

NOTE: Curriculum worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student's responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Catalog. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed in **BOLD ITALICS**) and have a cumulative grade-point average of *2.0 or better before* being admitted into the Management major. Registration for 3000- and 4000-level business courses may be restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Management as their major as soon as possible.

¹ Placement into the appropriate math class is based on the student's score from the Clemson Math Placement test, the math portion of their SAT or ACT test, or approved transfer credit. The following math sequences are acceptable: MATH 1020/2070, MATH 1060/1080 or MATH 1060/2070. If a student elects to take MATH 1060 or 1080, one credit-hour will be applied toward the elective hour requirement. Students considering a graduate degree in Economics or related field may wish to consider taking MATH 1060/MATH 1080. See advisor for approval of course selection.

² A grade of C or better is required to take MATH 2070.

³ Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.

⁴ See General Education Requirements list in the catalog. Global Challenges credit hours must be selected from two different fields unless identified as interdisciplinary. At least three credit hours must be selected from a course(s) at the 3000-level or higher. A transfer course may not be used to satisfy the 3xxx or 4xxx level General Education Global Challenges Requirement. Approved 1xxx-2xxx level courses may be transferred for the "any level" equivalent.

⁵ **A grade of C or better in this course is required for graduation.**

Notes:

- A. At least 50 percent of the total credits taken in ACCT, ECON, ELE, FIN, LAW, MGT, and MKT must be taken at Clemson University.
- B. Students should consult with their Academic Advisor before taking an equivalent course elsewhere as not all transfer courses cover all material required by SC State Law (SC. 38 as amended).
