

# David Allison, FAIA, NCARB, ACHA

Professor/Director

Graduate Studies in Architecture + Health

<b>Education</b>	Bachelor of Science in Pre-Architecture, Clemson University, 1978 Master of Architecture – Health Facilities Planning & Design, Clemson University, 1982
<b>Registration/Certification</b>	Licensed Architect California 1985, South Carolina 1987, North Carolina 2000 NCARB Certified 1987, Board Certified American College of Healthcare Architects 2000
<b>Academic Experience</b>	Professor/Director Graduate Studies in Architecture + Health, 1990- Present Clemson University School of Architecture.
<b>Professional Experience</b>	David Allison Architect, Clemson SC 1991-Present David Allison Architect, Charleston SC 1987-1991 Middleton McMillan Architect/Gale Architectural Associates, Charleston SC 1985-1987 Kaplan McLaughlin Diaz Architects & Planners, San Francisco CA 1982-1985 Neal Prince & Browning Architects, Greenville, SC 1978-1982 Handy & Harmon Tube Company, Engineering Intern, Norristown PA 1972-1974
<b>Scholarship</b>	<b>Presentations, Panels and Symposia:</b>  2010 Invited Panel Presentation: "Patient Room Design Standards," Codes and Standards Forum, Healthcare Design 10 Conference, Las Vegas, CA. November 2010 2010 Forum Facilitator: <i>Architecture + Health Educators Forum</i> , Healthcare Design 10 Conference, Las Vegas, NV. November 2010. 2010 Invited Panelist, ACHA/AIA-Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2010. 2010 Forum Facilitator, <i>Architecture + Health Educators Summit</i> , ACHA/AIA Academy of Architecture for Health Leadership Conference, Chicago, IL. July 2010 2010 Invited Presentation: "Center of Economic Excellence in Health Facilities Design and Testing," Greer Development Corporation – Partnership for Tomorrow, Greer, SC. May 2010. 2010 Invited Presentation: AIA Academy of Architecture for Health Webinar "Healthcare 101, Hospital Architecture: Building as City." Online Webinar. June 2010 2010 Invited Presentation: "Center of Economic Excellence in Health Facilities Design and Testing" AIA SAR Architecture for Health Inaugural Conference, Clemson, SC. May, 2010 2010 Invited Presentation: Department of Defense TMA Design and Construction Summit on Defining World Class Requirements. Noblis, Falls Church, VA. May 2010 2010 Invited Panelist: "Our Health: Overcoming Obesity," SC ETV Produced Television Program April 20, 2010. 2010 Invited Presentation: [with Battisto, D.] "Integrating Design Prototyping and Research with Education, Practice and the Healthcare Industry," ARCC Research Panel, ACSA National Convention, New Orleans, March, 2010. 2010 Invited Presentation: "CoEE in Health Facilities Design & Testing," HEAL SC 2010 Conference, Columbia, SC March 2010. 2010 Invited Presentation: "A Patient Room Prototype: Balancing the Needs of Patients, Families and Caregivers," Architecture Therapeutics Aesthetics Conference, University of Toronto, February 2010. 2009 Peer Reviewed Presentation [with Dina Battisto]: Evidence-Based Approach to Creating a Human-Centered Acute Care Patient Headwall HealthCare Design 09 Conference, Orlando, FL. 2009 Invited Keynote Speaker: 3TU Research Day, Rotterdam, Netherlands, May 2009 2009 Peer Reviewed Presentation: [with Pak, R. Fink, N., Battisto, D.] Subjective Workload Analysis of a Redesigned Patient Headwall, 3TU Research Day, Rotterdam, Netherlands. May 2009. 2009 Peer Reviewed Presentation: "Critical Analysis of Two Distinct Patient Room Designs" ASHE International Planning and Design Conference, Phoenix AZ, March 2009.

