

The Rules of the Game

Organizing your course load can be a lot of information to look at once.

Consider using the chart below to organize your course information all in one place!

Course Name, Course Number, and Course Section	Instructor Name and Contact Info	# of Exams and Exam Dates	% that exams count towards final grade	Final Exam Date and % of Final Grade	Projects and Due Dates

Course Materials	Attendance Policy	Late Work Policy	Make Up Work Policy	Course Support Services, Times, and Locations	Classmate Contact Information

Other Important Course Information:
