Clemson University Housing Application Tutorial

Start off by going to http://www.clemson.edu/campus-life/housing/application/index.html

**Step 1.** Click on application

**Step 2.** Log in with your Clemson Username and Password.
Step 3. Select “Fall semester student Applications” and then select “continue”

Step 4. Read this page and then select “Continue”
Step 5. Please read over the whole Housing contract, this is an agreement that says you WILL be staying in on-campus housing. After you have read the contract please select “I ACCEPT” if you still wish to continue with the online application process. Then select “Continue.”
Step 6. Please fill out your personal contact information. This is so that the housing department may contact you about your contract if necessary. If you would like your roommate to be given your contact information so that you can contact them before you arrive* then select which information you want them to receive. Then select “Continue.” *(Suggested)
Step 7. Please read the Missing Student Policy. Then fill in the contact information of who you would like to be an Emergency contact should something happen to you. (Usually your parents or guardian) Then select “Continue.”
**Who I Am:**

Do You Smoke?

- Yes
- No

While this question is important to help find you an appropriate roommate, be advised that beginning in the fall of 2010, smoking will be prohibited in all University Housing facilities including all on-campus apartments.

My neatness level is:

- Messy
- Neat Freak

**Step 8.** Please fill out the description of who you are, under the “Who I Am:” section, so that housing can place you with other students who have similar preferences to create a better match for roommates. Next, please fill out the “What I Want In a Roommate” section. Then select “Continue.”
Step 9. If you already know someone you would like to be roommates with please insert their 9-digit Clemson ID number here before selecting “Continue.”
Step 10. After deciding on a residential location, (FOUND HERE), please select the locations you would like to live in. After you are finished with your selections please click “Continue.”

*Note* You are not guaranteed any selection of housing other than in the Cultural Exchange Community (CEC) for Exchange Students. – If housing is unable to place you in your selection of housing, you will automatically be assigned to the CEC.
Step 11. Please select your preference and then select “Continue.”
Step 12. Please review all of your selections to make sure the information is correct. Then select “Continue.”
