## **FORMAL EDUCATION**

---

- Doctor of Philosophy in Leisure Behavior** 2012  
*Indiana University, Bloomington, Indiana*  
Emphasis: Therapeutic Recreation  
Minor: Inquiry Methodology
- Master of Science in Youth and Family Recreation** 2008  
*Brigham Young University, Provo, UT*  
Emphasis: Therapeutic Recreation
- Bachelor of Arts in History** 2005  
*Utah State University, Logan, UT*  
Emphasis: Secondary Education  
Minor: Physical Education and Coaching

## **ACADEMIC APPOINTMENTS**

- Clemson University, Clemson, South Carolina** 2014-Present  
*Assistant Professor*  
*Department of Parks, Recreation and Tourism Management*
- University of Mississippi, Oxford, Mississippi** 2012-2014  
*Assistant Professor*  
*Department of Health, Exercise Science, and Recreation Management*

## **OTHER PROFESSIONAL POSITIONS**

- Research Consultant**
- R4 Alliance, Research Coordinator** 2012-Present  
Examining the outcomes of participation in R4 Alliance member programs on health outcomes of PTSD symptoms, depression, anxiety, stress, and mental and physical health functioning.
- Higher Ground, Research Consultant** 2011-2013  
Conducted outcome research on Higher Ground program, which offers 4-day recreation retreats for veterans with PTSD and their significant others.
- National Ability Center, Research Consultant** 2008-2009  
Conducted needs assessment to determine agency and client perspectives concerning development and implementation of a family recreation program.

## **LICENSURE, CERTIFICATION, & CREDENTIALS**

- Certified Therapeutic Recreation Specialist (CTRS)** 2010-Present  
National Council for Therapeutic Recreation Certification: #58758

## **HONORS AND AWARDS**

- Clemson University School of Health Research – Faculty Scholar** 2016-2018

Garrett G. Eppley Distinguished Graduate Student Award	2011
American Therapeutic Recreation Association Peg Connolly Scholar	2011
Bradford Woods Outdoor Education Fellowship	2011
Garrett G. Eppley Distinguished Graduate Student Award	2010
Nominee for the Lebert H. Weir Outstanding Graduate Student Award	2010

### **EDITORIAL BOARDS**

Associate Editor for <i>Illuminare</i>	2011-2012
Topic Editor for <i>Illuminare</i>	2010-2011

### **UNIVERSITY SERVICE**

#### *Clemson University*

PRTM Graduate Advisory Committee	2016
PRTM Departmental Advisory Committee	2016
PRTM-RT Graduate Curriculum Development Committee	2014-Present
RT Club Faculty Advisor	2016

2. Van Puymbroeck, M., **Townsend, J.**, Wenzel, K.C., & Allsop, J. (2015). Multiple Sclerosis. In H. Porter (Ed.) *Recreational Therapy Handbook of Practice: ICF-based Diagnosis and Treatment* (2nd ed). Enumclaw, Washington: Idyll Arbor.

1. **Townsend, J.**, Hawkins, B., & Bennett, J. (2015). Chapter 12: Military Service Members. In D. Austin, M. Crawford, B. McCormick, & M. Van Puymbroeck (Eds.) *Recreational Therapy: An Introduction* (4<sup>th</sup> ed.). Champaign, IL: Sagamore Publishing.

## II. Technical Reports, Thesis, Dissertation

4. **Townsend, J.**, Hawkins, B., Bennett, J., Hoffman, J., & Martin, T. (2016). Health outcomes associated with participation in military focused therapeutic programs for injured service members and veterans. *Executive report given to the R4 Alliance, Vienna, VA.*

3. **Townsend, J.** (2012). *An Examination of the Feasibility and Influence of a Theoretically Based Inclusive Family Recreation Program*. Published doctoral dissertation (ProQuest), Indiana University, Bloomington, IN.

2. **Townsend, J.**, & Van Puymbroeck, M. (2010). If you build it, they will come: A family recreation program needs assessment. *Technical report given to the National Ability Center, Park City, UT.*

1. **Townsend, J.** (2008). *Contributions of Family Leisure Involvement to Family Functioning Among Families with a Child in Mental Health Treatment*. Published master's thesis (ProQuest), Brigham Young University, Provo, UT.