## David Allison, FAIA, NCARB, ACHA

Professor/Director

Graduate Studies in Architecture + Health

- 2008 Invited Presentation: Center for Health Facilities Design and Testing, Union of International Architects-Public Health Group Conference, Florence, Italy. June 2008.
- 2008 Invited Workshop Participant: Open Building for Hospitals, Massachusetts General Hospital, Boston, MA. April 2008.
- 2008 Invited Symposium Participant: Health Environments Research Summit sponsored by Georgia Tech University, The Robert Wood Johnson Foundation and the DoD. Washington, DC. March 2008.
- 2007 Invited Workshop Leader/Speaker [with Peter Ellis, SOM]: Building in the City – Building as City. ACHA Master Series Seminar at HealthCare Design 07, Dallas TX.
- 2007 Peer Reviewed Presentation [with Dina Battisto]: Patient Room Prototype as a Proof of Concept for a Center for Health Facilities Design and Testing. HealthCare Design 07 Conference, Dallas, TX.
- 2006 Invited Symposium Participant: INO Open Building: Managing System Separation, Inselspital – Universitätsspital, Bern, Switzerland. July 2006.
- 2005 Invited Presentation: An Interdisciplinary Collaborative Approach to Designing a Green, Therapeutic and Community-Based Health Clinic, AIA Academy of Architecture for Health Conference - Therapeutic Environments Forum, Los Angeles, CA. October 2005.
- 2005 Peer Reviewed Presentation: [with Dina Battisto] An Interdisciplinary Collaborative Approach to Designing a Green, Therapeutic and Community-Based Health Clinic, Symposium on Healthcare Design, Atlanta, GA. September 2005.
- 2005 Invited Workshop Participant: The Academy of Neuroscience for Architecture Neuroscience and Health Care Facilities Workshop III, at the National Academy of Sciences, Woods Hole, MA. August 2005.
- 2005 Invited Presentation: Building as City: Hospitals - an Urban Design Approach. Kaplan McLaughlin Diaz Architects, San Francisco, CA. July 2005.
- 2005 Invited Presentation: Building as City: Hospitals - an Urban Design Approach. Part of a series of lectures facilitated by Stephen Verderber at the "International Conference on the Architecture of Hospitals" Groningen, the Netherlands. April 13-14-15, 2005
- 2004 Invited Workshop Participant: The Academy of Neuroscience for Architecture Neuroscience and Health Care Facilities Workshop II, at the National Academy of Sciences, Woods Hole, MA. August 2004.
- 2004 Invited Presentation: Recent Trends/Topics in Healthcare Architecture in the USA. Japan Institute of Healthcare Architects [JIHA], University of Tokyo, Japan..
- 2004 Invited Presentation: Architecture + Health at Clemson: Teaching, Research, and Service. University of Tokyo, Japan. May 2004.
- 2004 Invited Presentation: Disaster Medical Response Outside the Hospital. First Symposium on the Protection of Medical Facilities, Earthquake Disaster Research Center, Tsukuba, Japan. June 2004.
- 2004 Invited Presentation: Issues in US Health Facility Design. Yoshitake Seminar, University of Tokyo, Japan. June 2004.
- 2004 Invited Presentation: Current Issues in U.S. Healthcare Design. Japan Planning Institute [JPI], Tokyo, Japan. July 2004.
- 2004 Invited Presentation: Current Issues in U.S. Healthcare Design. NTT Kanto Hospital, Tokyo, Japan. July 2004.
- 2004 Invited Presentation: Light and Healing. 30th Healing Environment Symposium, Tokyo, Japan. July 2004.
- 2004 Invited Presentation: Considerations on the Making of Hospital Architecture. Kume Architects, Tokyo, Japan. July 2004.
- 2004 Invited Presentation: Kajima Corporation, Tokyo, Japan. Current Issues in U.S. Healthcare Design. July 2004.
- 2004 Invited Presentation: University of Tokyo, Japan. Considerations on the Making of Hospital Architecture – An American Perspective in Japan. July 2004.
- 2004 Invited Presentation: Architecture + Health – Teaching, Research, Service. Texas A&M University College of Architecture, College Station, Texas. April 2004.
- 2004 Invited Presentation: [with Thomas Garvey] : Incorporating Industrial Design in Healthcare – A collaborative project between Clemson University and Carleton

