GRADUATE OUR MEN

"Getting your degree is what it is all about. If you are coming here to play football you come with the understanding that you are a student-athlete. The goal is to walk away with a degree. It is going to take hard work and understanding how to be accountable to yourself and your teammate and making sure you do everything right."

- UA HEAD COACH BOBBY PETRINO

PREPARE FOR THE NFL

Arkansas has produced 21 NFL draft picks in the past seven seasons including six first-round selections during that span. In April of 2009, Coach Petrino organized a ceremony at halftime of the annual Red-White game that has become a fixture in which several former Razorbacks including many current NFL players return to Fayetteville to honor the senior class from the past season.

"Our objective was simply to find the best head football coach for the University of Arkansas. We wanted to find a proven coach that has an established track record of success on the field, a coach that could bring innovative ideas and philosophies to both sides of the football. We wanted to find a coach that had won conference championships and, ideally, had competed and succeeded in the (Bowl Championship Series). But just as importantly, we wanted someone who had exhibited a strong commitment to discipline and accountability with their student-athletes, a coach that stressed the fundamental responsibility of student-athletes to achieve at the highest levels, academically and athletically, while maintaining exemplary citizenship."

- JEFF LONG. ARKANSAS VICE CHANCELLOR AND DIRECTOR OF ATHLETICS. DEC. 11. 2007

"I think as a fan it would be fun to watch his teams. He is an incredible play caller and I believe he has the best offensive mind in the game."

- RYAN MALLETT. ARKANSAS QUARTERBACK

"Coach Petrino is a perfectionist. A lot of people probably see the offensive numbers his teams have put up and think that is where he focuses all of the time. His teams do put up numbers on offense, that's for sure. He really focuses on the whole game though, offense, defense and special teams."

- MICHAEL SMITH. FORMER ARKANSAS RUNNING BACK

" Bobby Petrino is the best quarterbacks coach in the game."

PETRINO

EMBRACING ARKANSAS

In his time at Arkansas, Coach Petrino has reached out to the community, faculty and former players through numerous initiatives including the following:

Made a personal $100,000 commitment to the Razorback Foundation. Petrino's gift is believed to be the largest donation to the Razorback Foundation Annual Fund by a sitting Razorback head coach in school history.

Initiated a kickoff luncheon on Aug. 14, 2009, that was attended by more than 950 fans. Coach Petrino was the featured speaker and coaches, football personnel and all 105 players attended. Two players sat at each table with fans. The plan is for the luncheon to continue in future seasons.

Established a weekly radio show, which is held Wednesday evenings throughout the fall. It is held at a local restaurant where fans can attend.

Studied and asked for consideration for a synthetic field surface to be installed at Razorback Stadium. The installation began immediately following the spring game in 2009 and was completed prior to the 2009 season.

After reading an article discussing city budget issues, Coach Petrino utilized time that was allocated for team meetings during 2009 spring football to send the entire squad to the city library. The group spent part of an afternoon cleaning, stacking books and visiting with children.

Organized a ceremony at halftime that has become a fixture at halftime of the annual Red-White Game honoring the senior class from the past season and naming team award winners. He has invited former players back to be a part of it and the following have been on hand: Darren McFadden, Felix Jones, Shawn Andrews, Ken Hamlin, Quinn Grovey and Cedric Cobbs among others.

Has made appearances at several other Razorback sporting events including men's and women's basketball games and baseball, including the College World Series in Omaha, Neb.

The University of Arkansas offers some of the finest facilities in the nation, including Donald W. Reynolds Razorback Stadium (72,000), the Broyles Athletic Center, the Bob and Marilyn Bogle Academic Center and the Walker Pavilion, which includes the state-of-the-art Walker Family Training Center and a 120-yard indoor workout area.

"Coach Petrino has helped me out so much and I didn't realize it until it came to this time. He's first class, all business and handles everything that way. That's really how it is at the next level. I haven't had a shock or a big surprise and I knew what I was getting into, but my knowledge of the X's and O's through what I learned from Coach Petrino helped me when I met with NFL coaches. He definitely gets players ready for the NFL."
- MITCH PETRUS, N.Y. GIANTS

"Today, I really wanted to go to work on the position drills and wanted to redo my agility drills from the combine. I was able to learn a lot from Coach Petrino since it is a pro style system here. I felt being in the system gave me more knowledge."
- JONATHAN LUIGS, CINCINNATI BENGALS

"It was awesome to work out and do it in front of a bunch of friends. I was looking forward to showing what I can do. I think I was able to push my stock higher. I think playing a year in Coach Petrino's offense really helped me significantly. Being able to show I could play at both tackle positions has a huge upside that the scouts like to see."
- JOSE VALDEZ, ATLANTA FALCONS

Under Coach Petrino, Pro Day workouts at the University of Arkansas have drawn numerous NFL scouts, coaches and executives to Fayetteville.

FOOTBALL

2010 SEASON PREVIEW

Ryan Mallett is the only quarterback from a BCS conference returning to college football this year who finished in the top 10 in pass efficiency in 2009 (152.46).

THE SCHEDULE

Arkansas opens the 116th year of Razorback football on Sept. 4 against Tennessee Tech in Fayetteville, Ark. Arkansas has won 20 of its last 25 season-opening contests. The Hogs are 90-22-4 all time in season openers.

Arkansas' schedule includes games against teams that have won two of the last three national championships (LSU 2007, Alabama 2009). Including this year's meeting with Alabama, Arkansas has played the defending national champ nine times in the last 14 years. Overall, the Razorbacks are 7-13 against defending national title winners. In 2008, Bobby Petrino became the only first-year head coach in school history to lead Arkansas to an on the field victory over the national title winner from the previous season (LSU).

Arkansas continues its rivalry with former Southwest Conference foe Texas A&M on Oct. 9 when the teams meet in the Southwest Classic held at Arlington, Texas, in Dallas Cowboys Stadium. Last year, the teams met for the first time since 1991, and Arkansas won the game, 47-19. The Razorbacks lead the all-time series, 39-24-3.

Vanderbilt returns to the SEC schedule as the Razorbacks meet the Commodores for the first time since 2006 and the first time in Fayetteville since 2005.

Last season, UA's schedule ranked as one of the toughest in the nation. According to the NCAA, the 2009 slate ranked as the fourth-toughest in the nation. Arkansas faced six ranked opponents in 2009 (AP or USA Today). Three of the opponents on the 2010 schedule ended last season ranked inside the Top 25 (AP or USA TODAY).

After having a bye weekend the second week of the season in 2009 which caused the Razorbacks to play 11 straight weeks, the bye this year falls in week five of the season. UA plays three of its first four games in the state of Arkansas and then meets Texas A&M in Arlington following the bye.

Arkansas road games in 2009 included trips to Alabama, Florida, Ole Miss and LSU. This season, the Razorbacks travel to Georgia, Auburn, South Carolina and Mississippi State. The Georgia game will be the first for the Razorbacks in Athens since 2005.

THE STAFF

University of Arkansas head coach Bobby Petrino enters his third season in Fayetteville. The staff underwent some changes at the end of the 2009 season. Garrick McGee was named offensive coordinator and quarterbacks coach after working with just the quarterbacks the previous seasons. Arkansas hired Steve Caldwell to work with the defensive ends and Chris Cinkovich to work with the wide receivers. UA also named Kris Klenakis as offensive line coach.

The UA coaching staff made strengthening the run game out of the "Shot" formation an emphasis during the spring. UA offensive line coach Chris Klenakis ran the "Pistol" as the offensive coordinator at Nevada prior to coming to Arkansas and in 2009 the Wolf Pack had the top-ranked rushing offense in the nation (344.9).

THE TEAM

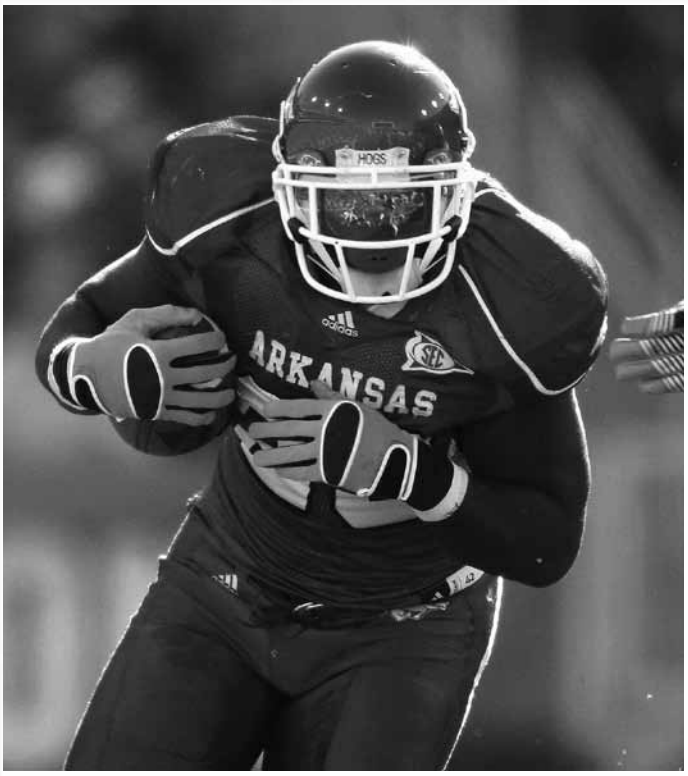

Arkansas' leaders in each of the following departments are projected to return to the 2009 squad: passing, rushing, receiving, total offense, scoring, all-purpose yards, tackles, sacks, interceptions, pass break ups, quarterback hurries, forced fumbles, fumble recoveries, kickoff returns, punting, field goals, punting and blocked punts.

Arkansas is poised to return nine starters on offense and seven on defense. Arkansas should return a total of 40 players who made at least one start in 2009 (22 on offense and 18 on defense). In 2008, the Razorbacks returned 32 players who had made at least one start from the previous season.

Of the nine anticipated returning starters on offense, five are juniors and four are seniors. Of the seven returning starters expected to return on the defense, four are juniors and three are seniors.

THE OFFENSE

Arkansas returns players who accounted for 100 percent of its passing yards in 2010, 85 percent of its receiving yards and 75 percent of its rushing yards.

Broderick Green returns after rushing for a team-leading 11 touchdowns in 2009. The total was the fifth-highest by any player in the SEC in 2009.

On Jan. 8, 2010, UA quarterback Ryan Mallett announced his intentions to return to college football for his junior season. Mallett set or matched 16 different school records during his sophomore season completing 225-of-403 passes for 3,624 yards and 30 touchdowns with just seven interceptions. Mallett is the only Manning Award finalist from a conference with an automatic BCS bid returning to college football in 2010. He was an All-SEC second-team selection (AP, Coaches) in 2009. He led the SEC in total offense (276.5), touchdown passes (30) and passing yards per game (276.5) in his first year in the league. He is the only quarterback from a BCS conference returning this year that finished in the top 10 nationally in pass efficiency in 2009 (152.5).

Arkansas tight end D.J. Williams announced his decision to return to Arkansas on Jan. 13, 2010 for his senior season. In 2009, Williams was named second-team All-SEC by the league coaches. He was named to the Lombardi and Mackey Award watch lists prior to last season. He was also a nominee for the 2009 FedEx Orange Bowl/FWAA Courage Award. In 2008, he was the first Mackey Award semi-finalist in school history.

The Arkansas offense loses only two of the 13 players that carried the ball at least once during the 2009 season (Michael Smith and Brandon Barnett). In addition, four of the top five rushers from 2009 return.

The offensive line returns four players, including three seniors, losing only Mitch Petrus. Seth Oxner and DeMarcus Love both started every game for the Razorbacks in 2009. Ray Dominguez and Wade Grayson, who both started 10 games last season, also return.

Each of the top five receivers from the 2009 squad are set to return along with each of the starting wide receivers and the starting tight end from last season. Players who accounted for 30 of the 32 receiving touchdowns in 2009 are expected to return to the team.

All five Arkansas players that had a 100-yard receiving game for the Razorbacks last season are projected to return to the squad (Joe Adams, Jarius Wright, Greg Childs, Cobi Hamilton and Williams). The five combined for nine different 100-yard performances a year ago. Arkansas was the only team in the league with five different players to have a 100-yard receiving game last year. The Razorbacks were the only team in the league with three players who had two-or-more 100-yard receiving games in 2009 (Childs, Wright and Adams).

Arkansas has thrown for 300-or-more yards in nine of 25 games under Petrino. Prior to his arrival, Arkansas had thrown for 300-or-more yards 16 times in school history.

THE DEFENSE

The Razorback defense returns five of its top seven tacklers from last season. Jerry Franklin returns after leading the squad in tackles each of the last two seasons. In records dating back to 1960, only Mick Thomas has led the team in tackles three-straight seasons.

The unit loses four starters with two coming from the defensive line in Adrian Davis and Malcolm Sheppard. Linebacker Wendel Davis and safety Matt Harris also will not return.

Arkansas returns players who accounted for nine of its 13 interceptions in 2009 including Franklin and Tramain Thomas who each had three to lead the team.

Jake Bequette and Zach Stadther return after starting on the defensive line last season. Bequette was the team leader in 2009 in sacks (5.5) and quarterback hurries (8). He also ranked second on the team in forced fumbles and fumble recoveries with two of each.

As linebacker, Franklin and Freddy Burton return. Franklin has started every game but one of the Petrino era and Burton has made 13 career starts, including seven last season.

In the secondary, Ramon Broadway, Elton Ford, and Rudell Crim return as starters from a season ago. In addition, Isaac Madison comes back after suffering a knee injury during August drills. During a scrimmage on Aug. 15, 2009, Madison tore the ACL in his left knee that caused him to miss the 2009 season.

In the final week of spring football, the UA coaching staff moved Crim to safety. Crim started all 13 games at cornerback during the 2009 season. Prior to coming to Arkansas, he was a junior college All-American at safety while attending Butler County Community College.

Greg Childs led the Razorbacks and finished fourth in the SEC in 2009 by averaging 68.8 yards per game. He also ranked eighth in the SEC in receptions per game (3.69).

Tenarius Wright was selected to the SEC All-Freshman Team by the league coaches in 2009 and was named the SEC Defensive Lineman of the Week for his effort in the Southwest Classic victory over Texas A&M.

THE SPECIAL TEAMS

Arkansas returns Alex Tejada, who handled field goal duties the last two seasons and split time kicking off for the Razorbacks in 2009. Tejada set the school record for career PATs in 2009 and his career total currently stands at 136. Tejada also set the school record for PATs made in a season last year with 58. Dylan Breeding who handled nearly all of the punting duties last season also returns.

Kick returner Dennis Johnson returns after setting the career (1,936) and single-season (1,031) records for kickoff return yardage a year ago. Johnson's 25.8 yard average on kickoff returns in 2009 ranked 28th nationally.

RAZORBACKS AT HOME

Arkansas finished 6-1 at home in 2009 and won each of its last five games to do so. The home win streak is tied for the third-longest in the SEC and the 15th-longest in the nation.

Coach Petrino has made a priority out of playing well at home. The chart below shows where the Razorbacks finished nationally as a team and individually in numerous categories in 2009 in home games only:

HEAD COACH
BOBBY PETRINO

Bobby Petrino has wasted little time showing Razorback fans and the rest of the college football world why he ranks among the most successful coaches in NCAA Bowl Subdivision football.

In just his second season at the University of Arkansas, the Razorback offense rewrote nearly every school passing record and for the first time since joining the league, UA led the SEC in scoring and passing offense.

Petrino's 2008 and 2009 teams own the top two spots in each of the following Arkansas single-season categories: points, passing yards, passing yards per game and passing touchdowns.

Petrino's collegiate head coaching resume includes leading his teams to five bowl game appearances, including a victory in the Bowl Championship Series' 2006 FedEx Orange Bowl in his ultra-successful four-year tenure at the University of Louisville.

Petrino blends 23 years of collegiate coaching experience with stints in the National Football League as both a head coach and assistant coach to total 26 years of coaching experience. In addition to Louisville, Petrino's college experience includes stops at Arizona State University, the Univer-

During his career, Coach Petrino has posted a 54-21 (.720) record. The list below shows where the winning percentage ranks among active coaches (min. five years of head coaching experience):

sity of Nevada, Utah State University and Auburn University. His NFL coaching tenures have come with the Jacksonville Jaguars and the Atlanta Falcons.

Long before his first game as head football coach at the University of Arkansas, Petrino's positive impact on a tradition-rich Arkansas program and a passionate Razorback fan base was abundantly evident. From the boisterous welcome offered from assembled fans at a late-night nationally-televised press conference announcing his hiring, to the record attendance numbers at Razorback Clubs in all corners of the state, there was no question that Petrino's arrival in Fayetteville energized and unified the state behind their beloved Razorback football program.

Petrino's fingerprints on the Razorback football program were also recognizable on the field in his first season as the Razorbacks' head coach. Arkansas showed vast improvement in all phases of the game from the season opener to the memorable season finale.

Petrino's commitment to an aggressive offensive approach, execution, balance, discipline and the sound principles of defense had clearly taken hold at Arkansas.

Petrino's reputation for engineering high-octane and quick-strike offenses is well deserved. His teams have consistently ranked among the nation's best in total offense and scoring. Although sometimes perceived as a coach that focuses primarily on the passing game, in reality Petrino adheres to the philosophy of balance between offensive production on the ground and through the air. Consider that in the last 12 years of his college coaching career spent as a head coach, an offensive coordinator or both, Petrino's offenses have boasted 78 100-yard rushers and 50 300-yard passers. That equates to 128 defining offensive individual performances in 144 total games.

In his coaching career, Petrino has worked with numerous players who went on to play professionally, including an impressive list of NFL quarterbacks. As a head coach, he helped develop quarterbacks Stefan LeFors (2003-04) and Brian Brohm (2004-06) at Louisville. As a coordinator or assistant, he tutored Jason Campbell at Auburn (2002), Chris Redman at Louisville (1998), Jake Plummer at Arizona State (1993), and Doug Nussmeier (1990-91) and John Friesz (1989) at Idaho.

On Dec. 11, 2007, Petrino was named the 30th head coach in Razorback football history. The announcement marked Petrino's return to college football, the very landscape that put him on the coaching map.

Prior to his tenure as the head coach of the Atlanta Falcons during the 2007 season, Petrino coached four seasons (2003-06) at Louisville.

In 2006, Petrino guided the Cardinals to a 12-1 record, including a 24-13 win

"I used to play here (Arkansas) once a year, so I know a little bit about the program and with Bobby Petrino leading it now, Arkansas should be in good hands.

"It's impressive (Arkansas' facilities). It's hard to beat what Arkansas has. I had a chance to go through the Hall of Fame room where all the trophies are on display. The Razorbacks certainly have a great history, that's for sure."

—Lovie Smith, Chicago Bears head coach

over nationally-ranked Wake Forest in the BCS FedEx Orange Bowl. Louisville vaulted to as high as No. 3 in the polls during the season and finished with a final No. 6 national ranking in the Associated Press poll, the highest ranking in school history. Louisville had three victories over top-15 ranked teams, including wins over No. 15 Miami (31-7), No. 3 West Virginia (44-34) and No. 12 Wake Forest (24-13). The 12 victories also set a new school mark, breaking a record Petrino had held in part previously with 11 wins in 2004. The Cardinals won their first Big East Conference title, ranked second in the nation in total yards (475.3 yards per game) and fourth in the nation in scoring offense (37.8 points per game). Louisville also led the Big East in pass offense average (290.0) and first downs (296).

In 2005, Petrino led Louisville into the Big East Conference and guided the Cardinals to a 9-3 record and their first New Year's Day Bowl game since 1991. Louisville ranked ninth in the nation in total offense (482.1) and third in the nation in scoring offense (43.4). The Cardinals scored at least 30 points in 11 of 12 games, including eight games of more than 40 points, four games of 50 or more points and three 60-point outings. Seven Cardinals earned All-Big East honors in the school's first year in the league, including Bronko Nagurski and Ted Hendricks Award winner Elvis Dumervil. Dumervil led the nation in sacks (20) and forced fumbles (10) on his way to consensus All-America honors. Running back Michael Bush led the nation in scoring (14.4), scored 24 touchdowns and became the school's first 1,000-yard rusher since 1999.