## CONFERENCE PRESENTATIONS AND INVITED LECTURES/SEMINARS

### I. Conference Presentations (Refereed)

15. Walter, A., Van Puymbroeck, M., & **Townsend, J.** (2016). Reasons for participation in yoga. *Poster presentation at the 2016 ATRA Research Institute, Chicago, IL.*

14. Mowery, S., **Townsend, J.**, & Hawkins, B. (2016). Exploring the impacts of adaptive fitness for individuals with disability. *Presentation at the 2016 ATRA Research Institute, Chicago, IL.*

13. **Townsend, J.**, Hooker, T., & Mitchell, K. (2016). Health outcomes associated with participation in recreational therapy for injured service members. *Presentation at the 2016 ATRA Research Institute, Chicago, IL.*

12. Mowery, S., Mitchell, K., Berry, G., Hawkins, B., & **Townsend, J.** (2016). Examining FIM score gains in SCI patients in inpatient rehab. *Poster presentation at the 2016 College of Education and College*

*of Behavioral, Social, and Health Science Research Forum, Clemson, SC.*

11. Zabriskie, R., Hodge, C., Melton, K., & **Townsend, J.** (2016). Family recreation: It's more than just fun and games. An introduction to the Core and Balance Model of Family Leisure Functioning. *Poster presentation at the 2016 Southeast Council on Family Relations (SECFR)*, Orlando, FL.

10. Bennett, J., **Townsend, J.**, Van Puymbroeck, M., & Gillette, B. (2012). Post-traumatic growth and reduced PTSD for veterans through recreation participation. *Abstract submitted to the 2012 Leisure Research Symposium*, Ashburn, VA: National Recreation and Park Association.

9. **Townsend, J.**, & Van Puymbroeck, M. (2012). Initial reliability and validity of modified instruments for adolescents with an autism spectrum disorder. *Abstract submitted to the 2012 Research Institute*, Alexandria, VA: American Therapeutic Recreation Association.

8. **Townsend, J.**, & Van Puymbroeck, M. (2012). Influences of family recreation on family functioning, satisfaction, and communication. *Abstract submitted to the 2012 Leisure Research Symposium*, Ashburn, VA: National Recreation and Park Association.

7. **Townsend, J.**, Van Puymbroeck, M., & Middlestadt, S. (2011). Understanding intentions to recreate: Families with a child with autism. *Abstracts from the 2011 Leisure Research Symposium*, Ashburn, VA: National Recreation and Park Association.

6. **Townsend, J.**, McCormick, B., & Zabriskie, R. (2010). Family leisure and functioning: A further analysis using hierarchical linear modeling (HLM). *Abstracts from the 2010 Leisure Research Symposium*, Ashburn, VA: National Recreation and Park Association.

5. Poff, R., Zabriskie, R., & **Townsend, J.** (2009). Testing a New Family Leisure Model: Australian Parents and Children. *Abstracts from the 2009 Australian and New Zealand Association for Leisure Studies*. Brisbane, AU.

4. Poff, R., Zabriskie, R., & **Townsend, J.** (2009). New Zealand family leisure: Modeling parent and child perspectives. *Abstracts from the 2009 Australian and New Zealand Association for Leisure Studies*. Brisbane, AU.

3. **Nutter, J.**, Lundberg, N., & Ehlers, S. (2008). Quality of life benefits through participation in adaptive sports for individuals with physical disabilities. *Abstracts from the 2008 ATRA Research Institute*, 41-45. Alexandria, VA; American Therapeutic Recreation Association.

2. Lundberg, N., Zabriskie, R., Ward, P., & **Nutter, J.** (2008). Couple leisure and marital satisfaction: Examining the mechanisms of satisfaction using self-determination theory, 216-219. *Abstracts from the 2008 Leisure Research Symposium*, Ashburn, VA; National Recreation and Park Association.

1. **Nutter, J.**, Lundberg, N., Holden, S., Schenk, C., & Draper, C. (2007). Inclusive intramural sport participation and discomfort levels with individuals with disabilities. *Abstracts from the 2007 ATRA Research Institute*, 55-58 Alexandria, VA; American Therapeutic Recreation Association.

## **II. Invited Symposia, Lectures, Commentary**

25. **Townsend, J.** (2016). Examining the health outcomes associated with participation in military-focused therapeutic programs: Project completion report. Invited presentation at the *4<sup>th</sup> Annual R4 Alliance Members Conference*. Orlando, FL.

24. **Townsend, J.** (2016). Recreational Therapy for Injured Military Service Members. Invited lecture

given to PRTM 2600: Foundations in Recreational Therapy. Clemson University, Clemson, SC.

23. **Townsend, J.,** & Gillette, B. (2016). Increasing attendance for veterans' programs and creating collective impact. Invited presentation at the Arizona State Therapeutic Recreation Association Annual Conference. Phoenix, AZ.

22. **Townsend, J.** (2015). Examining the health outcomes associated with participation in military-focused therapeutic recreation programs: Preliminary findings. Invited presentation at *the 2<sup>nd</sup> Annual R4 Alliance Members Conference*. Orlando, FL.

