

NOTE: Curriculum worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student's responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Catalog. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed below in **BOLD ITALICS**) and have a cumulative grade-point average of 2.0 or better before being admitted into the Accounting major. Registration for 3000- and 4000-level business courses may be restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Accounting as their major as soon as possible.

<sup>1</sup> Placement into the appropriate math class is based on the student's score from the math portion of their SAT or ACT test. The following sequences are acceptable: MATH 1020/2070, MATH 1060/1080 or MATH 1060/2070. If a student elects to take MATH 1060 or 1080, one credit-hour will be applied toward the elective hour requirement. Students considering a graduate degree in Economics or related field should take MATH 1060/MATH 1080. **See advisor for approval of course selection.**

<sup>2</sup> A grade of C or better is required to take MATH 2070.

<sup>3</sup> Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.

<sup>4</sup> See General Education Requirements list in the catalog. If this requirement is met through the completion of another General Education requirement, students will have three additional elective hours. Students must complete 122 total hours.

#### Notes:

A. **MOST ACCOUNTING AND FINANCE COURSES REQUIRE A GRADE OF C OR BETTER.**

B. At least 50 percent of the total credits taken in ACCT, ECON, FIN, LAW, MGT, and MKT must be taken at Clemson University.
