

**BILLING RATES - FY 08/09**

**DEPARTMENT NAME :**  
**Animal & Veterinary Sciences- Histology Core**

**VICE-PRESIDENT AREA :**  
**CAFLS**

| DESCRIPTION OF<br>COMMODITY OR SERVICE :   | UNIT OF<br>BILLING | FY 08/09<br>RATE | CUSTOMERS BEING<br>SERVED |
|--|--------------------|------------------|---------------------------|
| <b>Services provided by Core Technician</b>  |                    |                  |                           |
| Tissue collection, dissection, fixation  | per sample         | \$1.00           | Intra Departmental        |
| Tissue collection, dissection, fixation  | per sample         | \$2.00           | Clemson                   |
| Tissue collection, dissection, fixation  | per sample         | \$3.00           | External                  |
| Embedding and sectioning with routine staining - Frozen. Embed only.   | per sample         | \$2.00           | Intra Departmental        |
| Embedding and sectioning with routine staining - Frozen. Embed only.   | per sample         | \$2.50           | Clemson                   |
| Embedding and sectioning with routine staining - Frozen. Embed only.   | per sample         | \$3.00           | External                  |
| Embedding and sectioning with routine staining - Frozen. Process block, up to 5 slides - 8µm sections *        | per sample         | \$5.00           | Intra Departmental        |
| Embedding and sectioning with routine staining - Frozen. Process block, up to 5 slides - 8µm sections *        | per sample         | \$18.00          | Clemson                   |
| Embedding and sectioning with routine staining - Frozen. Process block, up to 5 slides - 8µm sections *        | per sample         | \$22.00          | External                  |
| Embedding and sectioning with routine staining - Frozen. Frozen tissue provided, up to 5 slides - 8µm sections | per sample         | \$4.00           | Intra Departmental        |
| Embedding and sectioning with routine staining - Frozen. Frozen tissue provided, up to 5 slides - 8µm sections | per sample         | \$13.50          | Clemson                   |
| Embedding and sectioning with routine staining - Frozen. Frozen tissue provided, up to 5 slides - 8µm sections | per sample         | \$16.50          | External                  |
| Paraffin (investigator provides fixed tissue) Embed only   | per sample         | \$4.00           | Intra Departmental        |
| Paraffin (investigator provides fixed tissue) Embed only   | per sample         | \$5.00           | Clemson                   |
| Paraffin (investigator provides fixed tissue) Embed only   | per sample         | \$6.00           | External                  |
| Paraffin (investigator provides fixed tissue) process block, up to 5 slides - 5µm sections *                   | per sample         | \$6.00           | Intra Departmental        |
| Paraffin (investigator provides fixed tissue) process block, up to 5 slides - 5µm sections *                   | per sample         | \$10.00          | Clemson                   |
| Paraffin (investigator provides fixed tissue) process block, up to 5 slides - 5µm sections *                   | per sample         | \$15.00          | External                  |
| Paraffin Embed tissue provided, up to 5 slides-5µm sections  | per sample         | \$4.00           | Intra Departmental        |
| Paraffin Embed tissue provided, up to 5 slides-5µm sections  | per sample         | \$5.00           | Clemson                   |
| Paraffin Embed tissue provided, up to 5 slides-5µm sections  | per sample         | \$6.00           | External                  |
| Resin (investigator provides fixed tissue) Embed only  | per sample         | \$9.00           | Intra Departmental        |
| Resin (investigator provides fixed tissue) Embed only  | per sample         | \$10.00          | Clemson                   |
| Resin (investigator provides fixed tissue) Embed only  | per sample         | \$12.50          | External                  |
| Process block, up to 5 slides-1.5µm sections *   | per sample         | \$12.00          | Intra Departmental        |
| Process block, up to 5 slides-1.5µm sections *   | per sample         | \$24.00          | Clemson                   |
| Process block, up to 5 slides-1.5µm sections *   | per sample         | \$30.00          | External                  |
| Embedded tissue provided, up to 5 slides-1.5µm sections  | per sample         | \$3.00           | Intra Departmental        |
| Embedded tissue provided, up to 5 slides-1.5µm sections  | per sample         | \$14.00          | Clemson                   |
| Embedded tissue provided, up to 5 slides-1.5µm sections  | per sample         | \$20.00          | External                  |
| Special Staining, IHC; Plus cost of primary antibody   | per precut slide   | \$8.00           | Intra Departmental        |
| Special Staining, IHC; Plus cost of primary antibody   | per precut slide   | \$14.00          | Clemson                   |
| Special Staining, IHC; Plus cost of primary antibody   | per precut slide   | \$28.00          | External                  |