21. **Townsend, J. A.** & Townsend, J. D. (2015). Having an Inclusive Attitude in Parks and Recreation. Invited presentation at the *2015 South Carolina/North Carolina Recreation and Park Association Joint Conference*. Myrtle Beach, SC.

20. Hawkins, B. & **Townsend, J.** (2015). Recreational Therapy to Improve Health and Reintegration Among Service Members, Veterans and Their Families. Invited presentation at the *2015 GHS/CU Veterans Summit – Coming Home: Key Transitions for Warriors and Families*. Greenville, SC.

19. **Townsend, J.** (2015). Having an Inclusive Attitude in Parks and Recreation. Invited presentation at the *2015 South Carolina Recreation and Park Association regional meeting*. Clemson, SC.

18. **Townsend, J.,** & Hawkins, B. (2014). ATRA VA and military treatment network session. Presentation given at the *2014 ATRA Conference*. Oklahoma City, OK.

17. **Townsend, J.,** & Martin, T. (2014). Using standardized outcome measures for evaluating recreation services for members of our military family. Presentation given at the *This Land Is Your Land: Nature-Based Programming for Injured Service Members Military Symposium*. University of Utah, Salt Lake City, UT.

16. **Townsend, J.,** & Gillette, B. (2014). Outcomes of participation in outdoor therapeutic recreation for injured service members. Presentation given at the *This Land Is Your Land: Nature-Based Programming for Injured Service Members Military Symposium*. University of Utah, Salt Lake City, UT.

15. **Townsend, J.** (2014). Making adaptations for recreational therapy practice. Invited lecture given to *PRTM 3220: Facilitation Techniques in Recreational Therapy*. Clemson University, Clemson, SC.

14. **Townsend, J.,** & Gillette, B. (2013). ATRA VA and military treatment network session. Presentation given at the *2013 ATRA Conference*. Pittsburgh, PA.

13. **Townsend, J.** (2013b). Research update. Invited presentation given to the *R4 Alliance Development Workshop*. Park City, UT.

12. **Townsend, J.** (2013a). Research update. Invited presentation given to the *R4 Alliance Development Workshop*. Jackson Hole, WY.

11. **Townsend, J.** (2013). Needs assessments. Invited lecture given to *PRTM 422: Management of Recreational Therapy*. Clemson University, Clemson, SC.

10. **Townsend, J.** (2012). State of the research. Invited presentation given to the *R4 Alliance Development Workshop – Founders Meeting*. Sun Valley, ID.

9. **Townsend, J.,** & Van Puymbroeck, M. (2012). Developing family recreation programs - Part I: Exploring the feasibility of a family camp for families with a child with autism. *Invited Presentation at*

*the 2012 Intermountain Leisure Symposium*, Utah Recreation and Parks Association, Midway, UT.

8. **Townsend, J.**, & Van Puymbroeck, M. (2012). Developing family recreation programs - Part II: Evaluation of a family camp for families with a child with autism. *Invited Presentation at the 2012 Intermountain Leisure Symposium*, Utah Recreation and Parks Association, Midway, UT.

7. Gillette, B., **Townsend, J.**, & Van Puymbroeck, M. (2011). Providing effective therapeutic recreation programs for veterans with TBI/PTSD/Polytrauma, and their supports. *Invited presentation at the 2011 IDGA – Post Combat Healthcare Conference*, Washington, D.C.

6. **Townsend, J.** (2011). Family recreation programming: Making family services a part of your facility. *Presentation at the 2011 Recreation Therapists of Indiana (RTI) Annual Conference*. Bloomington, IN.

5. **Townsend, J.**, & Wiese, A. (2011). Family recreation programming: Making family services a part of your facility. *Presentation at the 2011 South Florida Therapeutic Recreation Conference at Sea*, Whitehall/Boca-Raton, FL.

4. **Townsend, J.**, & Bennett, J. (2010). Developing and maintaining collaborative research projects between therapeutic recreation facilities and universities. *Presentation at the 2010 Annual Conference for Recreation Therapists of Indiana (RTI)*, Logansport, IN.

3. Van Puymbroeck, M., Smith, R., & **Townsend, J.** (2010). A panel discussion on internship expectations and roles. *Presentation at the 2010 Recreation Therapists of Indiana (RTI) Annual Conference*. Logansport, IN.

2. **Nutter, J.** (2009). Theory-based programming: Self-efficacy and positive psychology in Camp W.I.L.D. *Presentation at the 2009 Adventure Research Symposium*, Indiana University, Bloomington, Indiana.

1. **Nutter, J.**, & Zabriskie, R. (2008). Family leisure: Implications for families with youth in mental health treatment. *Paper presented at the 2008 Intermountain Leisure Symposium*, Provo, UT.