# David Allison, FAIA, NCARB, ACHA

Professor/Director

Graduate Studies in Architecture + Health

- University. ASHE – AIA/AAH Planning and Design Conference, Tampa, FL. March.
- 2003 Invited Presentation: An Acuity-Adaptable Patient Room Prototype. Therapeutic Environments Forum, AIA Academy of Architecture for Health National Fall Conference, Denver, CO. October, 2003
- 2003 Invited Panelist: SC ETV Program on Obesity: how the physical design of communities encourages or discourages physical activity.
- 2003 Organizer/Facilitator: Health by Design Symposium and Workshop Dedicated to the Conscious Creation of Health Environments [The academic medical center at four levels], Charleston, SC. September 2003
- 2002 Invited Presentation: Downtown Hospitals, SCDDA Community Builders Conference, Greenville, SC November 13, 2002.
- 2002 Invited Participant: Neuroscience and Health Care Facilities Workshop, The National Academy of Sciences, Woods Hole, MA. August 2002.
- 2002 Organizer/Facilitator: Global University Programs in Healthcare Architecture [GUPHA] Meeting in Genoa, Italy, July 2002.
- 2002 Invited Presentation: Just Say No to Sprawl-Mart [?], Clemson University School of Architecture - Southern Seminar, Spring 2002.
- 2001 Invited Presentation: Considerations for a Sustainable University Master Plan, Clemson University Faculty Senate Retreat, September 1991.
- 2000 Peer Reviewed Presentation/Panelist: Perspectives on Design, ASHA/AIA-AAH 2000 International Conference on Health Facility Planning, Design and Construction, Nashville TN March 9, 2000.
- 1999 Invited Presentation: The Architecture of Cancer Care, Academy of Architecture for Health Student Design Charrette at the 1999 AIA/AAH Fall Conference
- 1999 Invited Presentation: More Considerations on the Making of Architecture [for Health]. HKS Architects, Dallas TX, October 26, 1999.
- 1999 Invited Presentation: Architecture + Health at Clemson University. Texas A&M University, October 22, 1999.
- 1999 Invited Presentation: Architecture + Health at Clemson. Southern Conference of NCARB Board Member/Educators Conference at Clemson University.
- 1998 Invited Presentation: Key Issues in Making Architecture [for Health]. AIA Academy of Architecture for Health Student Design Charrette at the 1998 AIA/AAH Fall Conference.
- 1997 Invited Presentation: Considerations on the Making of Architecture [for Health], AIA Academy of Architecture for Health Design Forum at the 1997 AIA/AAH Fall Conference.
- 1995 Peer Reviewed Presentation: "Considerations on the Making of Architecture [for Health]," 1995 AIA National Convention, Atlanta, GA.
- 1993 Invited Program Facilitator: "Architectural Leadership in the Construction Process": American Institute of Architects Academy of Architecture for Health Conference in Orlando, Fla.
- 1991 Invited Presentation: "The Architecture and Health Program at Clemson" The Royal Architectural Institute of Canada - Healthcare Committee Conference in Ottawa, Canada.

## Sponsored Research/Grants:

- 2010 - 2011 Co-Investigator: [Dina Battisto, Principle Investigator] Development of World Class and Evidence-based Design Tools for Achieving and Evaluating Projects, Department of Defense Military Health System. Subcontract through NXT to Noblis