Petrino's 2004 Louisville team went 11-1, won the Conference USA championship and beat No. 10 Boise State in the Liberty Bowl, 44-40, to end the season ranked No. 7. The Cardinals led the nation in total offense (539.0) and scoring offense (49.8), surpassed 40 points nine times, scored 50 points seven times and set an NCAA record by scoring 55 or more points in five-straight games.

The groundwork for the record-setting success to come was laid in Petrino's first season as a head coach at Louisville in 2003. Taking over a team that had finished 7-6 the season before, Petrino guided the Cardinals to a 9-4 record and a GMAC Bowl berth. The nine wins were the most by a first-year Louisville coach. It didn't take long for Petrino to set the tone in his first collegiate coaching stint. In his first career game as a head coach, Petrino led Louisville to a 40-24 win over arch rival Kentucky. Louisville led the league and ranked among the nation's best in total offense, rushing and scoring. The Cardinals ranked fifth in the nation in total offense (488.9), 10th in rushing (228.2) and 15th in scoring offense

(34.6) in Petrino's inaugural season. Louisville set six Conference USA records including the mark for total yards after the Cardinals raked up 779 yards, including 445 rushing yards, in a 66-45 win over Houston.

Prior to Louisville hiring him as its head coach, Petrino served one season as the offensive coordinator at Auburn in 2002. In his one season with the Tigers, Auburn went 9-4, including three wins over top-10 ranked opponents, and won a share of the SEC Western Division title.

Before going to Auburn, he spent three seasons in the NFL with the Jacksonville Jaguars. He was the quarterbacks coach in 1999 and 2000, and the offensive coordinator in 2001.

In his first stint at Louisville, he was the offensive coordinator for the Cardinals in 1998. In that one season, Louisville was the top-ranked NCAA Division I-A team in scoring and total offense while recording the biggest turnaround in the nation. The Cardinals improved from 1-10 in 1997 to 7-5 in '98.

The Helena, Mont., native was the offensive coordinator at Utah State for three years (1995-97) before going to Louisville. While in Logan, Utah, he helped Utah State set school records by averaging 468.5 yards of total offense and 317.5 yards passing during the 1996 season. Prior to his arrival, USU averaged just more than 300 yards per game in total offense. In 1996, the Aggies also racked up a school-record 273 first downs, an average of nearly 25 first downs a game.

In 1994, he was the offensive coordinator and quarterbacks coach at the University of Nevada. The Wolfpack ranked second in the nation in passing (330) and total offense (500) per game, and was third in the nation with 37.6 points a game. During his one-year stint at Nevada, the Wolfpack boasted 10 100-yard rushing performances and six 300-yard passing efforts. Nevada posted a 9-2 record and won a share of the Big West title.

In 1992 and 1993, he was the quarterbacks coach at Arizona State where he assisted in the development of future All-American and NFL star Jake Plummer. While with the Sun Devils, Petrino also worked with then-ASU quarterback and current UA offensive coordinator and quarterbacks coach Garrick McGee.

Prior to his two years at Arizona State, he was the quarterbacks coach (1989) and offensive coordinator (1990 & 1991) for three seasons at the University of Idaho. He was the wide receivers coach at Weber State in 1987 and 1988.

Petrino literally grew up in the coaching profession. His father, Bob Petrino Sr., coached at Carroll College in Helena, Mont., for 26 seasons, earning 163 victories and 15 conference titles. As a child, Petrino Jr. would race after school to the practice field to observe his father during his legendary career.

Petrino officially started his coaching career as a graduate assistant for his father at Carroll College in 1983. After a graduate assistant stint as quarterbacks coach at Weber State in 1984, Petrino returned to be the offensive coordinator for his father in 1985-86.
Carroll had the top-ranked offense in the NAIA ranks in both of his seasons, thanks in large part to the play of Bobby Petrino's younger brother, Paul, who was a four-year starter at quarterback at Carroll College.

Before Bobby Petrino coached for his father, he played football for him at Carroll College. Petrino played quarterback and twice earned NAIA All-America honors. He led the Fighting Saints to three straight Frontier Conference championships and was named the league's most valuable player in 1981 and 1982. He also played four years of basketball at Carroll. Petrino earned a bachelor's degree in physical education with a minor in mathematics from Carroll in 1983.

Born March 10, 1961, Petrino and his wife, the former Becky Schaff, have four children: Kelsey, Nick, Bobby and Katie.

OFFENSIVE COORDINATOR/QUARTERBACKS

GARRICK McGEE

Former Oklahoma quarterback and Jacksonville Jaguars assistant Garrick McGee is in his third season at Arkansas and is entering his first season as offensive coordinator after being named to the position on Dec. 14, 2009.

Under McGee's guidance, the 2008 and 2009 Razorbacks set the top two marks in school history for points, passing yards, passing yards per game and passing touchdowns.

In 2009, UA quarterback Ryan Mallett led the SEC in passing and total offense in 2009 along with setting or matching a total of 16 different school records.

McGee spent the previous four seasons (2004-07) at Northwestern University where he was the receivers and punt return coach his first two seasons, and the quarterbacks coach and offensive coordinator in 2006 and 2007.

Directing the Wildcat's spread offense; McGee's 2007 unit led the Big Ten and was No. 11 in the nation in passing with 307.9 yards per game, and led the Big Ten and was No. 31 in the country in total offense with 427.7.

In 2005, his Northwestern receiving corps had three wideouts ranked in the top 10 on the Big Ten season receptions list for the first time in school history.

They became just the second team in Big Ten history to average more than 500 yards per game with 500.3 per contest, which ranked fourth nationally.

The Wildcats led the Big Ten with 306.8 yards passing per game, which also ranked seventh in the nation.

His first season at Northwestern (2004), Wildcat receivers averaged 237.3 yards per game, NU's best since 2001. He coached two All-Big Ten receivers in Mark Philmore and Shaun Herbert.

McGee was the receivers and kickoff return coach for head coach John Robinson at Nevada-Las Vegas in 2003.

In 2002, he was the receivers coach at Toledo, helping the Rockets earn a spot in the Motor City Bowl with a Mid-America Conference West Division title.

Toledo's receivers combined for 309 receptions for 3,611 yards and 25 touchdowns with Carl Ford becoming the first 1,000-yard receiver in school history with 79 catches for 1,042 yards and a school record-tying nine scores.

Toledo was fifth in the nation in total offense with 472 yards per game, setting school records for total offense (6,752 yards) and passing yards (3,611).

The Tulsa, Okla., native began his coaching career at Langston (Okla.) University where from 1996-98 he coached defensive backs before moving to quarterbacks, receivers and special teams. He also worked as the equipment manager and assisted with track and field.

He was the receivers and kickoff return coach at Northern Iowa in 1999, helping UNI set school records for total offense (5,253 yards) and passing yards (3,722).

In 2001 and 2002, he was an offensive assistant and quality control coach with the NFL's Jacksonville Jaguars. He worked as an assistant to the then quarterbacks coach Bobby Petrino, helping quarterbacks and receivers with fundamentals, and assisting in all phases of special teams.

Prior to the 2005 season, McGee was one of 10 coaches selected to participate in the NCAA Expert Coaching Academy. The program is designed to teach and reinforce various aspects of securing, managing and excelling in NCAA head coach positions at the I-A level. In the summer of 2010, he was one of 15 coaches to attend the NCAA Champions Forum in Anaheim, Calif. The goal of the Champions Forum is to link the coaches with athletics directors.

McGee prepped at Booker T. Washington High in Tulsa for his father, the late Larry McGee. He played at Arizona State in 1991 and 1992 under Petrino, went to Northeastern Oklahoma A&M in 1993 and transferred to Oklahoma.

He played two years for the Sooners and ended his career fourth on OU's career passing list with 2,449 yards. He was named the Big Eight Newcomer of the Year by the league's coaches in 1994.

McGee earned an associate's degree from Northeastern Oklahoma A&M in 1993 and his bachelor's from OU in 1996. He and his wife, Tiffany, were married in the summer of 2009. They are expecting their first son in the summer of 2010.

The defensive coordinator for the San Francisco 49ers in 2004, he was the secondary coach for the St. Louis Rams in 2006-07 where he coached former Razorback Darius Vinnett. He was the senior defensive assistant and secondary coach in New Orleans in 2005 after coaching the defensive backs for the Pittsburgh Steelers from 2000-03. He was also the secondary coach for the Seattle Seahawks from 1995-98.

With the Rams in 2006, he helped St. Louis improve its pass defense to third-best in the NFC and eighth-best overall in the NFL, allowing only 189.7 passing yards a game, which was the lowest for St. Louis since 1998 (176.9).

While with the Seahawks, he helped Shawn Springs and Daryl Williams earn Pro Bowl berths.

Robinson coached the secondary at the University of Miami in 1994 before going with head coach Dennis Erickson to Seattle. Robinson also coached with Erickson at Oregon State and in San Francisco.

Before going to Miami, Robinson spent 14 years at Fresno State, his alma mater, under head coach Jim Sweeney. The Bulldogs advanced to six bowl games during his tenure. At Fresno, he coached the secondary (1980-86), outside linebackers (1987-89) and later the secondary again along with handling special teams (1990). In 1988, he was promoted to co-defensive coordinator and then served as sole defensive coordinator in 1992-93 before going to Miami for the 1994 season. Miami played for a national championship against Nebraska in the 1995 Orange Bowl.

He began his coaching career as a graduate assistant at Fresno State in 1978 and earned his first full-time position the following season as outside linebackers coach at San Jose State.

The Fort Carson, Colo., native played two seasons (1975-76) at the College of the Sequoias (Calif.) before transferring to Fresno State, where he played defensive back in 1977-78 and earned first-team All-Pacific Coast Conference honors as a junior and second-team honors as a senior.

SPECIAL TEAMS/OUTSIDE LINEBACKERS

JOHN L. SMITH

John L. Smith was hired in January 2009 and is in his second season as special teams coordinator and outside linebackers coach. Smith has 37 years of collegiate coaching experience, including 18 years as a head coach. With his addition to the Razorback staff, Smith and Bobby Petrino have worked together on the same coaching staff at four different schools (Idaho, Utah State, Louisville and Arkansas).

Smith made an impact at Arkansas right away, as kickoff returner Dennis Johnson's average of 25.7 yards per return ranked 28th nationally.

As a head coach, Smith posted a 132-86 overall record and produced six conference champions (two Conference USA, two Big West and two Big Sky). Twelve of his 18 teams participated in postseason play. Smith is one of 19 coaches in collegiate football history to take three different schools to a bowl game.

From 2003-06, Smith was the head coach at Michigan State where he led the Spartans to a 22-26 overall record. He was named the Big 10 Coach of the Year in 2003 by posting the most wins by a first-year head coach in MSU school history with an 8-4 record. During his time in East Lansing, 41 of his student-athletes earned Academic All-Big Ten honors.

Prior to Michigan State, Smith spent five seasons at Louisville (1998-2002), where he led the Cardinals to then-unprecedented success. He posted a 41-21 record including five-straight bowl appearances and back-to-back Conference USA titles in 2000-01. The five bowl trips equaled the number of postseason appearances Louisville had made prior to his arrival and the five-consecutive winning seasons marked a first for the program.

Smith spent three seasons as head coach at Utah State prior to Louisville. He finished with a 16-18 record in three seasons after taking over a program that had produced only two winning seasons in the previous 15 years. Smith led the Aggies to consecutive Big West crowns in 1996-97. In 1997, Utah State earned a trip to the Humanitarian Bowl marking the second bowl appearance for the school since 1961.

Smith arrived at Utah State following six seasons at the Idaho where he became the winningest coach in school history. His six-year mark of 53-21 at Idaho included a 34-11 Big Sky Conference record and five postseason appearances.

Before becoming a head coach, Smith spent two years as the defensive coordinator and assistant head coach at Washington State (1987-88) where he served under Dennis Erickson. He was also Erickson's assistant head coach at Wyoming during the 1986 season. Smith began his first stint at Idaho in 1982 where he served as Erickson's defensive coordinator and assistant head coach for four years (1982-85).

Smith's coaching experience includes stops at Nevada (1977-81) and Montana (1972-76). During his tenure as defensive coordinator at Nevada, the Wolf Pack led the nation in total defense, scoring defense and rushing defense in 1980. He began his coaching career in 1971 as a graduate assistant at Weber State.

A linebacker and a quarterback at Weber State, Smith earned Big Sky Conference scholar-athlete honors in 1971-72. He received his undergraduate degree in physical education with a minor in math in 1971. Smith earned a master's of science degree in physical education from the University of Montana in 1974.

Smith lettered in three sports – football, basketball and track – while attending Bonneville High School in Idaho Falls, Idaho. He is married to the former Diana Flora. They are parents of three children, Nick, Kayse and Sam.

DEFENSIVE TACKLES
BOBBY ALLEN

Bobby Allen is in his 13th year on the staff at Arkansas and his third under head coach Bobby Petrino. A two-time co-defensive coordinator at Arkansas (1998 and 2000), he coached the cornerbacks in 2007, but coached the line in 2001 and the last two seasons.

In 2009, Allen has focused his attention on the defensive tackles, where he has tutored Malcolm Sheppard who was an All-SEC second-team selection by the league coaches and media.

Allen was a part of former head coach Houston Nutt's staff from 1998-2007. This is his 28th overall season as a collegiate coach. He coached the Razorback cornerbacks from 2003-07 along with the free safeties from 2003-04.

Under Allen's guidance, the Razorback secondary ranked among the best pass defense units in the nation in 2007. Arkansas led the SEC and was second in the nation in pass efficiency defense with a rating of 97.8. The Hogs ranked second in the SEC with 20 interceptions, including 11 by Allen's cornerback unit.

In addition, two UA cornerbacks, Michael Grant and Jerell Norton ranked in the top five of the conference's passes defended category. Grant led the SEC with 21 (1.62) passes broken up during the season while Norton ranked fourth with 15 (1.15). Norton led the team, tied for fourth in the SEC and tied for 40th in the nation with five interceptions (.38 per game) for 174 yards and a touchdown.

Grant led the cornerbacks and ranked fifth on the team with 75 tackles (61U, 14A). He also tacked on three interceptions for 15 yards. Grant's efforts earned him a spot on the All-SEC second team.

In 2006, honorable mention All-American cornerback Chris Houston spent the season containing some of the best wide receivers in the nation. The junior held USC's Dwayne Jarrett to his lowest receiving output in 34 games and stifled other standouts, including Tennessee's Robert Meachum, Auburn's Courtney Taylor and Vanderbilt's Earl Bennett. Houston notched 45 tackles and a team-leading three interceptions for 129 yards and a touchdown. He also broke up a team-leading 13 passes.

In 2005, cornerbacks Michael Coe, Houston, Grant and Matterral Richardson finished first through fourth, respectively, on the team with a combined 29 passes broken up. Coe and Grant also tied for second on the club with three interceptions each, and those four had a total of 117 tackles, helping the Razorbacks rank 34th in the nation in total defense by allowing 341 yards per game.

In 2004, free safety Vickiel Vaughn was first on the team in tackles with 66 while freshman cornerback Darius Vinnett ranked fifth with 54 stops.

In 2003, UA ranked fourth in the SEC and 21st in the nation by holding opponents to 187.0 passing yards per game. The Razorbacks also intercepted 17 passes, the third-most in the league.

Since joining Arkansas' coaching staff on Dec. 11, 1997, Allen has served as defensive coordinator (1998, 2000), coached the inside linebackers (1998-99), the middle and strong side linebackers (both in 2002), and the defensive line (2001, 2008, 2009) before handling the cornerbacks and free safeties in 2003 and 2004. Prior to the 2008 season, Allen worked with cornerbacks exclusively (2005-07).

Allen has held or shared UA's defensive coordinator duties on two separate occasions. He served as co-defensive coordinator with Keith Burns in 1998 and shared the duties with John Thompson during the 2000 season. When Burns left UA following the 1999 regular season, Allen was named the Razorbacks' defensive coordinator for Arkansas' meeting with Texas in the 2000 Cotton Bowl.

In 1998, Allen helped direct a Razorback defensive unit that ranked sixth nationally in rushing defense, 10th in turnover margin and 13th in scoring defense. In 2000, Allen helped guide a Razorback defense that allowed just 292.1 yards per game to lead the Southeastern Conference and rank 12th nationally in total defense.

Allen began his coaching career at Colorado where he served as a graduate assistant during the 1983 and 1984 seasons. After helping Minnesota to an Independence Bowl berth as a defensive secondary graduate assistant in 1985, Allen landed his first full-time position when he was named defensive coordinator at Drake where he served from 1986 to 1988.

Allen was a standout prep quarterback at Seneca Valley High School in Gaithersburg, Md., where he was named the Washington, D.C., area player of the year as a senior and also excelled in baseball and basketball. He went on to earn three varsity letters while playing three positions, kicker, quarterback and outside linebacker at Virginia Tech, where he earned a bachelor of science degree in marketing in 1983.

Born March 5, 1959, Allen is married to the former Marcela Garcia. The couple has one daughter, Daniela, and three sons, Christian, Brandon and Austin.

DEFENSIVE ENDS
STEVE CALDWELL

Steve Caldwell joined the Razorback program in January of 2010 as an assistant coach for defensive ends.

Caldwell recently spent 14 seasons at Tennessee where he helped the defensive ends maintain a standard of excellence. The Vols defense was ranked in the top four among league schools in total defense 10 times while he was at Tennessee, and UT's defensive unit led the SEC in fewest rushing yards allowed three times during the span. In 2008, the unit ranked first in the league and tied for third nationally in total defense allowing 263.5 yards per game. In 2005, Caldwell helped spark the Vols defense to the best rushing average allowed in the SEC (82.5), which ranked second nationally.

Caldwell also earned deserved credit for his work on the recruiting front, helping Tennessee sign what many observers called on an annual basis some of the nation's top recruiting classes.

Caldwell advanced several Vols into the NFL, joining such former stalwarts as Shaun Ellis, Demetri Veal and Parys Haralson.

Among Caldwell's most accomplished pupils was Will Overstreet, who not only finished his UT career with 19 sacks to tie for eighth on the all-time school list, but also mirrored the coach's emphasis on studies by being named to the 2001 Academic All-America second team. After retiring from professional football, Overstreet returned to campus and completed his undergraduate degree in May 2005.

A dean's list student himself at Arkansas State, Caldwell played four years of football for the Indians as a defensive end and linebacker.

His first taste of coaching came over three seasons at his alma mater, from 1978-80. From Jonesboro, Caldwell moved on to Northwest Mississippi Community College, where he coached the offensive line for four seasons and was part of a national championship team in 1982.

He then came back to Arkansas State, coaching linebackers under head coach Larry Lacewell during a notable period of success for the Indians. Arkansas State advanced to the NCAA quarterfinals three straight seasons from 1985-87, including a 1986 squad that finished 12-2-1 and lost in the national championship game. The Indians' only other blemishes that season were a loss to Mississippi State and a tie against Ole Miss.

Caldwell's 1985 linebacking unit helped Arkansas State lead Division I-AA in total defense with an average of only 258.8 yards per game.

Subsequent jobs took him to Tennessee, Pacific and Nevada, the latter school as co-defensive coordinator for the 1994 Big West Conference champions. Caldwell coached briefly at Mississippi before accepting Fulmer's offer to join the Vols.

Caldwell and his wife, Leisa Henley Caldwell, are the parents of three children, Lauren, Lendl and Landon. They have one son-in-law, Josh Rudd, and two granddaughters, Cayman and Reese Rudd.

