

Request for Short-Term  
Transportation Accommodations

For students with temporary mobility impairments in need of an accessible parking tag, a scooter rental, or class-to-class transportation while on campus at Clemson University. For mobility impairments lasting longer than 4 months, students are encouraged to apply for a state-issued DMV handicap placard.

**STEPS:**

1. Present documentation of temporary mobility impairment: (A) Email to [studentaccess@lists.clemson.edu](mailto:studentaccess@lists.clemson.edu) (B) Hand deliver to Student Accessibility Services (ASC Building, Suite 239).
2. Complete Section 1 below. A SAS staff member will confirm receipt of medical documentation and this form.
3. If/when transportation accommodations are approved, you will be notified to go to Parking and Transportation Services, located in the Student Union, to begin accessing your transportation accommodations.