# David Allison, FAIA, NCARB, ACHA

Professor/Director

Graduate Studies in Architecture + Health

- [\$350,000]
- 2010 Grant: AIA Academy of Architecture for Health 2010 Student Design Charrette, HC Design 10 CHD-AIA/AAH Conference Las Vegas, NV. [\$5000]
- 2009 - 2010 Co-Investigator: [Dina Battisto, Principle Investigator] Development of World Class and Evidence-based Design Tools for Achieving and Evaluating Projects, Department of Defense Military Health System. Subcontract through NXT to Noblis [\$300,000]
- 2009 - 2010 Co-Investigator: [Dina Battisto, Principle Investigator] Patient Room Prototype Design and Research Project - Phase 3 for the Department of Defense and Spartanburg Regional Health System, Spartanburg, SC. [\$487,957]
- 2008 Grant: AIA Academy of Architecture for Health 2008 Student Design Charrette, AIA/AAH National Fall Conference Miami, Fl. [\$5000]
- 2007 - 2009 Co-Investigator: [Dina Battisto, Principle Investigator] Patient Room Prototype Design and Research Project - Phase 2 for the Department of Defense and Spartanburg Regional Health System, Spartanburg, SC. [\$363,633]
- 2007 Principal Investigator: [with Jerry Reves, Gail Stuart, Tom Jennings and Charles Feigley] CoEE/HSSC Health Facilities Research and Testing Laboratory and Endowed Chair Proposal for CU, MUSC, and USC. [\$10,000,000]
- 2006 Grant: AIA Academy of Architecture for Health 2006 Student Design Charrette, AIA/AAH National Fall Conference Miami, Fl. [\$5000]
- 2006 Co-investigator: [with Uriel Cohen and Jim Witte] Critical Issues in Health Environments Research National Survey. [\$20,000]
- 2005 - 2009 Principal Investigator: [with Dina Battisto, Thomas Garvey and David Detrich] Patient Room Prototype Design and Research Project for Spartanburg Regional Health System, Spartanburg, SC. [\$300,000]
- 2005 - 2006 Co-investigator: [with Kirk Hamilton & Frank Zilm]. Hospital Department Net to Gross Study. [\$14,000]
- 2006 Grant: AIA Academy of Architecture for Health 2006 Student Design Charrette, AIA/AAH National Fall Conference, Washington DC. [\$5000]
- 2004 JSPS Fellowship: Japan Society for the Promotion of Science Invitation Fellowship Program for Research in Japan [Long Term]. Awarded for a 3-month research period in Japan any time between April 1st 2004 and March 31st, 2005 to conduct a comparative study of innovative health facilities in Japan with Dr. Nagasawa at the University of Tokyo. [JY 1,247,000]
- 2003 Co-Investigator [with David Freedman]: Sustainable Universities Initiative Grant to develop a protocol for a LEED-EB Study of Hardin Hall at Clemson University, [\$5000]
- 2003 Principal Investigator [with Thomas Garvey, Yukari Oka, David Detrich, Dina Battisto, and Barbara Logan]: Clemson University Provost's Innovation Grant - A Collaborative Interdisciplinary Design Based Research Project to develop an acuity adaptable and universal patient room prototype. [\$30,000]
- 2002 - 2003 Principal Investigator [with Barbara Heifferon]: Facilities Guidelines Institute - Research Project: Usability survey and editorial review of the "Guidelines for the Design and Construction of Health Facilities." [\$20,000]
- 2002 - 2003 Co-Investigator: [with Geoff Zender, Pat Zungoli, Eric Bensen, et al] Integrated pest management grant to develop a residential learning module for primary school children in SC.
- 2002 Grant Recipient: AIA Academy of Architecture for Health 2002 Student Design Charrette, AIA/AAH National Fall Conference Boston, MA. [\$5000]
- 2002 Research Consultant [Dina Battisto Principal Investigator]: Coalition for Health Environments Research project: The Nature and Rate of Change in Hospital Laboratories. [\$20,000]
- 2001 Research Consultant [Windsor Sherrill Principal Investigator]: Wellness Facility Design, Client Satisfaction, and Improved Health Outcomes.
- 2000 Grant: AIA Academy of Architecture for Health 2000 Student Design Charrette, AIA/AAH International Fall Conference, Vancouver, BC, Canada. [\$5000]
- 1998 Grant: AIA Academy of Architecture for Health 1998 Student Design Charrette,

# David Allison, FAIA, NCARB, ACHA

Professor/Director

Graduate Studies in Architecture + Health

- AIA/AAH National Fall Conference, Pittsburg, PA. [\$6000]
- 1996 Grant: AIA Academy of Architecture for Health 1996 Student Design Charrette, AIA/AAH National Fall Conference, Charlotte, NC. [\$3000]
- 1990 Grant: AIA Academy of Architecture for Health 2006 Student Design Charrette, AIA/AAH National Fall Conference Charleston, SC. [\$3000]

## Public Service Projects

- 2005 **Programming and Conceptual Design Study:** Proposed "Hospital of the Future" for the Spartanburg Regional Health System. *Project Director.*
- 2005 **Programming and Conceptual Design Study:** Proposed Green Health Clinic for the Sullivan Center at Clemson University. *Project Co-Leader with Dina Battisto.*
- 2002 **Programming and Conceptual Design Study:** Clinical Learning and Research Center for the School of Nursing at Clemson University. *Project Co-Leader with Dina Battisto and Yukari Oka.*
- 1999 **Programming, Site Selection, and Conceptual Design Study:** A Residential Hospice Facility for the Hospice of the Foothills, Seneca, SC. *Project Director*
- 1997 **Master Planning and Conceptual Design Studies:** The Cliffs at Keowee Vineyards, Pickens County, SC. *Team Member.*
- 1997 **Master Planning, Programming, and Conceptual Design Study:** A Community Center for Hampton County at Lake Warren State Park, Hampton SC. *Project Director*
- 1995 **Master Planning, Programming, and Conceptual Design Study:** Therapeutic Camp for Chronically Ill Children, Children's Wish Foundation, Clemson, SC. *Project Director*
- 1994 **Programming, and Conceptual Design Study:** A Community Center for Learning & Well-being at F.J. Delaine Elementary School, Sumter SC. *Project Director*
- 1993 **Master Planning, Programming, and Conceptual Design Study:** Evergreen Retirement Community, Oshkosh WI. *Project Director*
- 1992 **Master Planning, Programming, and Conceptual Design Study:** 4H and Youth Development Camp: Clemson University Extension Service, Sharon SC. *Project Director*
- 1991 **Master Planning, Programming, and Conceptual Design Study:** East Tennessee State University School of Nursing and the Veterans Administration, Mountain Home TN. *Project Director*

