NOTE: At least 50 percent of the total credits taken in ACCT, ECON, FIN, LAW, MGT, and MKT must be taken at Clemson University.

Students are required to complete a minimum of 120 hours, all degree requirements (including an approved minor), and be in good academic standing to be eligible to graduation

While only two modern language classes are listed in the degree audit, students may be required to start at a lower level, pending placement. These lower level courses will be considered electives. Students should start the language sequence as soon as possible to ensure a timely graduation

While every effort is made to ensure the accuracy of these planning aids, they are not meant to replace the university catalog and should only be used as supplemental resources.

Degree Footnotes

¹ The following sequences are also acceptable: **MATH 1060/MATH 1080**; and **MATH 1060/MATH 2070**. Students considering a graduate degree in Economics should begin with **MATH 1060**.

² Students must complete through 2020 in a modern language. See Modern Languages Requirement at Clemson University statement in **Academic Regulations**.

³ See **General Education Requirements**.

⁴ See the South Carolina REACH Act Requirement in the **Academic Regulations** section.

⁵ Students considering a graduate degree in Economics or related fields should consider **MATH 3020**.

⁶ Three credit hours must be selected from **ECON 3440, ECON 3500, ECON 3600, ECON 4020, ECON 4040, ECON 4100, ECON 4240, ECON 4260, ECON 4350, ECON 4550**. Note: Only ECON courses numbered 3160 and above may be used to satisfy the Major Requirement.

⁷ Economics majors may choose, in consultation with their advisors, any of the College-approved **Minors**.
