: Addressing Health at the Level of Individuals, Communities and Globally." European Healthcare Design Conference, London UK, June 2018.
- 2018 Peer Reviewed Presentation: **Allison, D.** and Edwards, B. "Hospitals without Walls: Hospitals as Models of Healthy Community Planning and Design." International Union of Architects [UIA] Public Health Group Conference, Paris France, May 2018
- 2018 Invited Presentation: **Allison, D.** "RIPCHD.OR: Ambulatory Surgery Operating Room Study – A research Design Initiative at Clemson University." McCarthy Construction Summit, Orlando FL, April 2018.
- 2018 Peer Reviewed Presentation: Kreidich, J, Sangolli, A., **Allison, D.** and Benhart, B. "Lessons Learned from the AIA/AAH PDC Student Design Challenge." American Society of Hospital Engineers [ASHE] International Planning and Design Conference, Nashville TN. March 2018.
- 2017 Peer Reviewed Presentation: Joseph A., **Allison, D.**, Edwards, B., and Ferguson, A. "EBD in Action: Moving from Research to Design Innovation," International Healthcare Design Conference, Orlando, FL, November 2017.
- 2017 Peer Reviewed Poster Session: Joseph, A., **Allison, D.** and Catchpole K. "Using a Systems Approach to Designing a Safer and More Ergonomic Operating Room," European Healthcare Design Conference, London England, June 2017.
- 2017 Peer Reviewed Poster Session: Heinrich, E., **Allison, D.** and Schultz, E. "Daylighting in Practice – Within Surgical Environments" at the European Healthcare Design Conference in London England, June 2017
- 2017 Peer Reviewed Presentation: **Allison, D.** "Clemson University Architecture + Health Program: Recent and Ongoing Initiatives" UIA Public Health Group Meeting, London England, July 2017
- 2017 Invited Keynote Presentation: **Allison, D.** "Education in Architecture + Health: Lessons from the Architecture + Health Program at Clemson University," Mind the Gap: Healthcare Architecture through Practice and Education Summit, Washington, DC. April 2017.
- 2016 Peer Reviewed Presentation: **Allison, D.**, Tusler, W., Moore, S and Cogswell, C. "Designing Flexible Healthcare Facilities: Drivers, Issues, Strategies, and Challenges," International Healthcare Design Conference, Houston TX, November 2016.
- 2016 Peer Reviewed Presentation: Joseph, A., **Allison, D.** and Catchpole, K. "Bench to Bedside: Integrating Research Education and Practice in Architecture and Health," International Healthcare Design Conference, Houston TX, November 2016.
- 2016 Peer Reviewed Presentation: **Allison, D.**, Edwards, B. and Franqui, D. "Ambulatory Care Facility Design for Underserved Populations: Results of an NCARB-Sponsored Evidence-Based Learning Initiative," International Healthcare Design Conference, Houston TX, November 2016.

- 2016 Forum Facilitator and Panelist: Allison, D., Zilm, F and Haq, S. "Architecture + Health Education Forum." International Healthcare Design Conference, Houston TX, November 2016.
- 2016 Keynote Presentation: *Designing Healthcare Settings as Models of Healthy Facility and Community Design*, VII CBDEH Congresso Brasileiro para o Desenvolvimento do Edificio Hospitalar, Salvador Brasil 9.30.2016
- 2016 Summit Facilitator: Architecture + Health Educators Summit, ACHA/AIA Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2016.
- 2016 Invited Panelist/Jury Chair: Invited Juror/Panelist: *American College of Healthcare Architects Legacy Awards Panel*. American Society of Hospital Engineers [ASHE] International Planning and Design Conference, San Diego CA, March 2016.
- 2016 Invited Presentation and Panel Facilitator: *Developing a Flexible Healthcare Infrastructure*, NIBS National Conference: Academy of Healthcare Infrastructure, Washington DC, January 2016.
- 2015 Forum Facilitator: *Architecture + Health Education Forum*. International Healthcare Design Conference, Washington DC, November 2015.
- 2015 Invited Presentation: *Designing Hospitals as Healthy Livable Urban Districts*, Presentation to the Boise City Council on behalf of Keeping Boise Connected, Boise Idaho. 7.30.2015
- 2015 Summit Facilitator: Architecture + Health Educators Summit, ACHA/AIA Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2015.
- 2015 Keynote Presentation: *Designing Hospitals and Medical Centers as Healthy Livable Urban Districts*, Healthcare and Community Colloquium: Designing the Future, University of Miami School of Architecture. 3.20.2015.
- 2015 Peer Reviewed Presentation [with Jason Schroer]: *The Bigfoot Conundrum in Evidence-Based Design*, American Society of Healthcare Engineers [ASHE] Planning and Design Conference, San Antonio, TX. 3.2015.