#### **GRANTS AND CONTRACTS – TOTAL AWARDS = \$160,921**

15. Arthur-Banning, S., **Townsend, J.**, Duffy, L., & Garst, B. (2016). Veterans Affairs Adapted Sports Grant: Paralympic Soccer Club Program Initiative. Funding proposal submitted to the Department of Veterans Affairs (VA-ASG-2017-01), \$52,000, Co-Investigator. (**Awarded**)

14. **Townsend, J.** (2016). Adaptive Sports for Social Change: An International Sports Project for Individuals with Disabilities. Proposal submitted to the U.S. Department of State, Bureau of Education and Cultural Affairs, SportsUnited Division, Thailand Adaptive Sport Training, \$24,215, Sub-Award Project Coordinator. (In Review).

13. **Townsend, J.**, Hawkins, B., Melton, K., Hodge, C., & Zabriskie, R. Understanding the contribution of family leisure to family functioning, satisfaction, communication, and reintegration of U.S. military families. Funding proposal submitted to the 2016-2017 URG Program – Project Initiation Grant, \$10,000, Principal Investigator. (**Awarded**)

12. Hawkins, B., **Townsend, J.**, Van Puymbroeck, M., & Sharp, J. (2016) OPERATION PAR-SCI: *Psychosocial Adjustment and Reintegration of Service Members with SCI and their Families*. Funding proposal submitted to the Department of Defense – Spinal Cord Injury Research Program – Qualitative Research Award (W81XWH-15-SCIRP-QRA), \$309,984, Co-Investigator. (Not Awarded)

11. Arthur-Banning, S., **Townsend, J.**, Hawkins, B., & Van Puymbroeck, M. (2015). Veterans Affairs Adapted Sports Grant: Paralympic Soccer Club Program Initiative. Funding proposal submitted to the Department of Veterans Affairs (VA-ASG-2016-01), \$244,191, Co-Investigator. (Not awarded)
10. **Townsend, J.** (2015). Examining the health outcomes associated with participation in veteran-centered therapeutic recreation programs for injured service members. Research contract with R4 Alliance, \$75,000, Principal Investigator. (**Awarded**).
9. Hawkins, B., **Townsend, J.**, & Van Puymbroeck, M. (2014). OPERATION REINTEGRATION: Understanding community reintegration of service members with spinal cord injury. Funding proposal submitted to the Department of Defense – Spinal Cord Injury Research Program – Qualitative Research Award (W81XWH-14-SCIRP-QRA), \$438,495, Co-Investigator. (Not Awarded)
8. **Townsend, J.**, Martin, T., & Alger, D. (2013). Development of an importance-performance analysis for use with military centered recreation programs: A pilot study. Funding proposal submitted to the Sierra Club Military Families and Veterans Initiative, \$15,000, Principal Investigator. (Not Awarded)
7. **Townsend, J.**, & Van Puymbroeck, M. (2011). An examination of the feasibility and influence of a theoretically based inclusive family recreation program. Funding provided by the Department of Recreation, Park, and Tourism Studies Collaborative Faculty, Center, Institute and Auxiliary Research Support Program, \$2271, Principal Investigator. (**Awarded**)
6. **Townsend, J.** (2011). An examination of the feasibility and influence of a theoretically based inclusive family recreation program. Funding provided by the Leisure Research Institute, Student Grant, Department of Recreation, Park, and Tourism Studies, Indiana University, \$1000, Principal Investigator. (**Awarded**)
5. **Townsend, J.** (2010). Graduate Professional Student Organization (GPSO) Travel Award. \$1000 (Not Awarded)
4. **Townsend, J.**, & Van Puymbroeck, M. (2010). Understanding the intentions and beliefs surrounding family recreation/leisure using the Theory of Planned Behavior. Funding provided by the Leisure Research Institute, Student Grant, Indiana University, \$400, Principal Investigator. (**Awarded**)
3. **Nutter, J.**, & Van Puymbroeck, M. (2009). An investigation of the cultural relevance of the core and balance model of family leisure functioning. Funding provided by the Leisure Research Institute, Faculty Grant, Indiana University, \$5000, Principal Investigator. (Not Awarded)
2. Zabriskie, R., Lundberg, N., **Nutter, J.**, & Covey, C. (2008). Family leisure: An international comparison. Funding provided by the College of Health and Human Performance Faculty Research Fellowship, Brigham Young University, \$6250, Co-Investigator. (**Awarded**)
1. Hill, B., & **Nutter, J.** (2008). The contributions of family leisure involvement to the family functioning of families with an adolescent in mental health treatment. Funding provided by the School of Family Life, Mentoring Environments Grant: Family Recreation Applications, Brigham Young University, \$10,000, Co-Investigator. (**Awarded**)