WIDE RECEIVERS
KRIS CINKOVICH

Kris Cinkovich joined the Arkansas coaching staff in January 2010 as an assistant coach for wide receivers. Cinkovich spent the last six seasons at UNLV where he helped build the wide receivers into one of the strongest units in the nation.

While with the Rebels, Cinkovich coached three of the top four all-time reception leaders in UNLV history. Ryan Wolfe finished his career ranked first in the UNLV record books with 283 receptions. The total stands 12th all-time in NCAA history. Wolfe is a current member of the Atlanta Falcons. Casey Flair is the second leading receiver in school history with 202 receptions. He is a current member of the UFL Las Vegas team. Earvin Johnson finished fourth with 183 receptions.

Cinkovich also assisted with a passing attack that ranked in the top 50 nationally the past two seasons, accounting for 40 passing touchdowns. UNLV also led the nation in red zone production in 2008 (95 percent) and third-down efficiency in 2009 (46.39 percent).

During the 2006 season, Wolfe set several MWC and UNLV freshman records while both Wolfe and Casey Flair earned All-MWC honors. It was the first time since 1994 that a pair of Rebel receivers picked up all-league accolades. Flair broke the school record for career receptions in 2007, only to be passed by Wolfe.

Cinkovich came to UNLV from Las Vegas High School, where he oversaw the Wildcats for nine seasons, building one of the state's top programs en route to compiling a record of 79-24. In 1995, he took LVHS to the playoffs for the first time in 15 years and in 2001 brought the school its first state championship since 1959.

Cinkovich's squads won three regional titles and were ranked among the best on the west coast three times by USA TODAY.

He was inducted into the Southern Nevada Football Coaches Association Hall of Fame in 2004.

Cinkovich was an offensive lineman who played collegiately at Spokane Falls Community College in 1979 and 1980, and Carroll College in 1981 and 1982. While at Carroll, he was on an offensive line that blocked for Arkansas head coach Bobby Petrino, who played quarterback from 1979-82.

A 1984 graduate of Carroll College in Helena, Mont., Cinkovich earned his master's degree from Central Washington in 1987. He and his wife, Joanie, have two daughters, Carly and Stephanie.

RUNNING BACKS/ RECRUITING COORDINATOR
TIM HORTON

Former Razorback Tim Horton is in his fourth season on the Arkansas coaching staff and his third under head coach Bobby Petrino. Horton is Arkansas' running backs coach and recruiting coordinator after serving as the running backs coach in 2007.

After returning to his alma mater on July 18, 2007, he has coached All-America running backs Darren McFadden and Felix Jones. McFadden was the Heisman Trophy runner-up and won the Doak Walker Award as the nation's top running back. McFadden finished the 2007 season with a school-record 1,830 yards and 16 touchdowns. Overall, Horton has coached a third of the nine Razorbacks in school history to rush for more than 1,000 yards in a season as Michael Smith recorded 1,072 in 2008.

In 2009, running back Broderick Green ranked sixth in the SEC with 12 touchdowns. Ten of Green's 11 rushing touchdowns came in the final nine games of the season. He also rushed for two touchdowns in three games in 2009.

Before returning to Arkansas, where Horton played from 1986-89, he was at Air Force for spring 2007, at Kansas State for the 2006 season and at Air Force for the seven previous years.

He came to Arkansas after taking the offensive coordinator and wide receivers coaching position at Air Force in January 2007. During the 2006 season, he was the running backs coach at Kansas State, helping the Wildcats earn a Texas Bowl appearance. At KSU, Horton coached two future NFL running backs in Thomas Clayton and James Johnson.

Prior to his one season at KSU, he spent seven seasons at Air Force (1999-2005). He was the receivers coach for six years (1999-2004) and the running backs coach for one.

Horton was recognized by the Colorado Chapter of the Fellowship of Christian Athletes as one of its coaches of the year in 2004.

He began his coaching career at Appalachian State in 1990 and helped guide the Mountaineers to a 67-32 record during his eight years, including Southern Conference championships in 1991 and 1995, and five appearances in the NCAA Division I-AA playoffs. The 1995 Mountaineers are the only Division I team to ever go undefeated in North Carolina college football history.

From 1990-92, Horton coached Appalachian State's receivers and tight ends before taking over as the Mountaineers' running backs coach in 1993. He also served as the program's recruiting coordinator.

A graduate of the University of Arkansas, Horton earned his bachelor's degree in marketing management in 1990. While at Arkansas, he was a four-year letterman and three-year starter as a split end and punt returner for the Razorbacks under head coach Ken Hatfield. He caught 49 passes for 942 yards and one touchdown in his career, including hauling in 23 catches for 453 yards as a senior in 1989. Horton also returned 78 punts for 657 yards in his collegiate career, which is fifth all-time in school history.

Horton's four years at Arkansas proved to be among the most successful in school history as the Razorbacks compiled a 38-11 record, won back-to-back Southwest Conference titles in 1988 and 1989 and appeared in four straight bowl games. In fact, Horton's graduating class remains tied for the school record for the most wins in a four-year period.

A two-time academic all-conference selection, Horton was a second-team all-conference selection in 1989 and served as the Razorbacks' team captain that season. In high school, Horton was a two-time all-state running back at Conway (Ark.) High School, and a track standout.

Horton and his wife Lauren have one daughter, Caroline, and one son, Jackson. Horton is the son of former Arkansas player, Razorback assistant coach, UCA head coach and current Razorback Foundation Executive Director Harold Horton.

Johnson was a four-year letterman at the University of Louisville from 1987-1990. His senior year he helped the Cardinals finish 10-1-1 with a 34-7 victory over Alabama in the 1991 Fiesta Bowl. He ended his career with 252 tackles.

OFFENSIVE LINE

CHRIS KLENAKIS

Chris Klenakis was named to the Razorback football staff as an assistant coach for the offensive line in January 2010. Klenakis has 19 years of Division I experience and comes to Arkansas from Nevada where he was at the helm of the "Pistol" offense that had prolific production and a powerful running game led by the offensive line for the last six seasons

In 2008, the Wolf Pack offense steamrolled over opposing defenses to the tune of a number of school records including total offense, most rushing yards and rushing touchdowns. In 2009, Klenakis and the offense eclipsed all those marks. The Wolf Pack had the No. 1 ranked rushing offense in the nation, averaging 344.9 yards per game. In 2009 he became the first offensive coordinator in NCAA FBS history to have a team lead the nation in rushing offense (2009) and passing offense (1997). Nevada also became the first team in NCAA history to have three players rush for more than 1,000 yards in a single season. In addition, the Wolf Pack ranked second nationally in total offense (505.6) and sixth in scoring (38.2).

In 2007, Nevada's offensive line paved the way for the top rushing attack in the WAC, and the 12th-best rushing offense in the nation at 214.1 yards per game. The group was paced by Luke Lippincott who led the WAC in rushing at 109.2 yards per game.

As offensive coordinator and offensive line coach, Klenakis has tutored 12 All-WAC selections. The group includes wide receiver Brandon Wimberly who was the 2009 WAC Freshman of the Year and a second-team honoree. Offensive lineman Alonzo Durham and running back Vai Taua were selected to the first team in 2009, while offensive lineman Kenneth Ackerman, tight end Virgil Green and quarterback Colin Kaepernck were also second-team choices.

In 2008, Dominic Green was a first-team All-WAC honoree and Durham and Mike Gallett were second-team selections.

Center Jimmy Wadhams was also named the team's offensive MVP in 2006, while the Wolf Pack offensive line helped the team to rank 24th in the nation in rushing offense that year.

Klenakis saw Tony Moll (first team) and Barrett Reznick (second team) earn All-WAC honors in 2005, and Nevada's WAC co-championship team led the nation in time of possession and ranked eighth in the NCAA in third-down conversions that season.

In his first year back at Nevada in 2004, Klenakis coached All-WAC performer and fellow Fallon native Harvey Dahl.

Fourteen offensive linemen coached by Klenakis have gone on to the NFL.

Prior to his most recent stint at Nevada as offensive coordinator, Klenakis held the responsibility for three years at Southern Mississippi (2000-02) and one at Central Missouri (2003).

Klenakis helped Central Missouri finish the 2003 campaign with a record of 9-2 and a share of the Mid-America Intercollegiate Athletics Association title for the first time since 1988 with a 7-2 league mark. Central ranked second among all NCAA Division II schools in scoring offense (41.5 ppg) and was 25th in rushing offense.

While at Southern Mississippi, he helped the Golden Eagles set eight offensive school records and advance to a pair of bowl games, the GMAC Mobile Bowl in 2000 and the Houston Bowl in 2002.

From 1990-99, Klenakis was an assistant coach at Nevada, serving as offensive coordinator from 1997-99. Under his guidance, Nevada set 24 NCAA records and annually ranked among the national leaders in total offense, passing offense and scoring offense. Klenakis helped lead the Wolf Pack to Big Sky Conference titles in 1990 and 1991 and an NCAA I-AA national runner-up finish in 1990. He then helped lead the Wolf Pack to five Big West Championships, and to three Las Vegas Bowl appearances.

Klenakis was a two-time Nevada High School Coach of the Year while leading Churchill County High to a three year record of 21-9.

He earned his bachelor's degree in physical education and history from Carroll College in 1986, where he was a four-year letterwinner as an outside linebacker. In 1992, he completed his master's of exercise physiology at Nevada. He and his wife, Andrea, have a son, Nikos, and a daughter, Lucy.

OUTLOOK: A top candidate for postseason awards who possesses one of the strongest arms in college football. Since announcing his intentions to return to college football for his junior season, he has been named a first-team preseason All-America and All-SEC honoree by numerous outlets. Mallett is the only quarterback from a BCS conference returning this season that finished in the top 10 in pass efficiency in 2009 (152.5, seventh nationally and third-highest in SEC history). In 2009, he set or tied 16 different Arkansas school records. He sustained a broken bone in his left foot during conditioning drills on Feb. 17, which he turned into a positive by focusing on the mental part of the game during spring 2010 drills. The 32 career touchdowns he has been responsible for and his 30 career touchdown passes rank as the highest totals by active SEC players entering 2010.

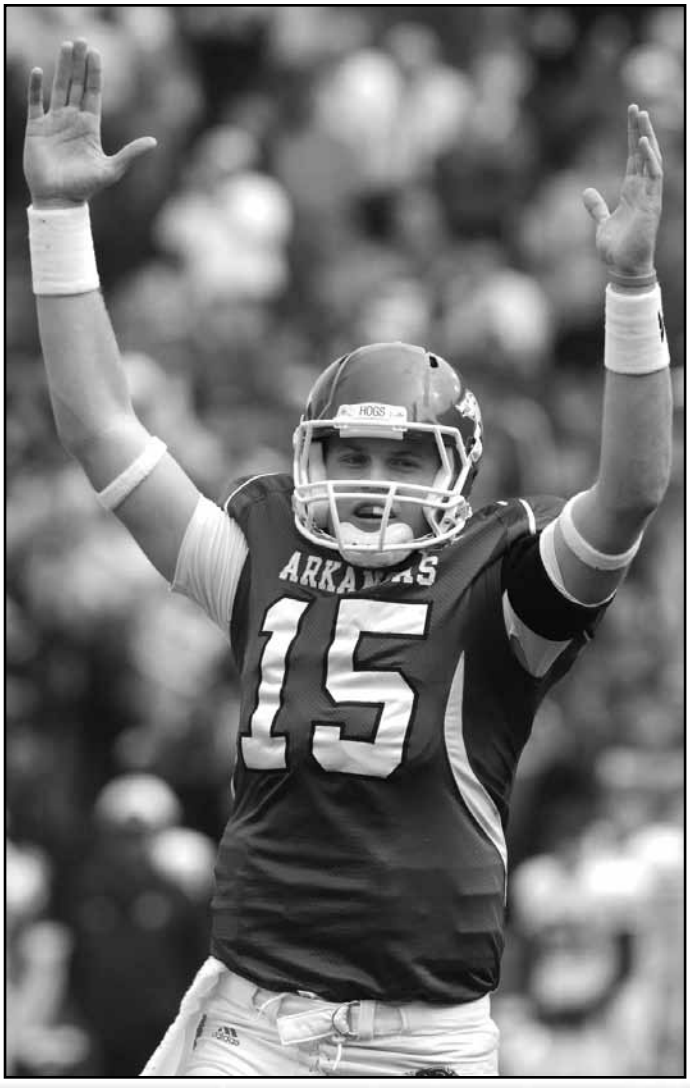

2009: Mallett started all 13 games and completed 225-of-403 passes for 3,624 yards and 30 touchdowns with only seven interceptions. He was honored as one of 10 finalists for the Manning Award and was named the College Football Performance Awards National Performer of the Year. He was a first-team All-SEC selection by ESPN.com and was a second-team honoree by the AP and the league coaches. He was named the 2010 AutoZone Liberty Bowl MVP and was the only quarterback in the SEC to earn the league offensive player of the week honors outright two times. In his first season in the SEC, he led the league in touchdown passes (30), passing yards per game (278.8) and total offense (276.5). He was also second in the league and seventh nationally in pass efficiency (152.5). He was the only player in the SEC to throw five-or-more touchdown passes in three different games. He also led the league in 400-yard passing performances with two and 300-yard passing performances with five.

He led the nation in pass efficiency in home games (191.87). He also led the nation in completions of 25-or-more yards with 44. In addition, he led the SEC in passes of 50-or-more yards (10) and passes of 15-or-more yards (89). He finished high in several SEC single-season categories: 152.5 pass efficiency rating (third), 3,595 total yards gained (seventh); touchdown responsibility (32, T10); 3,624 passing yards gained (eighth); 30 touchdown passes (T12). His completion percentage of 85.2 against South Carolina tied for the fifth-highest single-game effort in SEC history (23-of-27).

He set or tied 16 Razorback school records in 2009, including touchdown passes in a game (5) and in a season (30), pass completions in a season (225), pass attempts in a season (403), passing yards in a game (408) and in a season (3,624), total offense in a game (412) and in a season (3,595), touchdown responsibility in a season (32; 2 rushing, 30 passing), consecutive pass attempts without an interception (141), completion percentage in a game (13-19 att./.875; 20+ att./.852), 300-yard passing games in a season and in a career (5), and 400-yard passing games in a season and in a career (2). Mallett opened his Razorback career by completing 17-of 22 passes for 309 yards and one touchdown in the victory against Missouri State and helped the Razorbacks throw for a school record 447 passing yards. The next week against Georgia, he set career highs for passing attempts (39), passing yards (408) and passing touchdowns (5). His 412 yards of total offense against the Bulldogs ranked as the highest total by any SEC player in a regular season game in 2009. He led the Razorbacks to a 47-19 victory over Texas A&M in Arlington by going 17-of-27 for 271 yards and four touchdowns. Against No. 17 Auburn, he completed 24-of-37 passes for 274 yards and two touchdowns and ran for his first touchdown as a Razorback to help UA to a 44-23 victory. In the Eastern Michigan game, he was nearly perfect completing 14-of-16 passes for 248 yards and three touchdowns. His accuracy continued the next week as he went 23-of-27 for 329 yards in a 33-16 win against South Carolina. His passing yard total against the Gamecocks ranks ninth on the school's all-time chart. SEC CHAMPIONSHIP

2010 Southeastern Conference Championship Game

The SEC's Western and Eastern Division winners meet in Atlanta's Georgia Dome to battle for the league championship and the right to represent the conference in the Bowl Championship Series.

The 19th annual title game is set for Dec. 4 and will be nationally televised by CBS Sports.

The game is a result of conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history in 1992. Under NCAA regulations, a conference with 12 members may play a 12th football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

ARKANSAS IN THE SEC CHAMPIONSHIP GAME

2006: Florida 38, Arkansas 28 — Florida scored a touchdown with nine minutes left in the game and held on for the 38-28 victory over Arkansas.

Down 17-7 at the half, Arkansas took a 21-17 third-quarter lead on a two-yard reception by Felix Jones and a 40-yard interception return by Antwain Robinson. Arkansas (10-4) could have had a chance to build on the lead, but the Gators recovered a fumbled punt in the end zone to move back in front 24-21 with 3:47 left in the third period. Percy Harvin, who scored on a 37-yard pass from Chris Leak in the second quarter, scored on a 67-yard run early in the fourth to put Florida up 31-21.

Jones scored his second touchdown on a 29-yard pass from Cedric Washington to cut the margin to three.

Darren McFadden finished with 73 yards on 15 carries and Jones 57 on 13. Casey Dick was 10-of-22 passing for 148 yards with a touchdown and two interceptions.

Harvin had 105 yards on six carries for Florida, which went on to win the national title at 13-1, while Leak was 16-of-30 for 189 yards with a touchdown and two interceptions.

2002: Georgia 30, Arkansas 3 — Georgia scored on its first five possessions for a 23-0 halftime lead and posted a 30-3 victory. Georgia claimed the SEC title just 75 miles from its Athens campus.

Musa Smith rushed for 106 yards and two touchdowns. David Greene threw for 237 yards and a score, earning the game's MVP award. Terrence Edwards had seven catches for 92 yards, becoming the SEC's career leader in receiving yards.

Arkansas (9-4) had won six in a row to earn its second trip to the league championship game.

The Razorbacks had a punt blocked by Decory Bryant on their first possession and Thomas Davis scooped up the loose ball and ran to the Arkansas 2.

On Georgia's next possession, Smith, who scored after the blocked punt, finished off the drive with a 17-yard scoring run. Georgia's next three possessions ended with field goals by Billy Bennett, who connected from 29, 42 and 39 yards to provide the halftime margin.

Arkansas led the SEC in rushing offense with an average of 243 yards per game but managed just 65 against Georgia. Fred Talley, a 1,000-yard rusher, was held to 51 yards on 17 carries while Matt Jones managed only 12 yards on nine carries. Jones completed 9-of-17 passes for 60 yards.

1995: Florida 34, Arkansas 3 — A prime-time (ABC) television audience and a sell-out crowd (71,325) in the Georgia Dome saw Florida post a 34-3 victory.

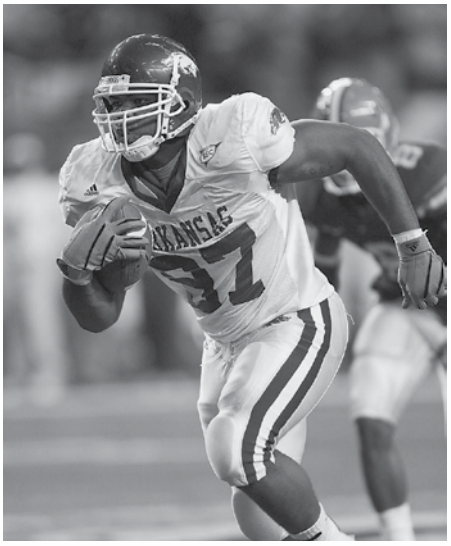

Florida out-gained Arkansas by only 97 yards, 396-299, but the Gators committed no turnovers while Arkansas lost the ball four times.

Arkansas got on the scoreboard first when Todd Latourette kicked a 36-yard field goal with 7:26 left in the first quarter. The Razorbacks were dealt some bad news on that drive, however. Sophomore running back Madre Hill, who finished third in the conference in rushing, was lost for the game with a knee injury.

ARKANSAS' 5-1-2 SEC SCHEDULE

The 2002 season was the first for the 5-1-2 schedule format, which allows each school to play all five of its division opponents along with one permanent and two rotating non-division opponents each year. It ensures each school will play every conference member four times during a 10-year period and that each will make two visits to every league stadium during that stretch.

Division: Alabama, Auburn, LSU, Ole Miss, Mississippi State
Permanent Non-Division: South Carolina

Rotating Non-Division (2):
2005 & 2010: at Georgia, Vanderbilt
2006 & 2011: at Vanderbilt, Tennessee
2007 & 2012: at Tennessee, Kentucky

Without question, the proudest moment in the history of Arkansas Razorback football is the 1964 national championship. Head coach Frank Broyles led his '64 team to an undefeated 10-0 regular season record and a 10-7 Cotton Bowl victory over Nebraska.

