Find Books & Journals in the Library

(From the home page, select "Library Catalog")

Search the Catalog to find out if the Library owns a particular book or journal, or to see what books are available about a subject. Search by **Keyword** (for books about a topic), **Author**, **Title** or **Journal Title** (must be exact). Also, try **Subject** searching.

Some sample Subject Headings

<i>arts russia</i>	<i>music russia</i>	<i>folklore russia</i>
<i>russian literature 19th century</i>	<i>russian civilization</i>	<i>art russia</i>
<i>painting russian</i>	<i>cookery russian</i>	<i>authors russia</i>
<i>pushkin aleksandr sergeevich</i>	<i>chekhov anton pavlovich</i>	<i>tchaikovsky peter ilich</i>

Find Articles

Search for the articles in some of the suggested databases. Do a keyword search for either the author or the artist's name. You can also do searches for: *Russian and culture and history* or *Russia and superstitions*. Many of the search terms that would work in the Clemson Libraries Catalog will also work in the article databases.

Suggested Databases:

[ARTStor](#) - over 300,000 images of architecture, painting, sculpture, photography, decorative arts, design, and visual culture.

[Children's Literature Comprehensive Database](#) - information about and reviews of children's books and media.

[JSTOR](#) - full-text access to over 200 core scholarly journals.

[MLA International Bibliography](#) - literature, language, linguistics, rhetoric, composition, film, and folklore, 1926-present.