- 2014 Forum Facilitator: *Architecture + Health Education Forum*. International Healthcare Design Conference, San Diego CA, November 2014.
- 2014 Summit Facilitator: Architecture + Health Educators Summit, ACHA/AIA Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2014.
- 2014 Invited Panelist/Moderator: *Accountable Care meets Accountable Design: Collaborating on Returns for Investment - Perspectives of the C-Suite*. AIA Academy of Architecture for Health South Atlantic Regional Conference, Charlotte NC, May 2014.
- 2014 Invited Juror/Panelist: *American College of Healthcare Architects Legacy Awards Program*. American Society of Hospital Engineers [ASHE] International Planning and Design Conference, Orlando FL, March 2014.
- 2014 Invited Panelist: *Talkitecture: A Discussion with Leading Professors*, ACE Summit and Reverse Expo, New Orleans LA, January 2014.
- 2013 Forum Facilitator [with Frank Zilm]: *Architecture + Health Education Forum – MOOC Madness*. International Healthcare Design Conference, Orlando FL, October 2013.
- 2013 Peer Reviewed Presentation [with Tamara Phillips]: *Balancing Clinical Care Needs with Optimizing the Patient and Family Experience – a case for interdisciplinary design research and collaboration*. UIA Public Health Group Forum at IIDEX, Toronto Canada, September 2013
- 2013 Peer Reviewed Presentation: North American Architecture + Health Education Update, UIA Public Health Group Global University Programs in Healthcare Architecture Meeting at IIDEX, Toronto Can, September 2013.
- 2013 Summit Facilitator: Architecture + Health Educators Summit, ACHA/AIA Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2013.
- 2013 Peer Reviewed Presentation [with Karyn Gayle]: *The Visually-Optimized, Empowered Patient Room: Approaches to Transforming the Lighting Environment for Healthcare Facilities*. AIA National Conference, Denver, June 2013.
- 2013 Peer Reviewed Presentation [with Karyn Gayle]: *The Visually-Optimized, Empowered Patient Room: Approaches to Transforming the Lighting Environment for Healthcare Facilities*. LIGHTFAIR International 2013 Conference and Exhibition, Philadelphia PA, May 2013.
- 2012 Forum Facilitator [with Mardelle Shepley]: *Architecture + Health Education Forum*. International Healthcare Design Conference, Phoenix AZ, October 2012.
- 2012 Peer Reviewed Presentation with Scott Shappell & James Abernathy: *Mapping and Graphically Analyzing Tasks Disruptions to Understand and Inform Operating Room Design for Improved Safety, Outcomes, and Operational Efficiency*. International Healthcare Design Conference, Phoenix AZ, October 2012
- 2012 Peer Reviewed Paper Presentation: *Designing Hospitals and Medical Centers as Healthy Livable Urban Districts*, 49th International Making Cities Livable Conference, Portland Oregon, May 2012.
- 2012 Summit Facilitator: Architecture + Health Educators Summit, ACHA/AIA Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2012.
- 2011 Poster Session: *The Center for Health Facilities Design and Testing*, SmartState Conference: Realizing a Knowledge-Based Economy: Bridging Academia, Government, and Industry, Charleston, SC December 2011
- 2011 Roundtable Discussion Panelist: *The Elephant in the Room: Innovation and Evidence... are they Compatible? [Part 2]* [with Peter Bardwell as Moderator and Cheryl Hebert] Healthcare Design Conference 2011, Nashville, TN. November 2011.
- 2011 Forum Facilitator: Architecture + Health Educators Forum, Healthcare Design 11 Conference, Nashville TN. November 2011.
- 2011 Peer Reviewed Presentation: Case Studies in Emergency and Disaster Response Healthcare Architecture in the US. [with Michael Pietrzak, MD.] UIA Public Health Group Seminar, Tokyo Japan. October 2011.
- 2011 Invited Panelist: *The Evolution of Healthcare Design after the first Decade of the 21st Century: Perspectives from Academia*, The Architectural Practice and The American Institute of Architecture. ACHA/AIA-Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2011.
- 2011 Summit Facilitator: Architecture + Health Educators Summit, ACHA/AIA Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2011.

- 2011 Peer Reviewed Poster Session: Daylighting in Patient Care Areas other than Patient Rooms, [with Behringer, E. and Battisto, D.] Design & Health 7th World Congress and Exhibition, Boston, MA July 2011.
- 2010 Invited Panel Presentation: "Patient Room Design Standards," Codes and Standards Forum, Healthcare Design 10 Conference, Las Vegas, CA. November 2010
- 2010 Forum Facilitator: Architecture + Health Educators Forum, Healthcare Design 10 Conference, Las Vegas, NV. November 2010.