The 1964 national championship was historic not so much for who won but for when the title was awarded.

In 1964, seven different entities named a mythical national champion. The two most notable polls to fans at the time — The Associated Press and the United Press International — did not wait until after the bowl games to award their champion. Because of that, Alabama was named the national champ by the AP, UPI and Litkenhous groups. However, the Crimson Tide went on to lose, 21-17, to Texas in the Orange Bowl and finish 10-1 on the year.

Arkansas remained the only undefeated team in the country at 11-0 with its victory over Nebraska. Two groups who waited until after the bowl games to name their champion — The Football Writers Association of America and the Helms Athletic Foundation — named Frank Broyles' Razorbacks as national champs. Notre Dame and Michigan also were honored by lesser known polls. Both the AP (1965) and UPI (1974) eventually changed their procedure, choosing to wait until after the bowls to announce their final polls.

NATIONAL INDIVIDUAL AWARD WINNERS

LOYD PHILLIPS

OUTLAND TROPHY
(OUTSTANDING LINEMAN IN COLLEGE FOOTBALL)

Named for John Outland, an All-American tackle at the University of Pennsylvania in 1897, this trophy is presented by the Football Writers' Association of America to the nation's outstanding collegiate interior lineman.

Arkansas boasts two Outland Trophy winners in its history. An offensive guard and defensive tackle, Bud Brooks was the first UA honoree in 1954. Tackle Loyd Phillips became the Hogs' second winner when he won the award in 1966. The honor is one of the most prestigious awards ever earned by an individual UA player.

1966: Loyd Phillips, defensive tackle
1954: Bill "Bud" Brooks, defensive tackle / offensive guard

DARREN MCFADDEN

DOAK WALKER AWARD
(OUTSTANDING RUNNING BACK IN COLLEGE FOOTBALL)

The Doak Walker Award was created in 1989 to recognize the nation's premier running back for his accomplishments on the field, achievement in the classroom and citizenship in the community. It is the only major collegiate football award that requires all candidates to be in good academic standing and on schedule to graduate within one year of other students of the same classification.

The award is named for the former SMU great, who earned All-America honors in 1947, '48 and '49, and won the Heisman Trophy in 1948. Ten semifinalist are selected by the SMU Athletic Forum Board of Directors and the winner then chosen by the Doak Walker Award National Selection Committee.

Darren McFadden won the award as a sophomore in 2006 and as a junior in 2007 when he was also named the Walter Camp National Player of the Year. He was also the Heisman Trophy runner-up each season. He set a school rushing record with 1,647 yards and 14 touchdowns as a sophomore, and topped those totals with 1,830 yards and 16 TDs as a junior. He led the SEC in rushing and all-purpose running both years.

JONATHAN LUIGS

RIMINGTON TROPHY
(MOST OUTSTANDING COLLEGIATE CENTER IN NCAA I-A)

The winner is selected by determining the consensus All-American center from four existing All-America teams — the American Football Coaches Association, Walter Camp Foundation, *The Sporting News* and Football Writers Association of America.

The award is named after Dave Rimington, a two-time consensus All-American at Nebraska in 1981 and 1982. Rimington also won the Outland Trophy those two seasons. The trophy is sponsored by the Boomer Esiason Foundation to support treatment and research of cystic fibrosis.

Jonathan Luigs won the award in 2007 after helping clear the way for Darren McFadden, the Heisman Trophy runner-up and Doak Walker Award winner, to rush for 1,830 yards and 16 touchdowns; and for All-American Felix Jones, who ran for 1,162 yards and 11 scores.

Luigs earned first-team All-America honors from the FWAA, *The Sporting News*, Walter Camp, Rivals, College Football News and Phil Steele. Arkansas set school records with 3,725 rushing yards on the season and ranked fourth in the nation, with 5,850 yards of total offense, and in scoring with 485 total points and 37.3 points per game.

Billy Ray Smith Sr. (left) earned first-team All-Southwest Conference honors in 1956 while Billy Ray Smith Jr. (right) made the first team in 1981 and '82.

The ultimate honor is to have your jersey number retired, and in the 116 years that the Razorbacks have been on the football field, only two players have had the honor bestowed upon them. Clyde Scott (No. 12) and Brandon Burlsworth (No. 77) have worn numbers no future Razorback will ever wear.

No. 12

CLYDE "SMACKOVER" SCOTT – #12 (1946-49)

Following a glamorous career in the 1940s, the athletic department decided to retire No. 12. Nicknamed "Smackover" for his hometown, Scott made a name for himself in 1948, winning the silver medal in the hurdles at the Olympic Games in August and then reporting to football practice where he would earn All-America honors during his senior year.

Scott rushed for 1,463 yards during his career for a school record at the time. In 1948 he had an impressive 7.0 yards per carry average, gaining 670 yards on 95 attempts. Scott was the first-ever Razorback athlete to win an Olympic medal as most of Arkansas' track success came in 1978 with the arrival of John McDonnell.

When Arkansas was recruiting Steve Little, Coach Frank Broyles asked Scott if Little could wear his retired No. 12. Scott graciously agreed and Little went on to an All-American career.

No. 77

BRANDON BURLSWORTH – #77 (1994-98)

The athletic department did not see fit to retire another football jersey until after the 1998 campaign. When the No. 77, worn by Razorback All-American offensive guard Brandon Burlsworth,was retired.

One of the most inspiring stories in Razorback history, Burlsworth joined the Razorbacks in 1994 as a walk-on. Following a redshirt year, he earned a scholarship with his work ethic in the weight room. After serving as a backup guard for the 1995 SEC Western Division champion Razorbacks, he earned a starting position in the spring of '96 and never yielded it. He went on to start 34 consecutive games, concluding with the Florida Citrus Bowl on Jan. 1, 1999.

Burlsworth was an All-SEC offensive guard in 1997 and in '98 he not only earned all-conference honors, but was named a first-team All-American by *The Football News*. He was the leader of an offensive line that helped the Razorback offense score more points than it had since 1970 and produce more yards than it had since the 1989 season.

In the classroom, Burlsworth was equally astounding. He earned his bachelor's degree in marketing management in 1997 and immediately went to work on his master's in business administration. In December 1998, Burlsworth completed his master's requirements to become the first Razorback football player to complete a master's degree before playing in his final game.

Burlsworth was drafted in the third round by the Indianapolis Colts, but unfortunately would die tragically in an automobile accident less than two weeks later. The entire state of Arkansas was stunned and head coach Houston Nutt recommended that Burlsworth's jersey be retired. Athletic director Frank Broyles quickly agreed.

Burlsworth's locker remains intact as a tribute to his memory in the UA football dressing room.

FOOTBALL

Joe Ferguson was named to Arkansas' All-Century Team in 1994 after passing for 4,431 yards in three seasons from 1970-72.

HUGO BEZDEK
5 SEASONS — 1908-12, 29-13-1

The first full-time, paid coach in Arkansas football history, Hugo Bezdek guided the Cardinals to a 5-4 campaign in his first season. In 1909 he led UA to what is widely regarded as the program's breakthrough season — a 7-0-0 campaign during which Arkansas outscored its foes 186-18. Upon the team's return from a win over LSU in Memphis, Tenn., that season, Bezdek told students his team had played "like a wild band of razorback hogs." The students liked the nickname and officially adopted it prior to the 1910 season.

E.T. PICKERING
2 SEASONS — 1913-14, 11-7-0

After beginning his tenure 5-0 en route to a 7-2-0 debut season, E.T. Pickering's second and final season at the helm of the UA program is best known for a contest against Ole Miss that is still disputed nearly a century later. Arkansas claims a 1-0 forfeit victory due to the Rebels' use of an ineligible player; Ole Miss denies the allegation and claims a 13-7 win on the field. The dispute led to the suspension of the series until 1924.

2 SEASONS — 1915-16, 8-6-1

The beginning of T.T. McConnell's tenure as head coach at Arkansas coincided with the inaugural season of Southwest Conference football. After a 4-2-1 debut in 1915 and four-consecutive wins to open the 1916 season, McConnell's tenure culminated with consecutive losses to LSU, Texas, Oklahoma and Mississippi A&M.

NORMAN PAINE
2 SEASONS — 1917-18, 8-3-1

Only a loss at Texas in the season finale prevented Norman Paine from an undefeated record in his first season, which began with five-consecutive wins. His 1917 win over LSU was Arkansas' only victory against the Fighting Tigers in six games from 1915 to 1921. After playing the Sooners to a scoreless tie in 1917, Paine's 1918 team suffered the worst defeat in school history — a 103-0 loss at Oklahoma.

J.B. CRAIG
1 SEASON — 1919, 3-4-0

Although J.B. Craig's only season included a lopsided 63-7 loss to Henry Kendall, it concluded with a 7-6 win over Oklahoma in the Razorbacks' most recent home meeting with the Sooners. The win avenged the 103-0 loss at Norman, Okla., the year before.

G.W. MCLAREN
2 SEASONS — 1920-21, 8-5-3

G.W. McLaren's Razorback teams yielded just 19 points in the six Southwest Conference games during his two-year tenure. His inaugural Arkansas team in 1920 shutout SWC foes SMU, Phillips and Rice en route to a 2-0-1 league mark. Because the SWC did not count ties toward winning percentage until 1925, the 1920 team is credited with a 1.000 league winning percentage but was not credited with a share of the league title won by Texas with a 5-0-0 conference mark.

FRED THOMSEN
13 SEASONS — 1929-41, 56-61-10

Still the second-longest-tenured head coach in Arkansas football history, Fred Thomsen was an offensive innovator who made the passing game an integral part of the UA attack. He led the Hogs to what would have been their first Southwest Conference title in 1933 only to vacate the championship for using an ineligible player. All-SWC performances by Jack Robbins and Jim Benton helped the Hogs to the SWC crown in 1936 and a tie for 18th in the final Associated Press poll in its first year of existence.

GEORGE COLE
1 SEASON — 1942, 3-7-0

The first of just two Arkansas graduates to serve as head football coach at his alma mater, George Cole went on to serve as athletic director at the school from 1970 to 1973. An All-Southwest Conference quarterback and a shortstop on the UA baseball team during his collegiate career, Cole began his administrative career as a line coach for the Razorbacks in 1936 and served as assistant athletic director under John Barnhill. Arkansas' baseball facility, Baum Stadium at George Cole Field, bears his name.

GLEN ROSE
2 SEASONS — 1944-45, 8-12-1

FOOTBALL

JOHN BARNHILL
4 SEASONS — 1946-49, 22-17-3

Widely credited with uniting the state of Arkansas behind the Razorback program, John Barnhill led UA to a share of the Southwest Conference title and its first Cotton Bowl berth in the first of his four seasons before retiring from coaching to focus on his duties as athletic director. His coaching tenure included the debut of War Memorial Stadium in Little Rock, Ark., the Hogs' second and third bowl appearances and the recruitment of 1948 All-American and Olympic silver medal winner Clyde Scott.

OTIS DOUGLAS
3 SEASONS — 1950-52, 9-21-0

Despite personnel that included future NFL stars Fred Williams, Dave "Hawg" Hanner, Pat Summerall, Lamar McHan, Floyd Sagely and Lewis Carpenter, the Razorbacks managed just nine wins during Douglas' three-year tenure. The highlight of his stay was a 16-14 win over Texas in 1951 — the Razorbacks' first win over the Longhorns in Fayetteville.

BOWDEN WYATT
2 SEASONS — 1953-54, 11-10-0

After an inauspicious 3-7-0 mark in his initial campaign, Bowden Wyatt led the "25 Little Pigs" to Arkansas' second Southwest Conference title in 1954. That season also saw the Hogs earn their first win at Texas in 17 years, followed the next week by a 6-0 upset of Ole Miss on a 66-yard touchdown pass from Bob Benson to Preston Carpenter known to Razorback fans as the "Powder River Play." Wyatt left after the 1954 season to coach Tennessee, his alma mater.

FRANK BROYLES
19 SEASONS — 1958-76, 144-58-5

Frank Broyles' arrival at Arkansas prior to the 1958 season marked the beginning of a relationship between Broyles and the institution he served as athletic director from 1973-2007. With 144 wins in 19 seasons, Broyles ranks as the winningest and longest-tenured head football coach in UA history. His 1964 team went 11-0-0 to earn the school's only national championship and No. 1 final ranking by the Football Writers Association of America. He led the Razorbacks to 10 bowl appearances, including nine New Year's Day Bowls.

RAZORBACKS IN OVERTIME

Arkansas has established itself as an authority on overtime games.

In 2001, the Razorbacks won the longest game ever played, the 58-56, seven-overtime thriller at Ole Miss. In 2003, UA matched that effort with another seven-overtime thriller, the 71-63 win at Kentucky. Earlier in the season, Arkansas claimed a double-overtime victory at Alabama. In 2007, the Razorbacks won a 50-48, triple-overtime thriller at No. 1 LSU. At the 2010 Liberty Bowl, Arkansas topped East Carolina, 2017, in one overtime period.

Arkansas had played extra-period games before those mentioned, but the Ole Miss and Kentucky games, and the six-overtime loss at Tennessee in 2002, rank at the top of the charts for the most overtimes played in NCAA history.

Key Points Regarding Overtime Games

- The team winning the coin toss has the option of taking the ball first or playing defense first. The team losing the coin toss selects the end of the field for both possessions.
- The team losing the coin toss has the option of going on offense or defense first for the second overtime while the other team chooses the end of the field.
- Each team gets the ball at the opponent 25-yard line.
- Beginning with the third overtime period, teams must attempt a two-point conversion following a touchdown.

The policies that follow have been prepared in consideration of your needs, as well as the needs of our student-athletes and coaches, in hopes of creating a positive working environment for us all. As always, we welcome your suggestions and will try to accommodate any special requests you may have.

STUDENT-ATHLETE INTERVIEWS

Interviews with our student-athletes are encouraged, but we require all interview arrangements be made via the media relations department. Student-athletes are instructed to decline any interviews not pre-arranged by the media relations department. UA football student-athletes are generally available for in-person interviews Monday through Wednesday prior to afternoon meetings (usually from 12:30 p.m. to 1:30 p.m.) and again after each day's practice (through Wednesday of game weeks). All student-athlete and assistant coach interview requests must be made at least a day in advance to allow time to facilitate the notification process. No interviews will be scheduled for the period between afternoon meetings and that day's practice. No interviews will be conducted on Thursday, Friday or Saturday (except post-game). Telephone interviews can be arranged, but student-athletes' telephone numbers will not be provided and student-athletes are instructed to politely decline interviews when contacted by telephone.

Student housing, the training room, the weight room and locker rooms are off-limits to members of the media. Exceptions to this policy may be made in the event of a pre-arranged story that may involve a request to shoot video in a restricted area.

DAILY PRACTICE

Following each practice session, head coach Bobby Petrino or a member of the UA coaching staff will conduct a group interview with members of the media. Video and still photographers from accredited media outlets wishing to shoot practices are asked to consult with the media relations department for current guidelines prior to arrival at the practice field.

Following each practice session Monday through Thursday, the media relations department will produce a brief, Associated Press-style practice story. The story may be retrieved from the Razorbacks' official Web site, ArkansasRazorbacks.com.

WEEKLY PRESS CONFERENCE OPPORTUNITIES

Please consult the UA media relations department for the schedule of weekly press opportunities for Coach Petrino and student-athletes.

SEC WEEKLY COACHES' TELECONFERENCE

In conjunction with the Southeastern Conference, head coach Bobby Petrino will participate each week in the league's teleconference of football coaches. The teleconferences will be conducted each Wednesday from Sept. 1 to Nov. 24 from 10 a.m. CT to Noon CT. Petrino's scheduled time slot is from 11 a.m. CT to 11:10 a.m. CT. Accredited media members only may access the broadcast-quality teleconference. Callers may participate in the question-and-answer session with an individual coach or all SEC coaches. For more information and the teleconference number, contact the UA Media Relations Office or the SEC Media Relations Office at (205) 458-3000.

ARKANSAS UPLINK/FTP

The Arkansas Media Relations office will offer its own uplink of interviews once a week during the 2010 season via an FTP site. Please contact the media relations department at (479) 575-2751 for dates, times and instructions.

ARKANSASRAZORBACKS.COM

The latest information on all Razorback sports, including football, is just a click away on the world wide web at ArkansasRazorbacks.com — the official Web site of UA athletics. Game notes, quotes from press conferences and daily practice stories are just a few of the items included on-line. The site also offers biographical information on UA coaches and student-athletes, statistics, game stories and schedules.

GAME CREDENTIAL REQUESTS

All requests for media and/or photo credentials must be made online at www.SportsSystems.com/Arkansas. Requests should be made at least two weeks in advance.

Credentials must be requested and will be granted on a game-by-game basis only. No multi-game or full season credentials will be issued. Please see media credentialing guidelines online at www.SportsSystems.com/Arkansas.

Media and photo credentials to games in Fayetteville and/or Little Rock will be issued according to the following priority:

1. Daily newspapers for production the next day
2. Sports editors only of other Arkansas daily newspapers
3. Originating broadcast of visiting team
4. Accredited photographers (same priority as writers)
5. School publications (home and visiting campus publications [newspaper, yearbook, radio station, alumni magazine etc.] are limited to a total of two media and two photo passes
6. Accredited television sports directors and photographers
7. Approved special coverage

Space limitations prevent accommodation of weekly media representatives.

Only fully accredited personnel directly involved in the coverage of the game will be admitted at Gate C (Media Will Call). Credentials are non-transferable. The University of Arkansas Media Relations reserves the right to revoke any credential: (1) used by an individual other than the one for whom it was granted; (2) any individual who refuses to comply with press box and/or photographic area guidelines; (3) any individual who is not an accredited member of the media; (4) any individual under the age of 16.

Credentials will not be mailed. They may be picked up beginning three hours prior to kickoff at the media will call station at the base of the elevator at both Donald W. Reynolds Razorback Stadium in Fayetteville and War Memorial Stadium in Little Rock. Be prepared to present photo identification when picking up credentials.

GAMEDAY PARKING

Limited parking is available in Fayetteville and Little Rock for media members. Those media members needing parking should make the request at least two weeks in advance to allow time for mailing.

TELEPHONES

UA provides ample telephones on a first-come, first-served basis for media members in the press boxes at both Fayetteville and Little Rock. A credit card is required for making calls from these phones.

WIRELESS INTERNET

The Arkansas press box has wireless access. Interested members of the media are asked to check with UA media relations staff members for username and password.

RAZORBACK SPORTS PROPERTIES

The University of Arkansas Athletic Department and ISP are in their third year of a powerful partnership that created Razorback Sports Properties. As the multi-media rights-holder, Razorback Sports Properties is responsible for corporate marketing and advertising for all 19 sports.

Over the past year, Razorback Sports Properties has been instrumental in bringing in new inventory and new publications to the Razorback Athletic Department.

In October 2009, *Inside Razorback Athletics* – The Official Newspaper of Razorback Athletics was launched. This monthly publication is a tool for the University to highlight all 19 sports and its more than 460 student-athletes. *Inside Razorback Athletics* also gives fans an inside look to the inner-workings of the Athletic Department and a behind the scenes look into the lives of our student-athletes.

Last year was also the inaugural season for *Bobby Petrino Live* and *John Pelphrey Live*. The shows were hosted by Chuck Barrett and broadcast live on the statewide radio network. Coach Petrino and Coach Pelphrey and players were on hand each week to discuss in detail the strategies, game plans and scouting reports of past and future games.

Improvements were also made to *Inside Razorback Football with Bobby Petrino*. The format of the show was changed to give fans a deeper look into the plays that changed the game. Coach Petrino broke down the X's and O's to the viewing audience and gave them a better understanding to the game of football and his coaching philosophies.

Other key projects for RSP were the installation of LED boards in Donald W. Reynolds Razorback Stadium, the expansion of the Razorback Sports Network from ISP, the creation of the Tusk Fund and other projects that allow our corporate partners to brand themselves with the Razorbacks.

