NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student’s responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed below in **BOLD ITALICS**) and have a cumulative grade-point ratio of **2.0 or better before** being admitted into a degree-granting business program (exception: Marketing requires a **3.0 gpr**). Students **must** complete the freshman core and declare a business major by the end of their fourth semester; however, in order to maintain timely progress toward graduation, students should declare a major by the end of their second semester. Registration for 3000- and 4000-level business courses may be restricted to students in their degree major.

¹All students are required to take the Clemson Math Placement Test (CMPT) prior to registering for their first math course at Clemson. To take the test, go to [https://mthsc.clemson.edu/cmpt/](https://mthsc.clemson.edu/cmpt/) and follow the instructions. Acceptable math sequences include: MATH 1020/2070, MATH 1060/1080 or MATH 1060/2070. If a student elects to take MATH 1060 or 1080, one credit-hour will be applied toward the elective hour requirement. Students considering a graduate degree in economics should start with MATH 1060. **See advisor for approval of course selection.**

²Note not used.

³Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.

⁴See the 2014-15 Undergraduate Announcements (p. 37). Also, see reverse list of qualifying courses. Some General Education requirements may be satisfied by “double dipping” other courses in the curriculum. In this case, elective hours will be used.

⁵Grade of C or better required for Accounting and Financial Management majors.

⁶Grade of C or better required for Management majors.