- 2010 Invited Panelist, ACHA/AIA-Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2010.
- 2010 Summit Facilitator, Architecture + Health Educators Summit, ACHA/AIA Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2010
- 2010 Invited Presentation: "Center of Economic Excellence in Health Facilities Design and Testing," Greer Development Corporation – Partnership for Tomorrow, Greer, SC. May 2010.
- 2010 Invited Presentation: AIA Academy of Architecture for Health Webinar "Healthcare 101, Hospital Architecture: Building as City." Online Webinar. June 2010
- 2010 Invited Presentation: "Center of Economic Excellence in Health Facilities Design and Testing" AIA SAR Architecture for Health Inaugural Conference, Clemson, SC. May, 2010
- 2010 Invited Presentation: Department of Defense TMA Design and Construction Summit on Defining World Class Requirements. Noblis, Falls Church, VA. May 2010
- 2010 Invited Panelist: "Our Health: Overcoming Obesity," SC ETV Produced Television Program April 20, 2010.
- 2010 Invited Presentation: [with Battisto, D.] "Integrating Design Prototyping and Research with Education, Practice and the Healthcare Industry," ARCC Research Panel, ACSA National Convention, New Orleans, March, 2010.
- 2010 Invited Presentation: "CoEE in Health Facilities Design & Testing," HEAL SC 2010 Conference, Columbia, SC March 2010.
- 2010 Invited Presentation: "A Patient Room Prototype: Balancing the Needs of Patients, Families and Caregivers," Architecture Therapeutics Aesthetics Conference, University of Toronto, February 2010.
- 2009 Peer Reviewed Presentation [with Dina Battisto]: Evidence-Based Approach to Creating a Human-Centered Acute Care Patient Headwall HealthCare Design 09 Conference, Orlando, FL.
- 2009 Invited Keynote Speaker: 3TU Research Day, Rotterdam, Netherlands, May 2009
- 2009 Peer Reviewed Presentation: [with Pak, R. Fink, N., Battisto, D.] Subjective Workload Analysis of a Redesigned Patient Headwall, 3TU Research Day, Rotterdam, Netherlands. May 2009.
- 2009 Peer Reviewed Presentation: "Critical Analysis of Two Distinct Patient Room Designs" ASHE International Planning and Design Conference, Phoenix AZ, March 2009.
- 2008 Invited Presentation: Center for Health Facilities Design and Testing, Union of International Architects-Public Health Group Conference, Florence, Italy. June 2008.
- 2008 Invited Workshop Participant: Open Building for Hospitals, Massachusetts General Hospital, Boston, MA. April 2008.
- 2008 Invited Symposium Participant: Health Environments Research Summit sponsored by Georgia Tech University, The Robert Wood Johnson Foundation and the DoD. Washington, DC. March 2008.
- 2007 Invited Workshop Leader/Speaker [with Peter Ellis, SOM]: Building in the City – Building as City. ACHA Master Series Seminar at HealthCare Design 07, Dallas TX.
- 2007 Peer Reviewed Presentation [with Dina Battisto]: Patient Room Prototype as a Proof of Concept for a Center for Health Facilities Design and Testing. HealthCare Design 07 Conference, Dallas, TX.
- 2006 Invited Symposium Participant: INO Open Building: Managing System Separation, Inselspital – Universitätsspital, Bern, Switzerland, July 2006.
- 2005 Invited Presentation: An Interdisciplinary Collaborative Approach to Designing a Green, Therapeutic and Community-Based Health Clinic, AIA Academy of Architecture for Health Conference - Therapeutic Environments Forum, Los Angeles, CA. October 2005.
- 2005 Peer Reviewed Presentation: [with Dina Battisto] An Interdisciplinary Collaborative Approach to Designing a Green, Therapeutic and Community-Based Health Clinic, Symposium on Healthcare Design, Atlanta, GA. September 2005.
- 2005 Invited Workshop Participant: The Academy of Neuroscience for Architecture Neuroscience and Health Care Facilities Workshop III, at the National Academy of Sciences, Woods Hole, MA. August 2005.
- 2005 Invited Presentation: Building as City: Hospitals - an Urban Design Approach. Kaplan McLaughlin Diaz Architects, San Francisco, CA. July 2005.
- 2005 Invited Presentation: Building as City: Hospitals - an Urban Design Approach. Part of a series of lectures facilitated by Stephen Verderber at the "International Conference on the Architecture of Hospitals" Groningen, the Netherlands. April 13-14-15, 2005
- 2004 Invited Workshop Participant: The Academy of Neuroscience for Architecture Neuroscience and Health Care Facilities Workshop II, at the National Academy of Sciences, Woods Hole, MA. August 2004.