Generating innovative ways to market the Razorbacks through corporate partnerships is the primary goal of Razorback Sports Properties. With two successful years behind them and many more in the future, RSP will continue to brand the Razorbacks in a professional and creative manner.

CHUCK BARRETT — PLAY-BY-PLAY

Barrett is entering his fourth season as the play-by-play announcer for the Razorbacks and as a member of the Athletic Department staff, but he's no stranger to Arkansas fans or the Razorback Sports Network broadcast team. This is his 16th year on the broadcast crew, including spending 11 years as the executive producer. Prior to taking over play-by-play responsibilities in the 2007 season, his duties included hosting the pre-game show, halftime and scoreboard shows, and the football version of the Razorback Report. He has also worked as the play-by-play man for baseball since Arkansas joined the SEC in 1992. Barrett was recognized by the National Sportswriters and Sportscasters Hall of Fame as the 2007 and 2008 Arkansas Sportscaster of the Year.

KEITH JACKSON — COLOR ANALYST

Jackson is in his 11th season as a part of the broadcast team. The Little Rock native was a two-time All-American at Oklahoma, and a six-time Pro Bowl and three-time All-Pro selection, playing in the NFL with Philadelphia, Miami and Green Bay, and winning a Super Bowl championship with the Packers. Jackson has worked as an analyst for TNT and FOX Sports network telecasts.

QUINN GROVEY — CO-HOST AND SIDELINE REPORTER

Grovey is in his 13th year on the broadcast team. The former Hog quarterback is a co-host of the pre-game and post-game shows, and provides insight during games as a sideline reporter. Grovey is a regional personnel manager for Home Depot.

UNIVERSITY OF
ARKANSAS

UNIVERSITY OF ARKANSAS
A PORTRAIT OF THE STATE'S FLAGSHIP, LAND-GRANT UNIVERSITY

The University of Arkansas, the flagship campus of the University of Arkansas System, resides on a former hilltop farm overlooking the Ozark Mountains to the south. At the University's founding in 1871, the site was described as "second to none in the state of Arkansas."

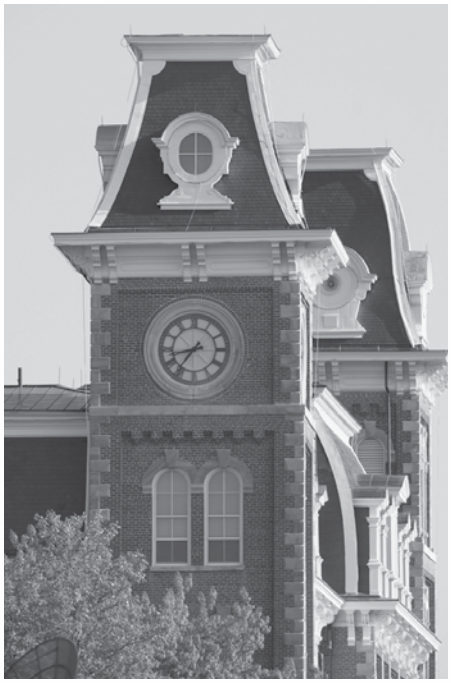

Located in Fayetteville, the university is both the major land-grant university for Arkansas and the state university. The university was created under the Morrill Land-Grant College Act of 1862, whereby federal land sales provided funds for new colleges devoted to agriculture and the mechanic arts, scientific and classical studies, and military tactics, all designed for the liberal and practical education of the industrial classes. The university's founding satisfied the provision in the Arkansas Constitution of 1868 that the General Assembly establish and maintain a state university.

Citizens in Fayetteville and surrounding Washington County raised $130,000 to secure the university's location in a statewide competition sparked by the General Assembly's Organic Act of 1871, providing for the "location, organization and maintenance of the Arkansas Industrial University with a normal department [i.e., teacher education] therein."

Today, the University of Arkansas encompasses more than 130 buildings on 345 acres and provides nearly 200 academic programs, more than some universities twice its size. At the same time, it maintains a low student-to-faculty ratio (currently 17:1) that makes personal attention possible. The university promotes undergraduate research in virtually every discipline and makes higher education affordable with competitively priced tuition and generous financial aid.

WORLD-CLASS FACULTY

The campus culture places high value on excellent teaching. At this mainly residential campus, the faculty numbers nearly 1,000, of which almost 95 percent are full-time. Nine of every 10 faculty members hold either a doctorate or terminal degree in their field, and more than 65 percent of the faculty is tenured.

The instructional mission is aided by the Cordes Teaching and Faculty Support Center, a program run by faculty for faculty. The center involves as many as 400 faculty and nearly 200 teaching assistants per year in regularly scheduled programs, seminars, workshops and an annual off-campus

OLD MAIN

One of the original buildings of Arkansas' campus, Old Main symbolizes the strong connection to the past and the focus upon the future which come together in the present at the University of Arkansas. Completed in 1876, Old Main stood the test of time until the mid-1980s when age and modern building codes threatened to send it to the wrecking ball as it did its sister building at the University of Illinois. A major fund-raising campaign by alumni totally renovated Old Main. Reopening in 1992, the building maintains the feel of a Victorian-era building with high ceilings and elaborate wooden trim. Just below the surface of the period hardwood floors, Old Main is hard-wired to the internet and built to last well into its second century.

Even with renovation, Old Main remained unfinished until 2006. One of the gifts during the Campaign for the Twenty-First Century specified the installation of a clock, originally planned for the blank faces of the south tower.

As mentioned, Old Main was built from shared plans with its counterpart on the Illinois campus, with one important difference. The north tower of Arkansas' Old Main is taller than the south tower. Legend says this was symbolic of the Civil War as the lead engineer was a northern veteran.

teaching retreat as well as individual assistance to update and enhance their teaching methods.

This emphasis is reinforced by the University of Arkansas Teaching Academy, which consists of faculty recognized by their peers, colleges and the larger university for teaching excellence. In 2000, the academy began producing Inquiry, the first undergraduate research journal published by an Arkansas institution of higher learning.

WORLD-CLASS FACILITIES

Over $700 million in construction projects were completed on campus in the past decade, are now under construction or are in the planning stages. These include plans to upgrade or renovate several of our historic buildings. The university is also engaged in an ambitious program to improve the energy efficiency of 35 of our buildings, in an on-going effort to create a sustainable campus.

WORLD-CLASS SUPPORT

Investment in the future is critical, and the unprecedented Campaign for the Twenty-First Century that concluded in 2006 resulted in a billion dollar infusion of gifts to the University of Arkansas. The effort included the largest single gift to a U.S. public university in the history of American philanthropy: a $300 million gift from the Walton Family Charitable Trust. Primary among the programs created by the Walton gift was the designation of $200 million toward the establishment of the Honors College.

SENIOR WALK

The University of Arkansas is proud to be the last university in the nation maintaining what once was a common tradition of etching its graduates' names into the campus sidewalks. The 100,000th graduate's name went down in cement during the 1990s. The names on Senior Walk stretch over five miles of campus sidewalks.

The story of Senior Walk is a perfect example of how the University of Arkansas brings its commitment to the past together with innovations for the future. When the costs involved in hand-etching names into concrete forced numerous other universities to give up, the University of Arkansas turned to its physical plant and engineering school grads to create a one-of-a-kind computerized sandblasting machine -- the SandHog. Each summer, the SandHog roars across the front lawn of Old Main, etching the names of graduates into sidewalks.

That kind of commitment from the state and the region is not uncommon. It was the effort of the city of Fayetteville and Washington County in submitting the highest bid to the state in the 1870s that resulted in the University of Arkansas opening its doors here on Jan. 22, 1872.

BROAD RANGE OF DEGREES

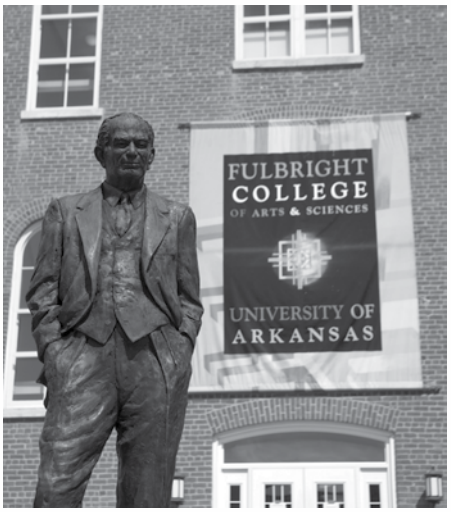

At Arkansas, students can major in one of over 120 undergraduate disciplines, many of which prepare them for entry into graduate studies ranging from law to medicine.

TEN COLLEGES AND SCHOOLS: ONE UNIVERSITY

The University has five colleges, four schools and a global campus to provide a wide range of majors, from agricultural business to biological engineering, from architecture to nursing, from transportation and logistics to international relations, all taught by nationally acclaimed faculty.

A program in nanoscience that combines students and faculty in physics and engineering has made the university the leader in production of nanomaterials for universities across the country.

No matter what students choose to study the University of Arkansas has the programs, the faculty and the facilities to prepare them for the careers they want in the future.

RESEARCH

DISCOVERY THAT IS MAKING LIFE BETTER FOR ARKANSAS AND THE WORLD

The Carnegie Foundation categorizes the University of Arkansas as a research institution with "high research activity," placing it among the top 10 percent of universities nationwide. In simple terms, the university is in the top tier of 150 research universities among the nation's more than 4,000 post-secondary institutions — and growing in research activity and expenditures each years.

As a land-grant and state university, the institution considers research, scholarship and creative endeavor — all leading to the advancement of knowledge — a significant component of its primary mission. The university's faculty members are active researchers and scholars who consistently attract international attention in the arts, sciences, humanities, technology, business and education.

Research expenditures at the University of Arkansas for fiscal year now exceed $117 million per year, making research activity a significant academic element at the university and an economic engine for the state. It's also not uncommon anymore for research awards to the university to rise at double-digit percentage rates, and such awards also are approaching the $100 million level.

In addition to the work performed by faculty through individual and collaborative efforts in their academic departments, special research and outreach programs — often interdisciplinary — are conducted in approximately 50 centers and organized research units around campus.

AMONG THE LEADING-EDGE CENTERS AND RESEARCH ACTIVITIES:

•The RFID Research Center laboratory conducts research in the most efficient use of radio frequency identification and other wireless sensor technologies throughout the supply chain, with a particular emphasis on the retail supply chain. Positioned in northwest Arkansas at the epicenter of retail activity, the RFID Research Center laboratory is a multidisciplinary "supply chain in a box" devoted to examining the technology as used in retail, storeroom and warehouse environments.

•The Center for Sensing Technology and Research features a 9.4 Tesla Fourier transform mass spectrometer, which uses a high-powered magnet that improves the resolution of images of molecules and provides detailed information about their structure. Coupled with other instruments in the High Performance Mass Spectrometry Laboratory, the mass spectrometer offers high-resolution laser desorption mass spectrometry, which is not available at any other public laboratory in the country.

•The Chemical Hazards Research Center has the largest ultra-low-speed boundary layer wind tunnel in the world. The wind tunnel simulates releases of heavier-than-air gases into the atmosphere. It has been used to simulate potential disasters and to trace the path of disasters that have occurred, such as the catastrophic 1984 Union Carbide leak in Bhopal, India.

•The High Density Electronics Center has established itself as one of the top electronics packaging research and education facilities in the world. HiDEC has executed contracts from government and industry totaling more than $30 million. Projects have ranged from multichip module design to the development and evaluation of new technologies and electronic products.

•The Center for Advanced Spatial Technologies has been recognized nationally for its data storage and retrieval warehouse, GeoStor, by the Urban & Regional Information Systems Association. The center works with people across campus in various disciplines, offering researchers the latest in innovative technologies. This has led to interdisciplinary collaboration in fields as diverse as engineering, agriculture, anthropology and sociology.

POINTS OF PRIDE

THE DISTINCTIVE CHARACTERISTICS OF THE UNIVERSITY OF ARKANSAS

UNIQUE TRADITIONS

Starting on Old Main's front step with the year 1876, the names of the more than 125,000 graduates have been chiseled into more than two miles of campus walkways, grouped by year of graduation. It's not uncommon to see alumni strolling Senior Walk to rediscover their own names and fond memories of accomplishment and fun.

Old Main, the university's signature building, designed in Second Empire architectural style, has come to symbolize higher education in Arkansas. Old Main is one of 11 campus buildings on the National Register of Historic Places. Today, it is the home to the J. William Fulbright College of Arts and Science, the largest academic college within the University of Arkansas.

The Inn at Carnall Hall and Ella's Restaurant comprise the university's own on-campus hospitality center. The beautiful, 50-room historic inn and five-star restaurant are both overseen by the hospitality and restaurant management academic program in the Dale Bumpers College of Agricultural, Food and Life Sciences. Carnall Hall was built in 1905 as the university's first women's residence hall. The building was named after Ella Carnall, one of the campus' first female faculty members.

THE FULBRIGHT LEGACY

Since its founding, the University of Arkansas has compiled a remarkable record of scientific, technological, intellectual and creative accomplishment. This accomplishment is exemplified by the late U.S. Senator J. William Fulbright, a Rhodes Scholar as a student and eventual president of the university (1939-41). Fulbright went on to serve at the national level, founding in 1946 the greatest international exchange program for faculty and students in the world.

Fulbright's injunction for academia guides the University of Arkansas to this day: "The highest function of higher education is the teaching of things in perspective, toward the purposes of enriching the life of the individual, cultivating the free and inquiring mind and advancing the effort to bring reason, justice and humanity into the relations of men and nations."

The University of Arkansas has long been an institution of strong international orientation. In 1951, under U.S. State Department auspices, the University became the first land-grant institution in the nation to assemble an agricultural foreign mission. The object of that mission was to assist Panama in establishing an agricultural teaching, research and extension program similar to the one that had been so successful in modernizing agriculture in the United States.

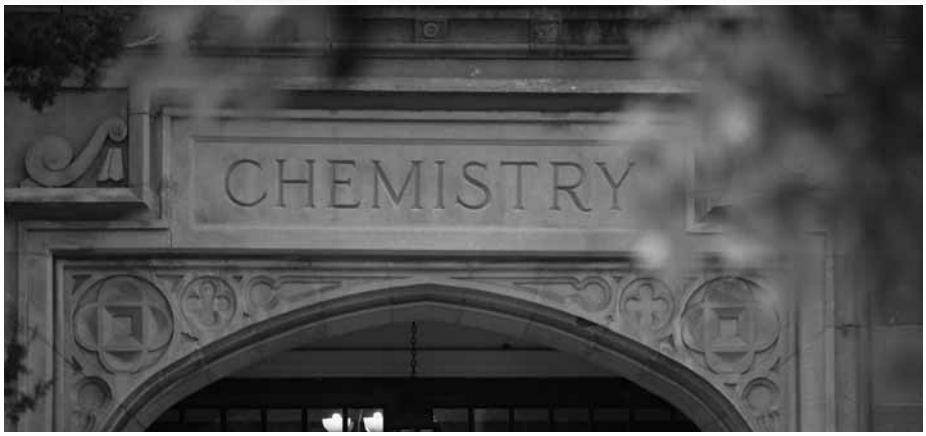

CHANGING THE WORLD

Some internationally significant ways that the University has – and is – changing the world:

•Barnett Sure, a University of Arkansas professor of agricultural chemistry, pioneered nutrition research that led to the co-discovery of vitamin E, a vitamin high in antioxidants. His work also led to understanding of how vitamin E, amino acids and B vitamins affect reproduction and lactation.

•As world population grew during the 20th century, so did the contribution of research at the University of Arkansas. Marinus C. Kik, a professor of agricultural chemistry from 1927 to 1967, developed the process for parboiling rice, one of the most plentiful grains in undeveloped parts of the world. Kik's process increased retention of vitamins and shortened cooking time.

•In 1948, Silas Hunt became the first black person to integrate a traditionally white Southern university, enrolling in the University of Arkansas School of Law six years before the Brown v. Board of Education decision. Likewise, Edith Irby Jones soon after became the first black graduate from a Southern university, attaining her medical degree from the University of Arkansas for Medical Sciences. Both acts happened without litigation or protest.

• When John Pople and Walter Kohn received the 1998 Nobel Prize in Chemistry, they cited the research of University of Arkansas chemist Peter Pulay as the building block for their prize-winning work. Early in his career, Pulay developed techniques for determining the shape and size of molecules that would permanently change the way scientists study matter. Today his approach is used by theoretical chemists around the world to determine the geometry of large, biologically important molecules.

• Two professors and a university alumnus – Harold Dulan, E.J. Ball and Lewis Callison – created the nation's first commercial variable annuity life insurance company, later bought by Aetna Insurance. Today, variable annuities are used worldwide in estate planning for participation in economic growth and as a hedge against inflation.

• In 1950, the University of Arkansas built the first American facility to integrate the study of fine arts. Edward Durell Stone, a former student who was by then an internationally recognized architect, designed the Fine Arts Center and followed on this early effort later to design the Kennedy Center for Arts in Washington, D.C. Other universities and colleges also followed Arkansas' example, developing cross-curricular exchanges so that artists, musicians, actors and designers could learn from each other and draw inspiration from other similar disciplines.

• Chemistry professor Paul Kuroda predicted that self-sustaining nuclear chain reactions could have occurred naturally in earth's geologic history. His prediction was later confirmed when scientists discovered a natural nuclear reactor in Gabon, Africa. In 1960, he predicted the existence of Plutonium-244 as an element present during the solar system's formation. Confirmation of his theory enabled scientists to more accurately date the sequence of events in the solar system's early history.

• The Master of Fine Arts in Creative Writing, a 60-hour program launched at the University of Arkansas in 1966, has grown into one of the most productive and highly ranked programs of its kind in America. Founded by English professors William Harrison and James Whitehead, later joined by Miller Williams, the program was an early catalyst in the transformation of the traditional study of literature into a demanding training ground for writers.

• University of Arkansas plant pathologists George Templeton, Roy Smith, David TeBeest and graduate student Jim Daniels conducted research in the early 1970s that led to the first biological herbicide for weed control in a field crop, later called Collego. Their work to avoid chemical herbicides led to worldwide development of safer biological herbicides and establishment of the Rosen Center for Alternative Pest Control at the University of Arkansas.

• Physics professors Allen Hermann and Zhengzhi Sheng mixed up a thallium-based material in 1988 that set the world's highest temperature at which superconductivity could be sustained, leading to new advances in the manufacture of high-density electronics. Their patented material held the record for more than five years while researchers around the world raced to catch up.

• Professor Dwight Isely of the department of entomology is considered the father of insect pest management in the United States. His research identified the weak point in the life cycle of insects that made them particularly susceptible to control strategies. Through his work on cotton insect pests, the codling moth, the striped cucumber beetle, the southern corn rootworm and the rice water weevil, American Agriculture saved millions of dollars.

• Engineering professors at the University of Arkansas invented the next-best thing to the zip code – the wide-area bar code reader, which became the most widely implemented automated mail-sorting equipment in the world. By 2000, more than 15,000 bar code readers were used in every major Postal Service facility, increasing the efficiency of processing 20 billion pieces of mail a year at a savings of $200 million.

• Former President William Jefferson Clinton and Sen. Hillary Rodham Clinton started their careers as faculty members of the University of Arkansas in the mid-1970s. While a law professor, Mr. Clinton made his first runs for political office, getting elected as the Arkansas attorney general in 1976. Mrs. Clinton founded the university's legal clinic, which still provides law students a chance to work with clients on legal problems.

CHANCELLOR

DR. G. DAVID GEARHART

Dr. G. David Gearhart became the fifth chancellor of the University of Arkansas on July 1, 2008, following 10 years of service to the university in his capacity as vice chancellor for university advancement. During that decade leading up to his appointment as the campus' chief executive, he was the architect of the Campaign for the Twenty-First Century – the largest, most successful capital campaign in Arkansas history, which raised more than $1 billion for academic programs and increased the endowment from $119 million to almost $900 million.

