## Message from the Director

The new academic year is underway. In addition to the various Emeritus College activities, I've had the opportunity to represent you in several important discussions on campus. The most recent discussions had to do with space and the possibility of an Emeritus College building. I am encouraged by the discussions and want you to know that the Emeritus College is definitely "on the radar screen."

We continue to grow and stretch the boundaries of our current space. LaCrystal Foreman has joined us as our work study student. LaCrystal has been working diligently to complete the emeriti data base. Don't be surprised to receive a telephone call from her either verifying current information or requesting more.

Brian O'Rourke, Director of Development and Alumni Affairs, recently expressed interest in emeriti traveling with him to alumni meetings throughout the state. He said that alumni are interested in visiting with their former professors! If you have interest in this activity, please let me know.

Lastly, your Advisory Board Chair, Dr. Dave Senn, attended the Association of Retirement Organizations in Higher Education biennial meeting at the University of Arizona earlier this month. He brought back many great ideas and also the knowledge that we're known and respected in those circles.

*Diane*

## Athletic Events Committee: *Emeritus Night at the Basketball Game*

On Wednesday, November 15, the Emeritus College and the Athletic Department will hold the first *Emeritus Night at the Basketball Game* as the Tigers take on the Paladins of Furman University. This fun evening combines academics, athletics and community service. In lieu of an admission fee, emeriti and their spouse/guest should bring a new stuffed toy or item of warm clothing for a child. The items will be collected at the door. Following the game, the items will be donated to Helping Hands, the charity of choice of the Athletic Department.

Prior to the game, there will be an Emeritus College reception at IPTAY. During halftime, representatives of the Emeritus College and the Athletic Department will be center court for a presentation.

Many thanks to the Athletic Events Committee: Cecil Huey, Chair; Joe Allen and Hal Harris for their hard work in making this event a reality. We are also deeply indebted to Athletic Director, Dr. Terry Don Phillips, and his staff for their acceptance of our idea.

You will receive an invitation to the game in the mail. Go Tigers!

P.S. Remember to wear orange! It's about pride!

## Success Story: *Emeritus Day on Campus*

Emeritus Day on Campus was a huge success and greatly enjoyed by the 130 folks in attendance! During the morning hours, parking hangtags were distributed and new ID's made. Emeriti also had the opportunity to visit with the United Way and participate in a graduate research study on retirement all the while reminiscing with friends and former colleagues.

President Barker spoke at lunch and provided an update on Clemson's climb to the Top 20. He spoke about the important role emeriti play at Clemson and thanked everyone for their continued contribution.

Mini tours were conducted in the afternoon to the Astronomy Planetarium, the Driving Simulation Lab, the Sunoco Packaging Lab, and the Sullivan Center Mobile Unit. All in all a great day!