- 2004 Invited Presentation: Recent Trends/Topics in Healthcare Architecture in the USA. Japan Institute of Healthcare Architects [JIHA], University of Tokyo, Japan..
- 2004 Invited Presentation: Architecture + Health at Clemson: Teaching, Research, and Service. University of Tokyo, Japan. May 2004.
- 2004 Invited Presentation: Disaster Medical Response Outside the Hospital. First Symposium on the Protection of Medical Facilities, Earthquake Disaster Research Center, Tsukuba, Japan. June 2004.
- 2004 Invited Presentation: Issues in US Health Facility Design. Yoshitake Seminar, University of Tokyo, Japan. June 2004.
- 2004 Invited Presentation: Current Issues in U.S. Healthcare Design. Japan Planning Institute [JPI], Tokyo, Japan. July 2004.
- 2004 Invited Presentation: Current Issues in U.S. Healthcare Design. NTT Kanto Hospital, Tokyo, Japan. July 2004.
- 2004 Invited Presentation: Light and Healing. 30th Healing Environment Symposium, Tokyo, Japan. July 2004.

- 2004 Invited Presentation: Considerations on the Making of Hospital Architecture. Kume Architects, Tokyo, Japan. July 2004.
- 2004 Invited Presentation: Kajima Corporation, Tokyo, Japan. Current Issues in U.S. Healthcare Design. July 2004.
- 2004 Invited Presentation: University of Tokyo, Japan. Considerations on the Making of Hospital Architecture – An American Perspective in Japan. July 2004.
- 2004 Invited Presentation: Architecture + Health – Teaching, Research, Service. Texas A&M University College of Architecture, College Station, Texas. April 2004.
- 2004 Invited Presentation: [with Thomas Garvey] : Incorporating Industrial Design in Healthcare – A collaborative project between Clemson University and Carleton University. ASHE – AIA/AAH Planning and Design Conference, Tampa, FL. March.
- 2003 Invited Presentation: An Acuity-Adaptable Patient Room Prototype. Therapeutic Environments Forum, AIA Academy of Architecture for Health National Fall Conference, Denver, CO. October, 2003
- 2003 Invited Panelist: SC ETV Program on Obesity: how the physical design of communities encourages or discourages physical activity.
- 2003 Organizer/Facilitator: Health by Design Symposium and Workshop Dedicated to the Conscious Creation of Health Environments [The academic medical center at four levels], Charleston, SC. September 2003
- 2002 Invited Presentation: Downtown Hospitals, SCDDA Community Builders Conference, Greenville, SC November 13, 2002.
- 2002 Invited Participant: Neuroscience and Health Care Facilities Workshop, The National Academy of Sciences, Woods Hole, MA. August 2002.
- 2002 Organizer/Facilitator: Global University Programs in Healthcare Architecture [GUPHA] Meeting in Genoa, Italy, July 2002.
- 2002 Invited Presentation: Just Say No to Sprawl-Mart[?], Clemson University School of Architecture - Southern Seminar, Spring 2002.
- 2001 Invited Presentation: Considerations for a Sustainable University Master Plan, Clemson University Faculty Senate Retreat, September 1991.
- 2000 Peer Reviewed Presentation/Panelist: Perspectives on Design, ASHA/AIA-AAH 2000 International Conference on Health Facility Planning, Design and Construction, Nashville TN March 9, 2000.
- 1999 Invited Presentation: The Architecture of Cancer Care, Academy of Architecture for Health Student Design Charrette at the 1999 AIA/AAH Fall Conference
- 1999 Invited Presentation: More Considerations on the Making of Architecture [for Health]. HKS Architects, Dallas TX, October 26, 1999.
- 1999 Invited Presentation: Architecture + Health at Clemson University. Texas A&M University, October 22, 1999.
- 1999 Invited Presentation: Architecture + Health at Clemson. Southern Conference of NCARB Board Member/Educators Conference at Clemson University.
- 1998 Invited Presentation: Key Issues in Making Architecture [for Health]. AIA Academy of Architecture for Health Student Design Charrette at the 1998 AIA/AAH Fall Conference.
- 1997 Invited Presentation: Considerations on the Making of Architecture [for Health], AIA Academy of Architecture for Health Design Forum at the 1997 AIA/AAH Fall Conference.
- 1995 Peer Reviewed Presentation: "Considerations on the Making of Architecture [for Health]," 1995 AIA National Convention, Atlanta, GA.
- 1993 Invited Program Facilitator: "Architectural Leadership in the Construction Process": American Institute of Architects Academy of Architecture for Health Conference in Orlando, Fla.
- 1991 Invited Presentation: "The Architecture and Health Program at Clemson" The Royal Architectural Institute of Canada - Healthcare Committee Conference in Ottawa, Canada.