A native of Fayetteville, Ark., Chancellor Gearhart was born and raised in the shadow of Old Main. An alumnus of the university whose name is twice inscribed on Senior Walk for the law degree (J.D.) and doctor of education degree (Ed.D.) he earned, Gearhart feels that his entire adult life has prepared him for this singular honor and challenge.

"I believe the ultimate success of the University of Arkansas will be measured to a large extent on how it demonstrates its usefulness to society," Gearhart says. "Of all of the rich contributions that America has bestowed on the world, American higher education is among the most important. Our colleges and universities have become, perhaps, the most vital expression of the American political and social philosophy."

The path that would lead him back to his alma mater began in 1976, when Gearhart became assistant to the president at Westminster College in Fulton, Mo., where he received his baccalaureate two years earlier. In 1977, he was appointed the director of development at Westminster and led fundraising efforts for The Winston Churchill Memorial and Library. Thus was launched a nationally respected career in university advancement.

In 1978, he returned to his native state to become vice president for development at Hendrix College. After four years at Hendrix, Gearhart returned home for the first time when he was selected to be the director of development at the University of Arkansas. In this role, he spearheaded the Campaign for Books, which added more than 100,000 volumes to the University of Arkansas Library.

In 1985, Gearhart took another career leap in being appointed vice president for development and university relations at The Pennsylvania State University. Three years later, he was promoted to senior vice president, responsible for the external relations programs for 23 campuses statewide. While at Penn State, he launched a major capital campaign, which raised in excess of $352 million. Total private gifts to Penn State during his 11 years at the university surpassed $950 million, and Gearhart's division was cited three times by the Council for Advancement and Support of Education (CASE) with its grand gold medal, awarded to the nation's top advancement program.

In 1995, Gearhart joined the international consulting firm of Grenzebach, Glier, and Associates as senior vice president and managing director, but stayed closely connected to advancing the mission of higher education. The Chicago-based philanthropic management firm has hundreds of clients in the United States, Canada and Europe, and fundraising goals in excess of $40 billion. Clients managed by Gearhart included nearly two dozen non-profit organizations, colleges and universities, among them American University, Brigham Young University, Rutgers University, University of Alabama, University of Connecticut, University of Miami (Fla.), University of Pittsburgh and University of Washington.

In 1998 Gearhart once again returned to his native state as vice chancellor for university advancement at the University of Arkansas. He was responsible for development, alumni relations, constituent relations, special events and university relations programs. Arguably, his most significant impact in this role was the stunningly successful Campaign for the Twenty-First Century, a billion-dollar capital campaign that concluded in June 2005 with the University of Arkansas taking its place as one of only 13 public universities at that time to have exceeded a billion dollars raised.

The centerpiece of this campaign was a $300 million gift from the Walton Family Charitable Support Foundation, the largest gift ever made to a public university. The direct results of Gearhart's leadership in this effort included the creation of 132 new endowed faculty positions, 1,738 new student scholarship and fellowship funds, dozens of new and renovated facilities and classrooms, and growth of the overall endowment from $119 million in 1998 to nearly $900 million by the time he assumed the chancellorship.

In every imaginable way, the university was transformed by this campaign.

"At the University of Arkansas our ultimate purpose is to improve the human condition, to make life better for our citizens and our state and to contribute to the general welfare of our nation," says Gearhart. "Thanks in part to the Campaign for the Twenty-First Century, we've become recognized as a rising star as a major public research university in a state where higher education must play an increasingly larger role in the lives of its citizens. Working with our sister public institutions and in partnership with our own university system, we must work hard and smart to increase the college participation rate and to strengthen the quality of Arkansas' higher education. We must be seen as enthusiastic leaders in this venture, all in a time of diminished public resources nationally that will not make it easy, but a challenge that we at the university must embrace."

Gearhart was named a distinguished alumnus of his undergraduate alma mater, Westminster College, in 1992, and the same year was named a Fulbright Scholar and studied at Oxford University, Merton College in Oxford, England. In 1996, he was named an honorary alumnus of Penn State, where he finished his doctoral coursework in higher education administration.

In addition to his responsibilities as chancellor, Gearhart is a tenured member of the faculty in the College of Education and Health Professions, holding the rank of professor. A nationally respected expert in capital campaigns, he is the author of two books, The Capital Campaign in Higher Education and Philanthropy, Fund Raising and the Capital Campaign, as well as numerous articles.

Among his current professional affiliations, Gearhart serves as vice president of the University of Arkansas Fayetteville Campus Foundation, is a member of the board of advisors for the Arkansas World Trade Center, is a member of the Northwest Arkansas Council, and is a member of the advisory board of the Pryor Center for Oral and Visual History. He also is a licensed attorney in the state of Arkansas.

Gearhart is married to the former Jane Brockmann, whom he married in 1974. They have two children: Katy, who is a graduate of Penn State University currently working as a speech pathologist; and Brock, a graduate of the University of Arkansas who is now a vice president of investments for Greenwood and Associates.

Gearhart's late father, George A. Gearhart, was publisher of the Northwest Arkansas Times in Fayetteville. His mother, Joan Gearhart Havens, lives in Fayetteville.

"I have many dreams and aspirations that I've long held for the University of Arkansas," Gearhart says, "and I look forward in the months and years ahead to sharing that vision and working with our outstanding students, faculty, staff, alumni and friends, and certainly the board of trustees, on reaching our lofty goals and realizing the full potential of our university."

STUDENT-ATHLETE ACADEMIC SUPPORT FOR SUCCESS AND ACHIEVEMENT

STUDENT-ATHLETE ACADEMIC SUPPORT AND ACHIEVEMENT MISSION STATEMENT

The primary focus of the Razorback Student-Athlete Academic Support and Achievement Program is to provide the student-athlete with the opportunity to develop the skills necessary to be a success in college and in life. This is accomplished through superior academic counseling, life skills training and preparation to enter the job market upon graduation.

THE BOGLE ACADEMIC CENTER

There is no higher priority for the University of Arkansas Athletic Department than the academic progress of its scholar-athletes. Thanks to the generous gift of Bob and Marilyn Bogle, the home of the Razorback Athletic Department's Student-Athlete Academic Support and Achievement program is the Bob and Marilyn Bogle Academic Center. The 15,000-square foot Bogle Academic Center is located in the east side of Donald W. Reynolds Razorback Stadium. Under the overall direction of Senior Associate Athletic Director Jon Fagg, the Bogle Academic Center houses the Arkansas Razorbacks Academic Support Program, the Razorback Office of Student Life and the Career Development Program.

Associate Athletic Director for Student-Athlete Support Services Melissa Harwood-Rom oversees the staff of professionals dedicated to directing student-athletes to reach their personal academic goals, and to do so in ways that balance their academic, athletic and personal lives.

STUDENT-ATHLETE ACADEMIC SUPPORT AND ACHIEVEMENT SERVICES

The Mission Statement for the Razorback Student-Athlete Academic Support and Achievement division -- SAASA -- speaks for itself, but the improvements and achievements of the Razorbacks over the past academic year are what is most important. At Arkansas, academic services are not just good grades and eligibility. Along with 18 of 19 teams exceeding the NCAA standard for APR, Razorbacks earned some of the highest conference and national academic honors in the 2009-

Academic accomplishment is important for all 19 teams at the University of Arkansas and the football team is no exception. The Razorbacks had 10 student-athletes recognized on the 2009 Southeastern Conference Fall Academic Honor Roll and had 22 named to the Athletic Department Academic Honor Roll.

Melissa Harwood - Rom
Associate AD for Student-Athlete Support Services

10 year including a pair of Southeastern Conference Scholar-Athletes of the Year.

It is also not about honoring the "A" student. Arkansas Athletics is committed to every single athlete improving his or her academic performance every semester, working to achieve academic "personal bests" with each class just the same as we would expect our athletes to hit personal records in competition.

UNIVERSITY OF ARKANSAS ACADEMIC GAME PLAN FOR GRADUATION

Student-athletes are expected to meet specific academic criteria in order to maintain eligibility. This is easily achieved by following the Academic Game Plan created by the Student-Athlete Academic Support and Achievement team.

The SAASA designs programs and sets specific goals to help student-athletes achieve academic success. An example of a key goal is the successful completion of 30 hours of coursework during each academic year. By maintaining this course load, Razorback athletes not only stay on track to graduate in four years, but easily meet eligibility requirements set by the NCAA.

STUDY HALL AND TUTORS

A quiet setting for uninterrupted study, the Bogle Academic Center provides three types of study hall space. The computer lab (above) has over 30 stations for individual computer-based study. An open study hall is available for group or individual study, and monitored by staff members of the SAASA. There are 17 individual study carrels that provide space for tutors to meet with student athletes for individual instruction in specific subjects.

Each Razorback team sets its own criteria for study hall attendance. The use of tutors is a key element for academic success, allowing for individualized assistance and for reaching academic excellence in advanced subjects.

Training is provided in a variety of areas including financial planning, drug and alcohol education, time management, study skills and developing community service activities.

Tiffany Wright

"The University of Arkansas isn't a huge university, but it has a huge reputation. My professors were concerned with my personal goals; concerned about how I wanted to develop as an individual. There is a great amount of one-on-one mentoring with the teachers. I think one of the greatest things about Arkansas is that you are an individual, a real person — not just an I.D. number — to the faculty and staff."

Tiffany Wright (BA, 1998)
Tiffany Wright went from 1998 NCAA Women's Final Four to graduation to sideline reporter for ESPN's coverage of the WNBA within weeks. Today, she is the sports anchor at ABC affiliate, WSOC, in Charlotte, N.C.

CAREER DEVELOPMENT

The purpose of the Career Development Program is to assist student-athletes in making a smooth transition from the University of Arkansas into the workplace. This process begins during the freshman year with a one-hour course on career options. Workshops are held to provide student-athletes training in resume writing, interviewing skills and etiquette. Individual assistance with locating summer internships and job placement gives student-athletes a head start into their chosen careers.

IN THE COMMUNITY

GIVING BACK TO NORTHWEST ARKANSAS AND THE WORLD

Community service is a vital part of the educational process for any college student, and Razorback athletes continued to make it a priority in 2009-10.

With guidance from the Student-Athlete Development office, Razorback student-athletes, coaches and staff members participating in a number of events throughout the year. Here's a brief look at some of those projects.

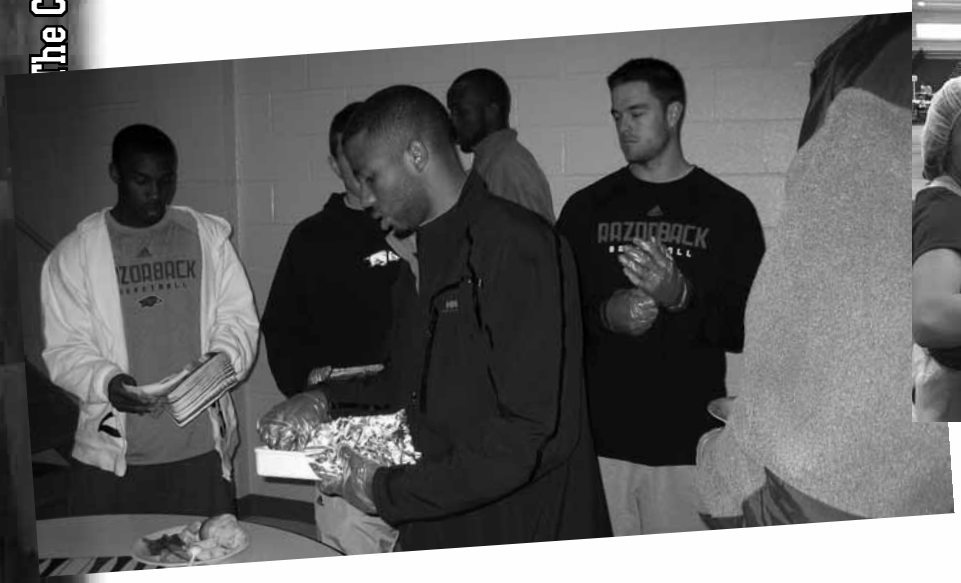

- Going out to area elementary schools to support the Book Hogs reading program and the Sweat Hawgs physical education awareness program.
- Individual team projects ranging from volunteering at the Fayetteville Public Library, working with Habitat for Humanity, assisting with area shelters, helping the local youth programs like the Scouts, holiday shopping and meal programs and visiting area nursing homes.
- Teaming with Numana, Inc. for Razorback Relief: Operation Haiti, a 24-hour marathon to package, more than 1.4 million meals for the Haitian relief effort.

The quiet efforts of our 19 Razorback teams have a long-lasting impact on the youth of our state. The incredible positive benefit of the time spent by the Razorbacks helping the community pays tremendous dividends, not only for the University of Arkansas, but for the entire community.

And while we focus here on the positive benefits for the fresh young faces who receive an autograph or a kind word of encouragement from a Razorback, we know that there is a considerable impact upon our student-athletes, our future leaders. The opportunity to give back impresses upon them that no matter their personal circumstances when they arrived in Fayetteville, they have a chance to not only improve their lives, but touch the lives of others.

Several Razorbacks shared some putt-putt time with young fans as a part of Make a Difference Day. Razorback athletes from all sports participated in various community service activities across the city of Fayetteville.

At left: the Razorback men's basketball team served meals over the Thanksgiving holiday. Above: members of the Razorback gymnastics team take part in Razorback Relief: Operation Haiti helping to package more than 1.4 million meals in 24 hours.

Razorback student-athletes are regular speakers at both Book Hogs Read To Win and Sweat Hogs, a program that encourages physical fitness in the elementary schools.

Book Hogs is one of the largest department outreach programs Razorback student-athletes are guest readers in elementary classrooms and there are contests for reading the most books with the winners recognized at Razorback sporting events.

JEFF LONG

VICE CHANCELLOR FOR INTERCOLLEGIATE ATHLETICS AND DIRECTOR OF ATHLETICS

Entering his third full year as Vice Chancellor and Director of Athletics, Jeff Long has not only guided the University of Arkansas' Department of Intercollegiate Athletics through a period of unprecedented transition, he has transformed and revitalized a tradition-rich athletics program encompassing 19 sports and more than 460 student-athletes. Long has not only accepted, but embraced the challenge of leading a Razorback program that serves as a source of pride for so many at the University of Arkansas, in all corners of the state and to thousands of Razorbacks all around the world.

Long has established a multi-faceted combined athletics program uniformly committed to the development of student-athletes academically, athletically and socially. A part of Chancellor G. David Gearhart's Executive Committee, Long and other members of the campus leadership team are charged with developing policies and charting the course for the future of higher education at the University of Arkansas. Since his arrival, Long and his staff have re-engaged the athletic department with the university community working to more fully integrate Razorback Athletics into the campus environment. Razorback Athletics stepped forward with a $1 million gift to support the university's academic mission in 2009-10 which brought the department's support of the greater university community to nearly $4 million. The department has pledged another $1 million gift for 2010-11.

The success of Long's approach can be measured in part by the remarkable accomplishments of the Razorback program in his tenure. Arkansas has captured six conference championships and advanced to 40 NCAA post-season competitions while drawing more than a million fans annually to campus to cheer on the Razorbacks.

In the classroom, the Razorbacks exceed national APR multi-year rate standards in 18 of 19 sports. For the first time in program history, all 19 sports exceeded the yearly APR benchmark rate in the most recent report (2008-09). The academic success has coincided with a transformation of the program's academic achievement approach from maintaining eligibility to focusing on student-athlete advancement towards a college diploma.

In the community, Razorback student-athletes are more active than ever volunteering more than 2,500 hours of time in between the rigors of school and athletic practice and competition. Community outreach initiatives including Lift Up America, Book Hogs, Sweat Hogs, Razorback for a Day and Razorback Relief have Razorback student-athletes making a difference in Arkansas and around the world. In 2009-10, the Lee Spencer Cup was established to annually recognize the Razorback team that earns distinction in the classroom, in athletic competition, in personal development and in the community.

Administratively, landmark agreements have been negotiated with ISP and with Southeastern Conference television partners to guarantee future revenue streams and secure the financial base of the program in uncertain economic times.

Even the most optimistic outlook would have been hard pressed to foresee the level of success that the Razorback program would attain in such a short time after Long was selected to replace legendary athletic director and former Razorback football coach Frank Broyles in September of 2007. Before Long officially took the reins, Arkansas announced that it would combine its previously independent men's and women's athletic programs into one combined athletic program.

Shortly after that announcement, Long was busy engineering the first coaching search of his tenure. Long not only found the next head football coach, he convinced Bobby Petrino, one of the most successful collegiate coaches in recent history, to return to the college game at Arkansas.

By the time, Long officially started his new position on Jan. 1, 2008, he had already accomplished a list of tasks vital to the short and long-term health of the Razorback program. He had begun the process of carefully blending the men's and women's athletic departments into one unified department and establishing a new administrative structure.

Under Long's leadership, Arkansas revised policies governing class attendance, drug testing, the NCAA Opportunity Fund as well as other compliance and business office procedures. The academic support services division was re-organized and a formal division of student life was created focusing on student-athlete development and community service.

Long was busy on external issues as well. In 2008, Arkansas returned to the classic Razorback logo. The new branding was featured in the launch of a new website ArkansasRazorbacks.com. In 2009-10, Arkansas hosted a year-long celebration commemorating "100 Years of the Razorbacks" and launched a new official newspaper of the department, *Inside Razorback Athletics*.

Long worked tirelessly to maintain long-time relationships and to forge new relationships for the benefit of the Razorback program including extending Arkansas' relationship with War Memorial Stadium in Little Rock. Long was also instrumental in helping re-establish the Razorbacks' presence in Texas, partnering with former Razorback Jerry Jones to develop the Southwest Classic, a 10-year football series with Texas A&M played at the new Dallas Cowboys Stadium.

Perhaps his most impressive accomplishment came when he brokered a new partnership with ISP to form Razorback Sports Properties. As economic indicators were beginning to point toward challenging economic times, Long signed Arkansas to a deal that will guarantee the Razorback program $73 million in the next 10 years. Long recently negotiated an extensive all sports apparel and footwear all sports agreement with NIKE, Inc. that will outfit all 19 Razorback sports programs through the 2014-15 season.

"WE WILL PROVIDE OPPORTUNITIES FOR STUDENT-ATHLETES TO ACHIEVE THEIR FULLEST POTENTIAL ACADEMICALLY, ATHLETICALLY AND SOCIALLY, WHILE COMPETING SUCCESSFULLY AT THE HIGHEST LEVEL."

A number of athletic facilities have also seen a transformation with Bud Walton Arena undergoing extensive renovations, including replacement of the lower seating bowl and the addition of courtside seating, ribbon boards and a courtside club room. In the spring of 2009, Bogle Park, arguably the nation's best softball facility, was dedicated on the Arkansas campus and a new synthetic playing surface was installed at Donald W. Reynolds Razorback Stadium. Long remains committed to maintaining Arkansas' reputation as the home to some of the nation's best playing venues while targeting much needed facility improvements crucial to the overall development of student-athletes. The department recently commissioned a master facilities plan to assess facility needs for the future success of the Razorback program.

Arkansas' program flourished in Long's first year, finishing 24th in the NACDA Directors Cup, its best finish in nearly a decade. In his first full year at the helm, Arkansas scored a program-record 730 points on its way to a 25th-place finish. The back-to-back top 25 Directors Cup finishes marked only the second time in school history the Razorbacks accomplished that feat.

A veteran administrator with a track record of the highest commitment to the concept of "student-athlete," Long has had more than two decades experience in athletic administration at the Division I level including at the University of Pittsburgh, University of Oklahoma, University of Michigan, Virginia Tech University and Eastern Kentucky University prior to arriving at the Arkansas. While known as an innovator in athletic department management, Long also understands the coach's perspective from time spent in coaching and administrative staff positions at Duke University, Rice University and North Carolina State University.

