NOTE:

1. Online programs include Human Resource Development, Youth Development & Leadership, Public Administration, Industrial Engineering and non-thesis Biological Sciences.
2. The Graduate School has clarified that a full-time graduate student (including a graduate assistant) is classified consistently by enrollment in a minimum of nine credit hours per semester for all university purposes (approved Fall 2012).
3. The Audit Fee has been removed from the Fall 2013 Fee Schedule. Previously the fee was calculated at 50% of tuition; however, due to best practices the calculation has been updated to be 100% of tuition and thus removed from this document.
4. Clemson University is actively participating and soliciting nationally competitive fellowships which include a predetermined tuition & fee support amount. In order to remain competitive the departments will have the option to apply a waiver to cover the difference between the predetermined tuition & fee support and Clemson's tuition & fee rate (approved Fall 2012).
5. The Undergraduate Student Government has established the Student Sustainability Initiative (i.e Green Fee) for Fall 2013 academic year. The fee is a \$10.00 opt in fee that will be managed by the Undergraduate Student Government.
6. The Summer Experiential Program Fee is being proposed for the upcoming Summer Session. The fee will be a variable rate that would cover travel costs associated with the innovative summer courses and programs that are being developed commensurate with the Road Map 2020 goal to increase summer school activity.
