ANSAL INSTITUTE OF TECHNOLOGY:
Gurgaon, India

About:

Ansal Institute of Technology (AIT) was established in 2005 by the Ansal Group of Companies, under the Chairmanship of Mr. Sushil Ansal. The college offers a four year Bachelor of Engineering (BE) course in four tracks - Computer Science & Engineering; Electronics & Communication Engineering; Electrical & Electronics Engineering; and Information Technology. The college also offers additional courses in Business Administration, Banking & Insurance, and Computer Applications, along with Masters degree courses in Business Administration (MBA). Ansal Institute of Technology is located in the city of Gurgaon, just south of New Delhi, offering students an ideal setting to study in the heart of northern India. Students can easily travel to the nearby cities of Agra (Taj Mahal), Jaipur, and Jodpur.