On the forefront of NCAA governance, Long served on the NCAA Management Council as one of the athletic administrators who oversaw the operations and regulation for Division I. His experience as an athletic director and administrator in America's most prestigious conferences – the Big 12, Big Ten, Big East, Atlantic Coast and now SEC gives Long a uniquely informed perspective on intercollegiate athletics. During his career, Long has served in five of the six Bowl Championship Series leagues.

Prior to assuming his current roles at Arkansas, Long served for four years as the athletic director at the Pittsburgh. During his tenure, Long redefined Pitt athletics, most notably through the "Quest for Excellence" campaign. Designed to enhance the student-athlete experience for Panther athletes through scholarship endowments and capital gifts for facility construction and renovation, the Quest resulted in almost $34 million in just over two and a half years.

The Long Family: Christina, Fanny, Stephanie and Jeff.

His commitment to building the Pitt athletics brand resulted in a new primary mark for the Panthers which returned the powerful "PITT" brand to Pittsburgh. He established a partnership with adidas for uniforms and apparel for all 19 Pitt teams and an agreement with ISP Sports.

Long's four-year tenure added up to Pittsburgh becoming one of the nation's top programs, notably the Panthers' selection as the No. 17 overall program in the nation in the December 2006 *Sports Illustrated on Campus'* All-Sport Rankings.

As an athletic leader, Long was a key advocate for the Big East during the league's time of membership transition. Due in part to his leadership, the Big East maintained its position as a key member of the Bowl Championship System, and the Pitt Panthers earned the Big East's automatic berth in 2004 at the Tostitos Fiesta Bowl. Along with his tenure on the Executive Council, Long also served on the NCAA's Sports Wagering Task Force in 2004, and as a member of the Executive Committee of the Division I-A Athletic Directors' Association.

Before arriving at Pitt, Long was senior associate athletic director at Oklahoma for two and a half years. Responsible for the external affairs of the Sooners, he oversaw key brand areas of marketing and promotions, licensing, media relations, ticketing, radio and television rights and SoonerVision productions. In addition, Long was the primary administrator for the Sooners' highly successful football and men's basketball programs, along with sport supervision of baseball, wrestling and both golf teams.

Long's first appointment as a director of athletics was at Eastern Kentucky where he served for two and a half years. He made several revisions to the EKU athletic infrastructure and completed several facility projects. Long created the first modern corporate partner and sponsorship structure at EKU. Prior to Eastern, Long had a brief stay with Virginia Tech as an associate athletics director.

He began his career in college athletic administration at the Michigan, hired by legendary coach and athletics director, the late Bo Schembechler. During his seasons with the Wolverines, Long was promoted through a series of posts to the position of associate athletics director.

A former two-sport athlete at Ohio Wesleyan, Long earned seven varsity letters for the Bishops in football and baseball before completing his degree in economics in 1982. He started his post-graduate career in athletics as a graduate assistant football coach at the cradle of coaches, Miami University of Ohio. Long earned his master's in education at Miami in 1983, moving on to football staff positions at Rice, Duke and N.C .State prior to joining Michigan.

An Ohio native from Kettering, Long is married to the former Fanny Gellrich of Ann Arbor, Mich. The Longs have two daughters, Stephanie and Christina.

Boyd McWhorter Scholar-Athletes of the Year.

Her leadership was also a part of the success of the University's Campaign for the Twenty-First Century. Lewis directed Women's Athletics to over $11.5 million in direct support for women's teams. During the campaign, Lewis received one of her greatest personal honors as Bob and Marilyn Bogle requested that Arkansas' $6 million facility be named the Bev Lewis Center for Women's Athletics.

In 1998, she was voted into the University of Arkansas Hall of Honor by the University's letterwinners in recognition of her contributions both as a coach and an administrator.

Lewis served collegiate athletics at the highest level as an administrator, first with the NCAA Championship Cabinet and most recently on the NCAA Management Council.

RAZORBACK FOUNDATION, INC.

Performing the vital role of supporting the student-athletes at the University of Arkansas with financial support, the Razorback Foundation, Inc., is in its fourth decade of working alongside the athletic department to advance Razorback Athletics.

The goal of the foundation is ensuring that the more than 460 student-athletes at Arkansas have the equipment, facilities and overall support to achieve the goals of graduation and athletic achievement.

For the first time in school history, all 19 Razorback head coaches and members of the athletic department's executive and senior administrative staffs are members of the Razorback Foundation. The pledge of personal support by those inside the department led the way for a growth in membership that saw the membership total increase from 10,390 in November 2008 to 10,530 in June 2009.

From January to June 2009, Razorback Foundation staff visited with more than 11,000 people at 50 Razorback Club functions, ranging from chapter meetings to scholarship fundraising golf events hosted by local Razorback Clubs.

Another key factor in raising the profile of the Razorback Foundation and fostering membership growth was a renewed commitment to increasing A Club membership (former Razorback letter winners) and enhancing communication and coordination with Razorback Clubs throughout the region. To help facilitate communication with all foundation members, a new web site RazorbackFoundation.com was launched.

The Foundation, officially incorporated and relocated off campus in 1988, has helped provide financial aid for the construction for the Broyles Athletic Center (football and administrative offices), Charlie Baum Stadium at George Cole Field (baseball), John McDonnell Field (outdoor track and field), Randal Tyson Track Center (indoor track and field), Dills Indoor Tennis Center, the George M. Billingsley Tennis Center (outdoor tennis) and Donald W. Reynolds Razorback Stadium (football).

MISSION STATEMENT

The stated mission of the Razorback Foundation, Inc., is to support the athletic endeavors of the University of Arkansas Razorbacks.

CAMPUS LIFE

OPPORTUNITES FOR THE MIND, BODY AND SOUL

The university offers a vibrant campus life for its mainly full-time, residential undergraduate student population. More than a dozen university residence halls can accommodate in excess of 4,000 students, and the rest live in and around the city of Fayetteville.

There are over 300 registered student organizations including special interest, religious, international and cultural organizations, as well as honorary and professional service groups. Students also may choose to participate in the university's Greek system, which is made up of 11 sororities and 17 fraternities.

In addition, more than 6,000 students, faculty and staff annually participate in the intramural sports program, which offers activities like bowling and table tennis tournaments, and sponsors clubs ranging from aikido to waterskiing. Many of these activities are conducted at the Health, Physical Education, and Recreation building, a $14 million, 225,000-square foot facility that contains 10 racquetball courts, four basketball gyms, an indoor track, an Olympic size pool, a climbing wall, a computer lab, a human performance lab and numerous classrooms.

Culturally and intellectually, the academic semesters bustle with faculty and student musical performances, theatre productions, art exhibits, concerts, poetry readings and visiting speakers — both on campus and at the adjacent Walton Arts Center. Recent university programming includes outdoor movies at the Greek Theatre, comedians, karaoke nights and even a hypnotist.

The university's Distinguished Lecture Series has featured former heads of state, Pulitzer Prize-winning writers, political pundits and humorists, and other noteworthy national and international figures and scholars such as James Carville, Mary Matalin, Ehud Olmert, Geraldine Ferraro, James Earl Jones, George H.W. Bush, and Dave Barry.

RESIDENTIAL LIFE

Close to all the university has to offer

University Housing offers a variety of housing options within more than a dozen residence halls on campus. First-year students are required to live on campus and will find many options in living arrangements and price that entice them to stay on campus beyond their freshman year – from the suite-style facilities of Maple Hill to the international living learning community of Holcombe Hall to the new apartments on Duncan Avenue.

Maple Hill is a multi-use suite-style facility. Students live in double rooms in one- and two-bedroom suites, with cable television and individual Ethernet connections in each room. The residence halls also feature staff apartments, classrooms, conference rooms, quiet study rooms and a large fireplace lounge.

Holcombe Hall opened in 1949, and is named for Miss Jobelle Holcombe, who graduated in 1898 and served as the first dean of women from 1907 to 1913. In 2006, Holcombe Hall began the transition to an international living-learning community. The goal of these communities is to create a unique and exciting place for international exchange and learning at the University of Arkansas. Students and staff conduct programs in Holcombe through the year, but the true strength of the community comes from the interactions, relationships and plans the residents themselves build.

The newest and most unique campus residence is Duncan Avenue Apartments. The four-bedroom apartments are just minutes walking distance from most classrooms and laboratories on campus. While this complex offers apartment-style living, each student has a separate contract – so if an apartment-mate leaves, other roommates are not responsible for the departing roommate's charges. The fully furnished apartments include high speed Internet, cable television and all utilities except telephone, and also features a washer and dryer and full kitchen with appliances. It is the first "Green Globes" construction project on the University of Arkansas campus.

TRADITION

THERE IS NOTHING LIKE A RAZORBACK

A MASCOT LIKE NO OTHER

The wild hogs known as razorbacks native to the Arkansas wilderness bear no resemblance to the typical barnyard pig of today. The untamed razorback hog was a lean, feral animal that was ill-tempered. It fought and defeated anything that crossed its path, man or beast. Turn of the 20th century outdoor magazines lauded the razorback as "the most intelligent of all the hogs and is likewise the most courageous. . . . He has a clear, farseeing eye."

Except for the rare sighting in the Australian Outback, the Razorback only exists today in the form of Arkansas' players and fans. A Russian boar, which closely resembles the wild hog of Hugo Bezdek's day, currently serves as the official live mascot.

Tusk III is cared for by the Stokes family of Dardanelle, Ark., and travels to home games and special events for the Razorbacks. Tusk III is supported by the legacy program known as the Tusk Fund, and fans can participate by sending their support care of the Razorback Foundation, Inc. Tusk III made his debut in 2010 after the unexpected passing of his brother, Tusk II, following Arkansas' AutoZone Liberty Bowl win over ECU in January.

While yearbook references as early as 1914 of a hog on the sideline at football games, a formal live mascot prior to the Tusk line dates back to the 1960s with a series of hogs that represented Arkansas. In addition to appearances at games, they have gained a reputation for fierce behavior.

Big Red III escaped from an exhibit near Eureka Springs in the summer of 1977 and ravaged the countryside before being gunned down by an irate farmer. Another live mascot, Ragnar, was a wild hog captured in south Arkansas by Leola farmer Bill Robinson. Before Ragnar's spree was done, the mighty animal had killed a coyote, a 450-pound domestic pig and seven rattlesnakes. Ragnar died in 1978 of unknown causes.

THE HOG HAT

It is true; no Razorback fan's closet is complete without an official Hog Hat. The original style was a hard plastic hat with a long snout, rough razorback ridges across the top and wickedly sharp, pointed curly-cue tail. The modern versions are often sculpted from softer material. Regardless, the Hog Hat is undoubtedly the most recognized piece of fan apparel in college athletics. Just ask ESPN GameDay's Kirk Herbstreit as he dons the traditional Hog Hat.

RUNNING THROUGH THE "A"

For Razorback football players, there is nothing to compare with entering the stadium for a home Arkansas game. The emotion of running through the "A" stays with a player for life.

Loyd Phillips won the Outland Trophy more than three decades ago. The veteran of the 1964 national championship team, Phillips remembers it like it was yesterday.

"The butterflies are flowing and you are [running], but it doesn't feel like your feet are even touching the ground," the 1966 Outland winner recalls.

Two-time Doak Walker Award winner and two-time Heisman runner-up Darren McFadden agrees.

"It is hard to describe the feeling you get as a Razorback player right before you take the field for a game," McFadden said. "You can hear more than 70 thousand fans calling the Hogs and can feel the excitement building. I will always remember that special feeling of running through the 'A'."

The Razorback Marching Band sets the stage by forming a huge "A" as they march the length of the field playing Arkansas Fight. When they finish, the "A" stretches from the Razorback locker room to midfield. To the roar of the crowd and the band blasting out Arkansas Fight, the current Razorbacks run onto the field through the "A," connecting them to generations of previous men in the Cardinal and White.

"Just to be able to run through that 'A' and hear the fans cheer for you is unbelievable," 1989 All-American offensive tackle Jim Mabry said. "To sit in the stands now, I still get chill bumps every time the band starts playing and I see the guys running out."

A PROPER HOG CALL

A chant of "Woo Pig Sooie" is known worldwide as a Hog Call. Just like any good tradition, there are lots of versions of the Hog Call (even spellings).

A properly executed Hog Call is composed of three "calls," slowly raising one's arms from the knees to above the head during the "Woo." Traditionalists prescribe an eight second "Woo." The fingers should be wiggled and the "Woo" should build in volume and pitch as the arms rise.

Upon completion of the "Woo," both arms are brought straight down with fists clinched as if executing a chin-up while yelling, "Pig". The right arm is extended up and out with the "Sooie."

A full Hog Call -- the kind one will always hear victorious Razorback teams execute after contests -- requires two more Hog Calls, followed immediately by a "Razor-Backs" yell, coordinated with a pumping motion of the right arm after the third "Sooie." So, in order, the full Hog Call is:

Woooooooo. Pig. Sooie!
Woooooooo. Pig. Sooie!
Woooooooo. Pig. Sooie!
Razorbacks!

ARKANSAS FIGHT

One of the first tasks of a new Razorback is learning to sing the University of Arkansas fight song. Arkansas Fight was written in the late 1920s. It is a unique tune, fitting of the only college in America with a Razorback mascot. Several other colleges have adapted the tune, but the lyrics remain unique to Arkansas.

Hit that line! Hit that line!
    Keep on going!
Take that ball right
    down the field!
Give a cheer. Rah! Rah!
Never fear. Rah! Rah!
Arkansas will never yield!
On your toes, Razorbacks,
    to the finish,
Carry on with all your might!
For it's A-A-A-R-K-A-N-S-A-S
    for Arkansas!
Fight! Fight! Fi-i-i-ight!

RAZORBACK SPIRIT SQUADS

Along with being a Razorback, serving as a Razorback cheerleader has a long tradition at the University of Arkansas. Currently, the Razorbacks have two squads, a Red and White, that inspire the crowds at all home sporting events.

Arkansas also has a dance team, the Razorback Pom Squad, which performs at halftime of many events. Members of the Pom Squad also serve at baseball games as RBI Girls. Arkansas has a team of uniformed mascots, led by the original Big Red, the Fighting Razorback. Sue E. joined the family along with kid-sized Pork Chop in the late 1990s. Boss Hog is a 9-foot-tall inflatable mascot that rounds out the team.

Jean Nail serves as the coordinator for cheerleaders and mascots. For more information on the cheer squads and tryouts, go to the Spirit Squad section of ArkansasRazorbacks.com.

THE UA ALMA MATER

Brodie Payne and Henry Tovey wrote the University of Arkansas Alma Mater in the early 1900s. They were inspired by the Ozark Mountain sunrise as it illuminated Old Main.

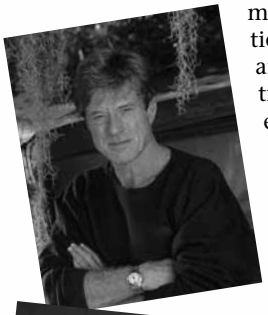

Pure as the dawn on the brow of thy beauty,
Watches thy Soul
    from the mountains of God.
Over the fates of thy children departed,
Far from the land
    where their footsteps have trod.
Beacon of hope in the ways dreary lighted,
Pride of our hearts that are loyal and true.
From those who adore unto one who
    adores us,
Mother of Mothers, we sing unto you.

FAYETTEVILLE

SOMETHING FOR EVERYONE

Fayetteville's famous Dickson Street is much more than a college hangout, adding upscale condominiums and specialty retail to its long-standing reputation as the center of entertainment and dining. From hosting major national events like Bikes, Blues and BBQ or serving as the final resting place for the goal posts after Razorback football upsets, one thing remains constant -- Dickson is the heart of what's happening.

Characterized by unmatched outdoor activities, a vibrate night life and cultural and educational opportunities, Fayetteville has something for everyone.

From Robert Redford to James Earl Jones, the University of Arkansas hosted numerous famous speakers in recent years through its Distinguished Lecture Series. Ranging from political satirist, now senator, Al Frankin, political consultant Mary Matlin to CNN's Anderson Cooper, and to former world leaders like George H. W. Bush to Israeli prime minister Ehud Barak, vice presidential candidate Geraldine Ferraro and the former Prime Minister of Pakistan the late Benazir Bhutto. Sports figures such as Magic Johnson and Apolo Ohno have been on campus. We've also had one of our more famous former law professors speak several times, President Bill Clinton.

The Fayetteville campus hosts several concerts each year and recent performers include sold-out performances by TI, Foo Fighters and John Mayer in Barnhill Arena. Special events bring artists ranging from B.B. King to Keith Urban and Carrie Underwood to Reynolds Razorback Stadium.

WAR MEMORIAL STADIUM

The Razorbacks' home venue in Central Arkansas for 62 years, War Memorial Stadium is slated to host Arkansas football games until 2016 after a two-year extension was signed in August 2008. During that span, the facility will host two UA games annually, including at least one Southeastern Conference game each season.

Three-year UA letterman and Congressional Medal of Honor Winner Maurice (Footsie) Britt was the featured speaker during dedication ceremonies for War Memorial Stadium on Sept. 18, 1948. On that day, a crowd of 24,950 (a record football attendance in Arkansas at that time) watched the Razorbacks defeat Abilene Christian, 40-6.

During its 62-year existence, the facility has expanded from its original capacity of 31,000 to its current figure of 53,388.

A complete lighting system and Astroturf surface were added for the 1970 season with a new artificial surface to follow in 1974. Ten years later, another new layer of artificial turf was installed before a return to natural grass was made in 1994. AstroPlay was installed for the 2002 season. War Memorial Stadium installed a new turf manufactured by Field Turf during the summer of 2010. In addition, a new $7.5 million dollar press box was constructed that includes 500 club seats is scheduled to be ready for the 2010 football season. The War Memorial Stadium Commission along with the University of Arkansas Athletic Department has renovated the Razorback Letterman's Club and Recruit Room. In June 2010, the playing surface at War Memorial Stadium was officially changed to AT&T Field.

Named for longtime sportswriter and an authority on Razorback history, the Orville Henry Press Box at War Memorial Stadium was honored as the best in the nation by the Football Writers Association of America in 1974 — an honor for both the facility and the services provided.

FRANK BROYLES FIELD

Named for Arkansas' long-time head football coach and athletic director, Frank Broyles Field, located within Donald W. Reynolds Razorback Stadium, is the on-campus football playing field for the Arkansas Razorbacks.

Dedicated at halftime of the Arkansas-South Carolina game on Nov. 3, 2007, the on-field ceremony began with the legendary coach once again leading former Razorback football lettermen through the "A." The festivities included a surprise visit and narration from college football broadcasting legend and former Broyles' ABC Sports broadcasting partner Keith Jackson. The dedication culminated a memorable weekend that also included a reunion of former football lettermen spanning Coach Broyles' 19-year career as the Razorbacks' head football coach.

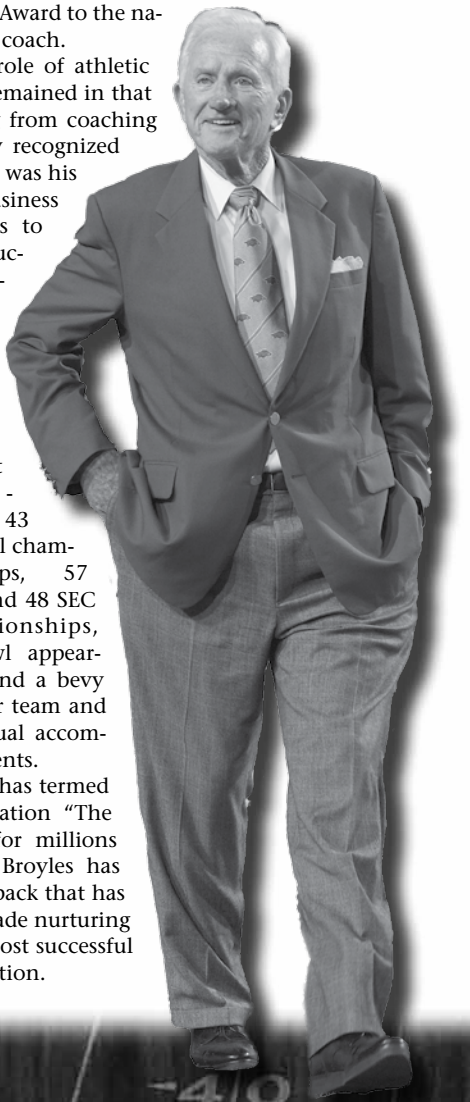

The Razorbacks capped the special evening with a 48-36 win over the No. 23 Gamecocks, including a record-breaking 321 yard rushing performance by Doak Walker Award winner and Heisman Trophy runner-up Darren McFadden.

