Baden-Württemberg Scholarship for winter term 2012/2013 and summer term 2013

FOR STUDIES ONLY - NOT FOR INTERNSHIP!!

In 2012, the Baden-Württemberg STIFTUNG is awarding for the 11th time the Baden-Württemberg Scholarship for Students to the classical universities, the universities of applied sciences, the universities of education, and the music and art academies of the State of Baden-Württemberg, and also to the universities outside Germany who have cooperative arrangements with those institutions. It is intended to promote the international exchange of qualified German and non-German students.

Scholarship amount: not less than 300 € per month (for 4 – 11 months)

Following consultation with the appropriate cooperation partners, the scholarships will be awarded for applicants from the following universities and academies:

Japan: Saitama University
Korea: Hanyang University
Mexico: ITESM
Singapore: National University of Singapore (NUS)
USA: Clemson University, University of Alabama UAB, Lawrence Tech University LTU

The scholarships will be awarded exclusively for the following study programs:

- Standard Incoming Programs for Undergraduate Students (STIPUS) – winter or summer term
- International Automotive Engineering Program (INTAP) – only winter term

Applications must be submitted to the International Office of Hochschule Esslingen, Diana.Zelder@hs-esslingen.de through the coordinator of the home university.

The following documents must be appended:

- Letter of application with information on studies and career to date
- Cover sheet for scholarship “Formular Baden-Württemberg-Stipendium”
- Confirmation of coordinator that student will be enrolled at home university during exchange program
- letter of recommendation by a professor tutoring the student
- university degree certificate or transcript of records from home university
- separate proof of German (for STIPUS) / English (for the other programs) language proficiency

Submission date no later than 31 march 2012 (closing date).

The decision on award will be made by the Baden-Württemberg STIFTUNG following shortlisting by the Hochschule Esslingen and appraisal by a central scholarships commission.
