I wrote Laura Numeroff an e-mail and she responded! I used her e-mail for the introduction to my author study. *See below:*

Dear Readers in Nikki's First Grade Class,
My favorite thing to do is read! I read every day for over an hour!
My favorite fruit is watermelon!
I also love scrambled eggs with bacon, oatmeal with raisins, lasagna, vegetable soup, and, raisin toast!
I have 2 cats, Cooper and Henry! Sometimes it's hard to tell them apart!
They like to wrestle and chase each other!
I'm going to my tennis lesson now! I'm not very good yet but I love learning!

Keep reading!
