

Moving Clemson *Forward* Together

USE YOUR IRA TO PROVIDE EXCEPTIONAL OPPORTUNITIES FOR OUR STUDENTS

If you have an IRA and are 70 ½ or older, you can donate tax-free from your IRA to Clemson. This may also help you meet your Required Minimum Distribution (RMD), thus lowering your taxable income. And, best of all, it's easy!

HEED THE MOMENT – NOW IS THE TIME TO MAKE A LASTING IMPACT

Create the possibility to shape and advance a Clemson student's future by seeing your generosity in action. If you have an IRA and are 70 ½ or older, you may donate tax-free from your IRA in direct support of student scholarships as well as other university initiatives. The IRA Qualified Charitable Distribution (QCD) provides several benefits. It allows individuals 70 ½ and older to transfer up to \$100,000 annually from an IRA directly to a qualified charity. You pay no taxes on the transfer and your gift to Clemson will make a meaningful impact upon the lives of our students.

HOW IT WORKS

You simply reach out to your IRA plan administrator or account custodian to make a gift from your IRA to Clemson University. Directly transferred from your IRA, your funds will help continue our important work. You may designate your gift to support the area of greatest need or you may designate your gift for a specific purpose.

Together we can move academic achievement, innovative research and meaningful programs forward – replacing barriers with opportunities.
