

Mss 80, Benjamin Ryan Tillman Papers

Series 9: Patricia Tillman Kohn Series (1903-1915)

Extent: .5 cu. ft.

This series consists primarily of family correspondence. About half is from Senator Tillman's wife, Sallie Starke Tillman, to her husband and to her daughter, Sophie Tillman Hughes. There is also correspondence from Senator Tillman, Benjamin Tillman, Jr., Henry Tillman, Lona Tillman, Sallie May Tillman, and James Tillman, a nephew. Most of the letters deal with family matters and problems, with some mention of travel plans, health problems, and the farm at Trenton, South Carolina.

This series was given to the Libraries by Patricia Tillman Kohn in 1985 (Accession 85-66). She is the granddaughter of Sophie Tillman Hughes and the great-granddaughter of Benjamin Ryan Tillman. The letters are filed alphabetically by author's name and then chronologically within each folder. Photocopies of three letters from Tillman to his daughter Sally May and son Ben have been added to this series. They apparently were donated by a Tillman descendent in 1984 (Accession 85-23). There is also one folder of correspondence, 1908-1915, from Senator Tillman to Margarette Richardson, daughter of Governor Richardson. This was donated in 1988 (Accession 88-104).
