7. Click the score in the **Grade** column for the selected assignment.

NOTE: Not all faculty make the Originality Report available to students.

- 8. The Turnitin Assignment Viewer will be displayed.
- 9. Click the **Originality** button at the top of the viewer to display your Originality Report. This will only be available if your professor has selected this in the setup of this assignment.
- 10. The numeric markers indicate additional sources that contained the selected information. The list on the right side of the page indicates the source where those materials were found.

- 11. Click the **GradeMark** button at the top of the viewer to view the feedback and QuickMarks that your instructor provided.
- 12. The blue markers on the document represent different QuickMarks. Hover over the QuickMark to see the details.
- 13. Your instructor may have provided additional comments and feedback about the overall document. These can be found in the **General Comments** pane on the right side of the Turnitin viewer.