## Service/Memberships

### Professional Service:

- 2011 Kaiser Permanente Small Hospital-Big Idea Competition: Jury Member
- 2010 Texas A&M College of Architecture: External Program Reviewer
- 2010 AIA/AAH South Atlantic Region 2010 Conference Planning Task Force
- Since 2008 AIA Academy of Architecture for Health: Educators Forum Leader
- 2009 AIA Academy of Architecture for Health: Charrette Task Force
- 2009 AIA/AAH South Atlantic Region 2009 Conference Planning Task Force
- 2009 AIA Academy of Architecture for Health Design Awards: Jury Member
- 2007 Modern Healthcare Magazine National Design Awards: Jury Member
- 2007 AIA Academy of Architecture for Health: Charrette Task Force
- 2006 AIA Academy of Architecture for Health: Charrette Task Force
- 2005 Modern Healthcare Magazine National Design Awards: Jury Member.
- 2002 - 2004 AIA/AAH Health Facilities Review: Jury Chair and Task Force Chair
- 2002 - 2003 AIA Academy of Architecture for Health: Charrette Task Force Co-Chair
- 2000 - 2002 AIA Academy of Architecture for Health: Board of Directors
- 2000 - 2001 American College of HC Architects: Curriculum/Exam Task Force
- 2000 American College of Healthcare Architects: Founding Member
- 1999 - 2009 Coalition for Health Environments Research: Research Committee [which became the Center for Health Design: Research Coalition]
- 1999 AIA Academy of Architecture for Health: AAH Slide Show Task Force

# David Allison, FAIA, NCARB, ACHA

Professor/Director

Graduate Studies in Architecture + Health

1997 - 1999 AIA Academy of Architecture for Health: Charrette Task Force Co-Chair  
1994 - 1999 AIA/AAH Health Facilities Research and Education Program: Board Chair.  
Since 1997 AIA Academy of Architecture for Health: Advisory Council  
1993 - 1995 AIA Committee on Architecture for Health: Charrette Task Force Chair  
1991 - 1996 AIA/AAH Health Facilities Research and Education Program Board.  
1990 - 1992 AIA Committee on Architecture for Health: Charrette Sub-Committee.  
1994 AIA/AAH-HFREP Health Facilities Research Awards: Jury Member.  
1994 Modern Healthcare Magazine National Design Awards: Jury Chairman.  
1993 Modern Healthcare Magazine National Design Awards: Jury Member.  
1993 AIA/AAH-HFREP Health Facilities Research Awards: Jury Member.  
1987 AIA South Atlantic Regional Conference: Speakers Chair

## Public Service:

Since 2008 City of Clemson: Planning Commission  
2009 City of Clemson: Co-Chairman – Planning Commission  
2006 - 2008 City of Clemson: Chairman - Board of Zoning Appeals  
2006 City of Clemson: Co-Chairman - Board of Zoning Appeals  
2004 - 2005 City of Clemson: Chairman - Board of Zoning Appeals  
2003 - 2004 City of Clemson: Comprehensive Plan Housing Task Force  
Since 2001 City of Clemson: Board of Zoning Appeals  
1999 - 2001 City of Clemson: Leader in citizen fight against a Wal-Mart in Clemson  
2000 - 2002 Unitarian Universalist Fellowship of Clemson: Site Master Plan  
1999 - 2000 Morrison Elementary School: Building Committee  
1999 Pickens County School District: Elementary School Standards Task Force  
1997 - 2000 Morrison Elementary School: School Improvement Council  
1997 - 1998 Morrison Elementary: Leader in citizen fight for new elementary school  
1992 - 1993 Pickens County Grand Jury [Foreman in 1993]  
1988 - 1993 Piccolo Spoleto Sand Castle Competition – Founder, Organizer

