Campus Business Officers:

Please find attached a list of CU pre-collegiate (or youth) programs as maintained by the Pre-Collegiate Programs Office (PcPO).

After initial review, if you believe there are any pre-collegiate programs where children under age 18 are 1) registered in the program that places them 2) in the care and supervision of CU employees or volunteers for a period of time 3) without a parent, guardian, teacher, etc. who is responsible for their supervision please contact us via telephone at 864-656-5535 OR via email at pcpoffice@clemson.edu.

Due to the sheer quantity of programs, we have included information such as location, director/owner/operator name, on/off campus status, etc. in a Microsoft Excel spreadsheet to allow filtering.
