

COLOR LEGEND FOR UTILITY IDENTIFICATION LABELS

Label	Utility	Label Color
CD	Condensate Drain	White Text on Green Background
CDA	Clean Dry Air	White Text on Blue Background
CHR/S	Chilled Water Return/Supply	White Text on Green Background
CTR/S	Cooling Tower Water Return/Supply	White Text on Green Background
CW	City Water Potable Cold	White Text on Green Background
D	Indirect Drain	White Text on Green Background
DI	Deionized Water	White Text on Green Background
ERWS/R	Energy Recovery Water Supply/Return	White Text on Green Background
FPW	Fire Protection Water (Above Grade)	White Text on Red Background
G	Natural Gas	Black Text on Yellow Background
HTR/S	Heating Water Return/Supply	White Text on Green Background
HUWS	Humidification Water Supply	White Text on Green Background
HW	Domestic Hot Water	White Text on Green Background
IA	Instrument Air	White Text on Blue Background
IW	Industrial Water (Above Grade)	White Text on Green Background
LN2	Liquid Nitrogen	White Text on Green Background
LW	Lab Wastewater - Gravity	Black Text on Yellow Background
LWV	Lab Waste Vent	Black Text on Yellow Background
N2	Nitrogen	White Text on Green Background
OD	Overflow Drain	White Text on Green Background
PCWS/R	Process Cooling Water Supply/Return	White Text on Green Background
PV	Process Vacuum	White Text on Blue Background
RHW	Recirculated Domestic Hot Water	White Text on Green Background
SAN	Sanitary Sewer (Above Grade)	Black Text on Yellow Background
SCHR/S	Secondary Chilled Water Return/Supply	White Text on Green Background
SD	Storm Drain	White Text on Green Background
SHTR/S	Secondary Heating Water Return/Supply	White Text on Green Background
SPCWS/R	Secondary Process Cooling Water Supply/Return	White Text on Green Background
SSW	Safety Shower Water	White Text on Green Background
TPCWS/R	Tertiary Process Cooling Water Supply/Return	White Text on Green Background
V	Sanitary Vent	White Text on Green Background