## Academic Service:

Since 1990 Director, Graduate Studies in Architecture + Health  
Since 1990 School of Architecture: Graduate Admissions Committee  
Since 2008 School of Architecture: Chair's Advisory Committee  
2010- 2011 School of Architecture: NAAB Accreditation Committee  
2010 College of AAH: Dean Search Committee  
2010 Dept. of Construction Science & Management: Faculty Search Committee  
2006 School of Architecture: NAAB Accreditation Task Force  
2006 School of Architecture: Chair's Advisory Committee  
2004 - 2006 School of Architecture: Faculty Search Committee  
2005 - 2007 School of Architecture: Peer Review Committee  
2004 - 2005 University: Gunnin Architectural Librarian Search Committee  
2003 - 2004 University: Graduate Program Review Committee – Food Science  
2002 - 2003 School of Architecture: Faculty Advisory Committee  
2001 - 2006 College of AAH: Pearce Center Advisory Board  
2001 - 2002 School of Architecture: Interim Graduate Coordinator  
2001 - 2002 School of Architecture: NAAB Accreditation Task Force  
2001 - 2002 College of AAH: Associate Dean for Research Search Committee  
1998 - 2001 University Faculty Senate College of AAH Representative  
1998 - 2001 University Faculty Senate Scholastic Policy Committee [chair 2000-2001]  
1999 - 2000 School of Architecture: Faculty Search Committee  
1999 - 2000 School of Architecture: Faculty Advisory Committee  
1995 - 1996 School of Architecture: NAAB Accreditation Task Force  
1994 - 1995 College: Computer Committee  
1994 - 1995 University: Faculty Workload Committee  
1992 - 1996 University: Graduate Curriculum Committee  
1992 - 1996 School of Architecture: Curriculum Committee  
1994 - 1995 University: Task Force on Faculty Workload

# David Allison, FAIA, NCARB, ACHA

Professor/Director

Graduate Studies in Architecture + Health

## Awards/Recognition

- 2011 Clemson University Board of Trustees Faculty Award for Excellence
- 2010 Elevated to Fellow of the American Institute of Architects
- 2010 Named as 4<sup>th</sup> of the "25 Most Influential People in Healthcare Design" through a national poll conducted by Healthcare Design Magazine, December 2010
- 2010 Clemson University Board of Trustees Faculty Award for Excellence
- 2009 Named as 14<sup>th</sup> of the "25 Most Influential People in Healthcare Design" through a national poll conducted by Healthcare Design Magazine, December 2009.
- 2008 NCARB Award for the Architecture + Health Program at Clemson University
- 2007 Named one of "Twenty Making a Difference" in Healthcare Design by Healthcare Design Magazine, December 2007
- 2006 1st Place, Healthcare Environment Design Award Competition: Professional Conceptual Category. Project Director with Clemson University Architecture + Health Graduate Studio & Sculpture Program, Carleton University School of Industrial Design and the Spartanburg Regional Healthcare System
- 2004 Japan Society for the Promotion of Science [JSPS] Fellowship
- 2002 Clemson University Board of Trustees Faculty Award for Excellence
- 2002 AIA Academy of Architecture for Health Presidential Citation
- 1991 NAVFAC Award for Distinguished Project: Emergency Department Expansion and Renovation at the Naval Hospital, Charleston, SC
- 1990 Silver Medal: Tau Sigma Delta Award for design excellence.
- 1981 3rd Place: National ACSA Student Design & Energy Competition

## Awards to students under David Allison's direct supervision:

- 2010 AIA/AAH Fellowship to Heather Bachman: Thesis Proposal – Therapeutic By Design: Integrated Adult Day Health Services [role: Major Advisor]
- 2010 AIA/AAH Fellowship to Eva Behringer: Thesis Proposal – The Daylight Imperative [role: Major Advisor]
- 2009 AIA/AAH Fellowship to Lindsay Todd: Thesis Proposal - Reconsidering the Semi-Private Patient Room. [role: Major Advisor]
- 2008 McClure Award for Best Thesis or Comprehensive Project Design to Isaiah Dunlap [role: Studio professor and major advisor]
- 2007 1<sup>st</sup> Place Healthcare Environment Award Competition to David Ruthven: Thesis Project: Imed, A Freestanding Interactive Medical Emergency Department. [role: Major Advisor]
- 2007 AIA/AAH Souder Award to David Ruthven: Thesis Project: Imed, A Freestanding Interactive Medical Emergency Department. [role: Major Advisor]
- 2006 AIA/AAH Fellowship to David Ruthven: Thesis proposal: Imed, A Freestanding Interactive Medical Emergency Department. [role: Major Advisor]
- 2006 AIA/AAH Fellowship to Marie McFadden for her Thesis proposal: An Outpatient Orthopedic Surgery and Rehab Center [role: Major Advisor]
