Changing Your Student ID to Communicate with Canvas

Basic

1. Open the REEF polling app.

2. Click the blue button in the bottom right corner.

3. Click Profile.
4. Next on your computer, open a web browser and login to Canvas.
5. Navigate to a Canvas course you are using with REEF.

6. Click the People link in the menu.
7. Then click the link for your name.
8. In the browser bar at the top of the screen, look for the number after …users/. Write down this number.
9. Navigate back to your REEF mobile app Profile.

10. Enter this number in the **Student ID** field.
