### Coursework Approval:

These advisors approve transfer course equivalencies for courses taken abroad. Your academic advisor can only approve courses for general elective credit, not for a specific requirement (ex: SOC 2999 is a sociology elective and needs a signature from Dr. Holland).

- To receive credit from a study abroad program you must complete the "Request for Approval of Courses to be Taken Abroad Form". Submit this form to Clemson Abroad prior to departure. Some courses have been pre-approved. Check Clemson’s TCEL list to see these courses: http://virtual.clemson.edu/groups/tcel/

- If you have Financial Aid:
  - provide the Financial Aid Office with a copy of your coursework approval form
  - financial aid will not be released until the Financial Aid Office has a copy

### Course Schedule Changes:

- Get approval for more classes than you plan to take, in case of schedule changes
- If courses change from the ones approved, you can coordinate a new approval with the department via email, or when you return to campus. You can copy our office on email communications: abroad@clemson.edu

---

Transcripts and Credit Transfer:
- request to have your program’s transcript mailed to the Clemson Abroad Office
- Clemson Abroad sends the coursework approval form with your official transcript to Clemson’s registrar
- credit transfers back to Clemson if you make at least a ‘C’ and the course has been approved
- grades will not transfer
- different policies apply to transfer of graduate credit; check with your advisor and the Graduate School

If you’re planning to attend graduate or professional school:
- schools may require an original copy of your program’s transcript; request this from your program
- make sure you meet requirements that may apply to your particular graduate school selection