For more than five decades, Broyles helped shape intercollegiate athletics as a legendary coach, nationally respected administrator and a tireless goodwill ambassador for his university and state.

In his 19-year stint as Arkansas' head coach, the Razorbacks posted a record of 144-58-5, captured seven SWC championships, one national championship and earned 10 bowl berths. Broyles was a six-time SWC Coach of the Year and became the mentor to dozens of assistant coaches preparing them for successful head coaching careers in both college and pro football. His impact on the coaching profession is best measured in the development of more than 40 head coaches. Former Broyles' assistant coaches have combined to win five Super Bowls, five national championships, more than 40 conference titles and more than 2,000 games. His legacy is celebrated annually with the presentation of the Broyles Award to the nation's top assistant football coach.

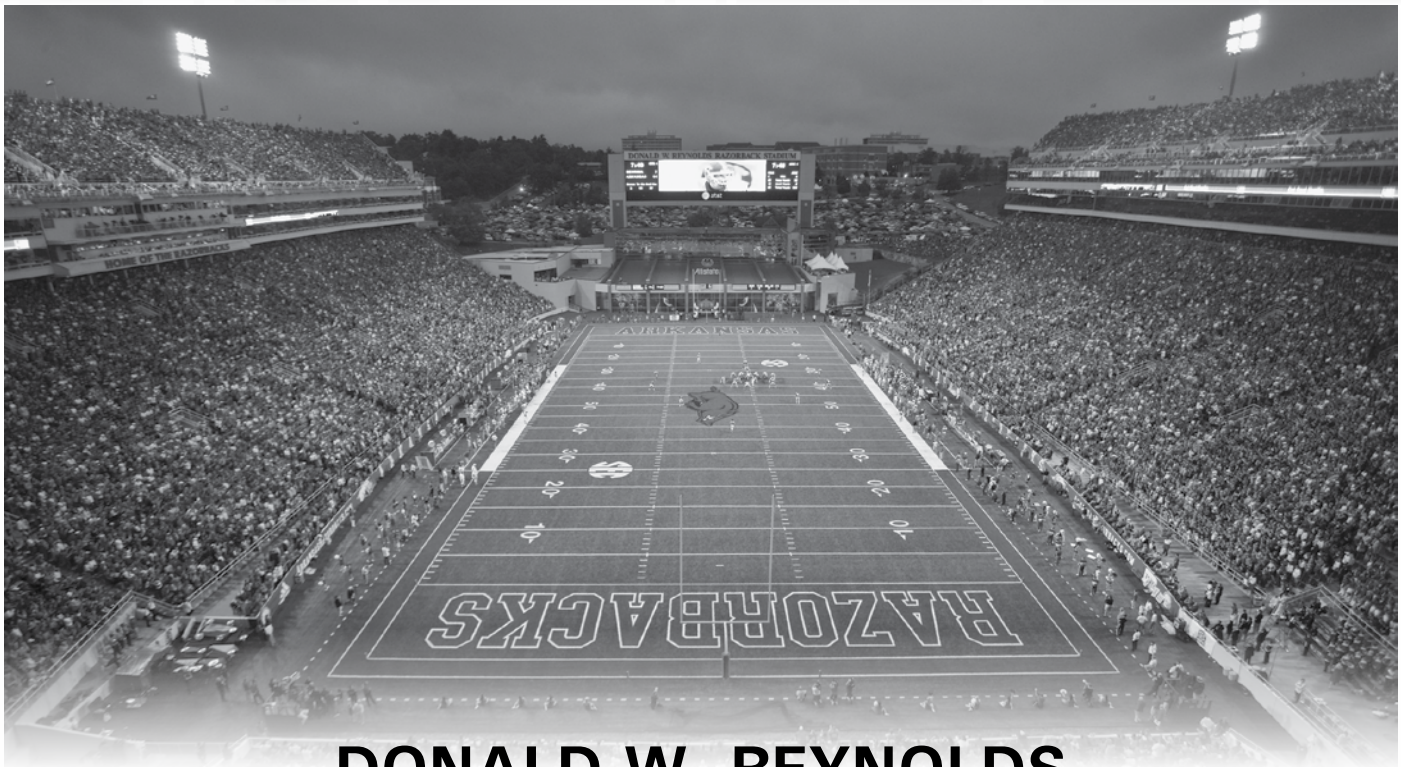

Broyles assumed the role of athletic director in July 1973 and remained in that position long after retiring from coaching in 1976. While universally recognized for his coaching prowess, it was his keen administrative and business skills that allowed Broyles to charter a steady course of success for the Razorbacks. Broyles laid the groundwork for transforming the athletic program into an all-sport program that produced 43 national championships, 57 SWC and 48 SEC championships, 22 bowl appearances and a bevy of other team and individual accomplishments.

Broyles has termed this remarkable transformation "The Razorback Miracle." But for millions of Razorback fans, Frank Broyles has been the miraculous Razorback that has spent more than half a decade nurturing Arkansas into one of the most successful athletic programs in the nation.

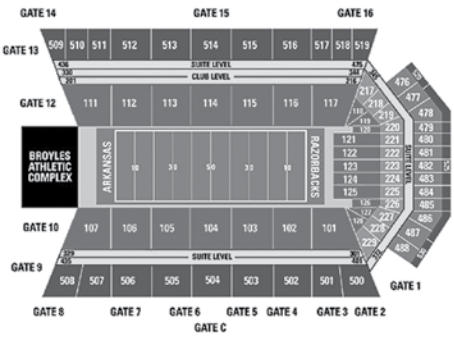

DONALD W. REYNOLDS
RAZORBACK STADIUM

Donald W. Reynolds Razorback Stadium (DWRRS), following a major expansion and renovation project completed prior to the 2001 season, gives the University of Arkansas one of the finest football facilities in the nation.

The $110 million project, which included a $21 million gift from the Donald W. Reynolds Foundation, saw the capacity of the stadium increased from 51,000 to 72,000.

The concrete and steel below the stands were completely enclosed with a brick and glass facade. The look rivals that of many of the newer Major League Baseball stadiums. In addition to covering the steel and concrete, the concourses are wider, and concession areas and restrooms were replaced.

The east concourse is "Championship Alley" with displays of conference championships, the 1964 national title and every football letterman. The south end zone concourse is "All-American Alley" and is dedicated to Razorback All-Americans. The west concourse is "Bowl Alley" with tributes to each bowl team.

Other than the facade covering, the other most noticeable addition is the enclosure of the south end zone, which features chairback seating and the addition of approximately 7,300 total seats with space for an additional upper deck that would push the capacity to 80,000. The enclosure also includes a food court with space for five vendors.

Other major additions include an expanded press box, which includes Orville Henry Press Row, and the addition of luxury suites.

Sixty-eight suites/skyboxes were added, bringing the total to 132, and the stadium's capacity includes 8,950 club seats, inside and out.

Other additions include the 15,000 square foot Bob and Marilyn Bogle Academic Center and the 3,800 square foot Wilson Matthews "A" Club, both on the east side where an upper deck, which seats 6,500, was added along with enclosed premium club seating.

During the 2000 season, a 30x107-foot SMARTVISION LED video screen, one of the largest video boards at any sports venue in the world, made its debut in the north end zone.

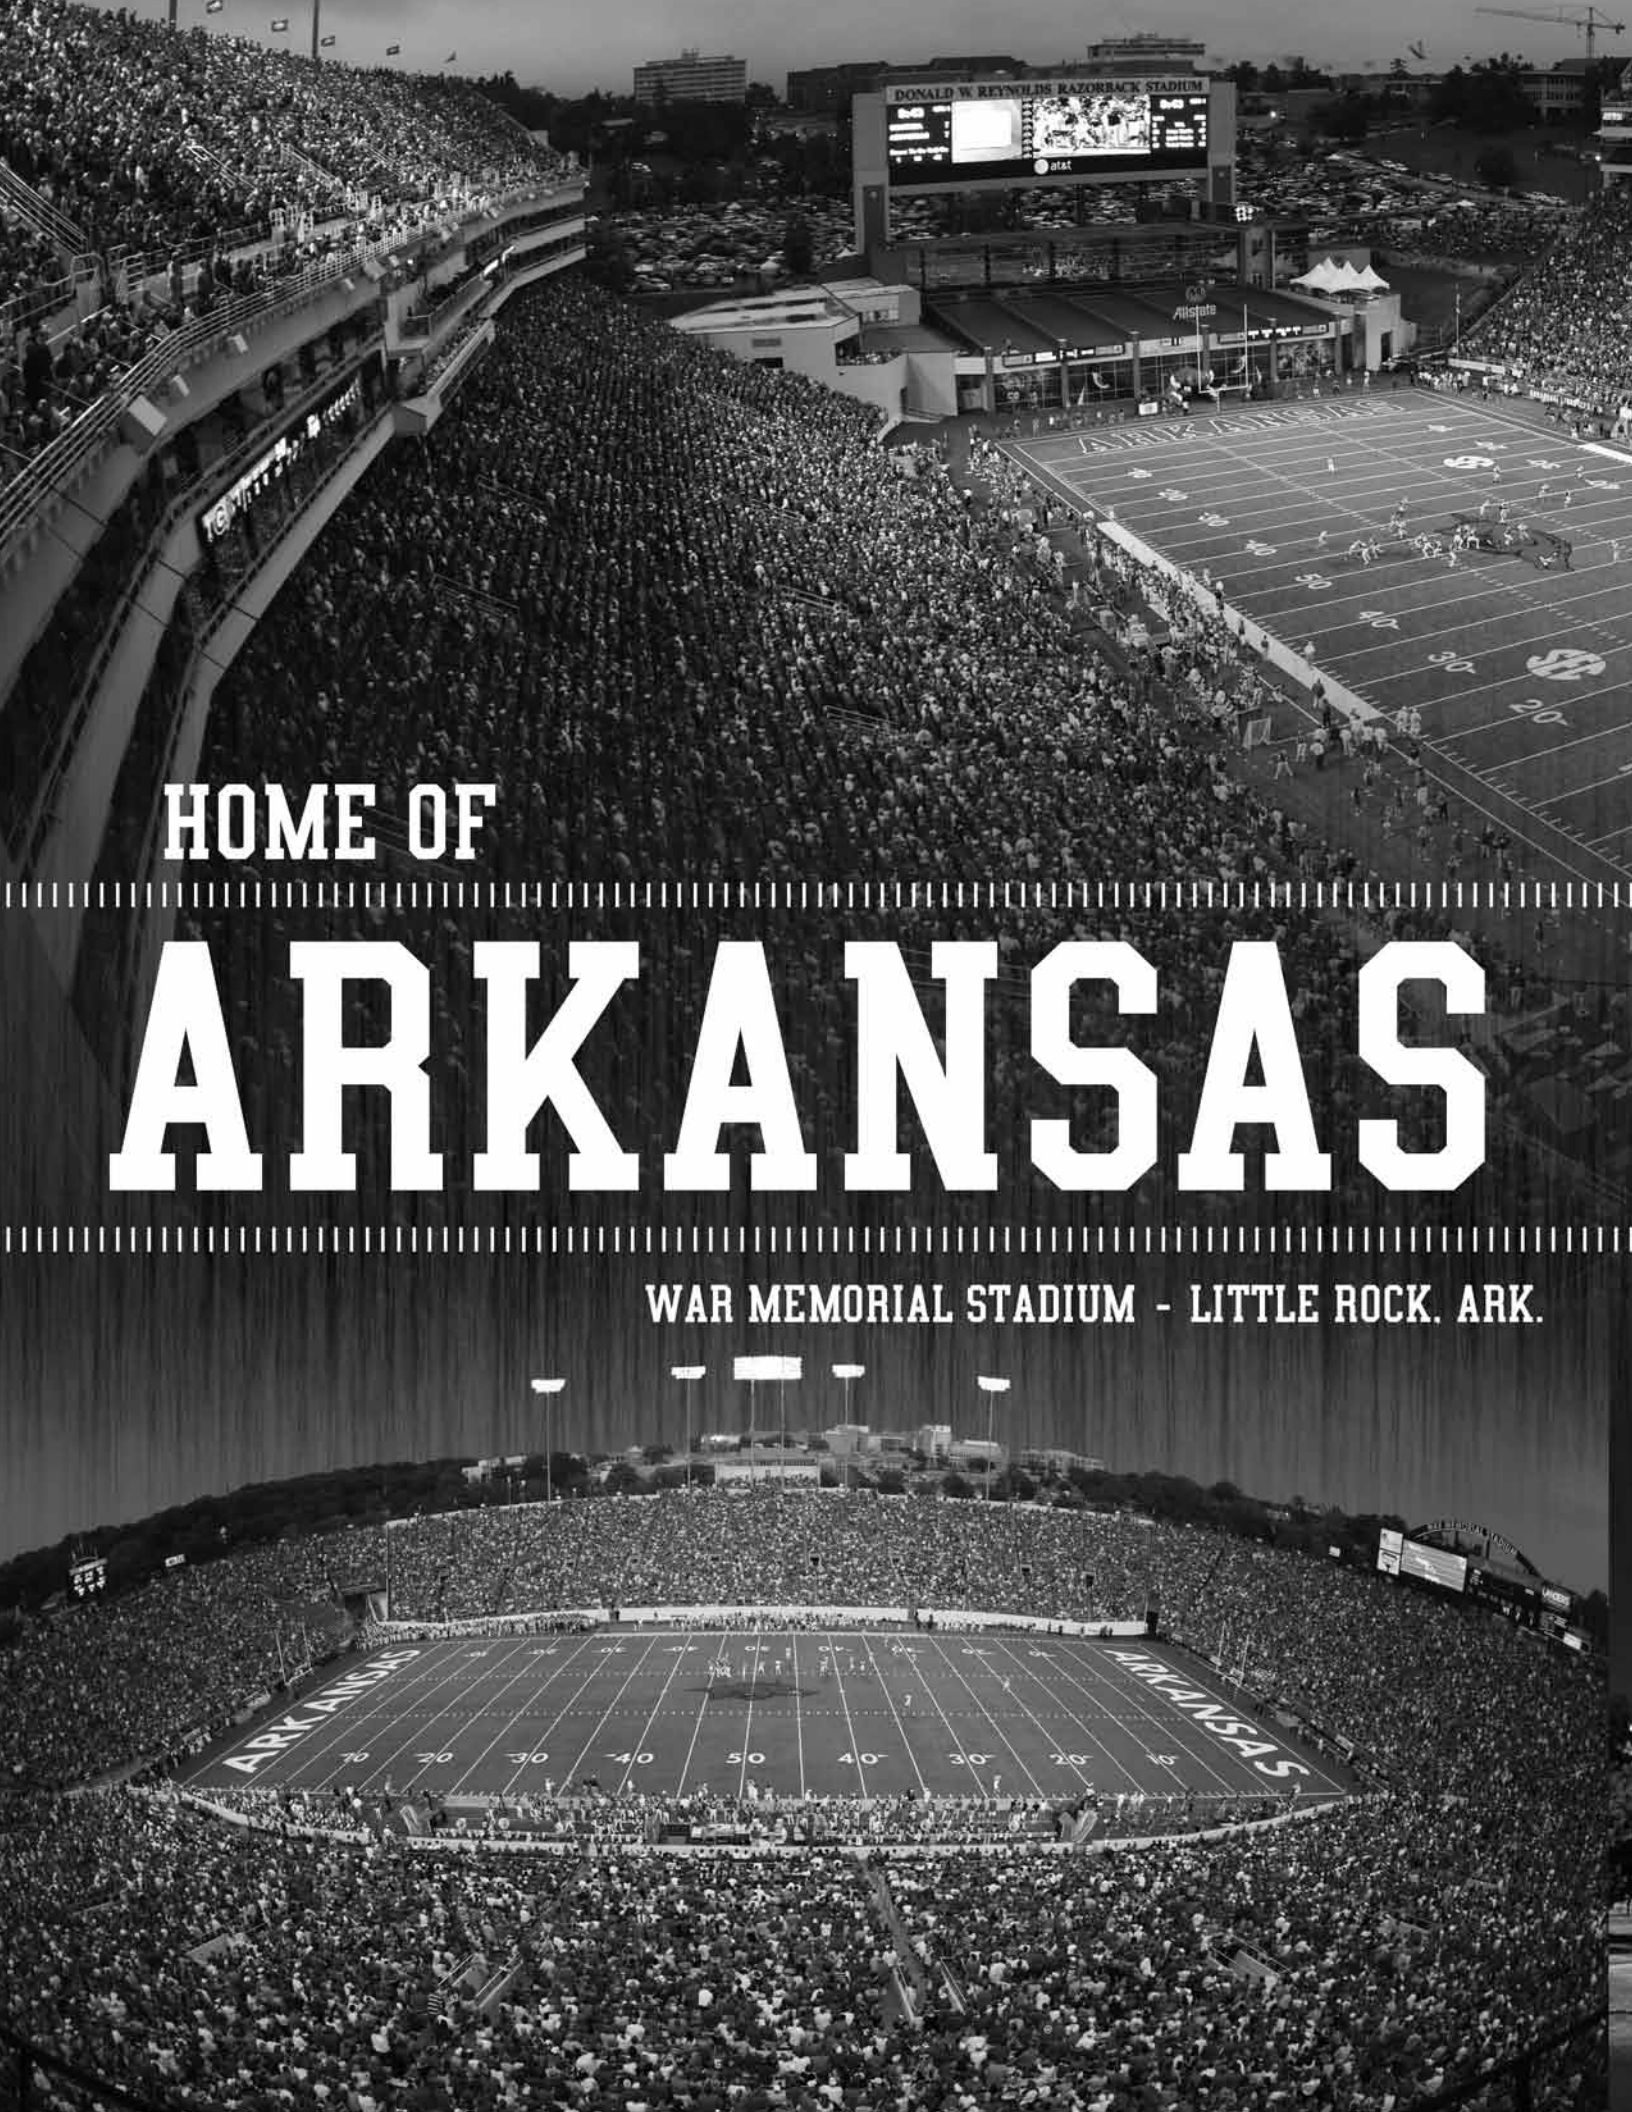

The stadium's debut came on Sept. 24, 1938, as Arkansas defeated Oklahoma A&M, 27-7. Dedicated on Oct. 8 of that year, the Hogs dropped a 9-6 decision to Baylor.

Constructed as a Works Progress Administration project with an original capacity of 13,500, the facility was first enlarged upon the arrival of John Barnhill as athletic director in 1947 when an additional 2,500 seats were added to the north end of the east and west grandstands.

In 1950, a new press box was constructed and 5,200 more seats were built on the west side. A 5,200-seat addition to the east side was completed in 1957. Expansion projects in 1965 and 1969 increased capacity to 42,678 — a figure that held steady until a year of construction on additional seats and skyboxes brought the facility to 50,000 seats prior to the 1985 season.

Other improvements during the facility's 68-year history include the addition of Astroturf in 1969 and the construction of the Broyles Athletic Center — which houses athletic administration and coaches' offices — at the north end of the stadium in 1975. The Broyles Athletic Center underwent renovations, completed in 1994, while the playing surface was returned to natural grass in 1995 prior to the most recent change to synthetic turf prior to the 2009 season.

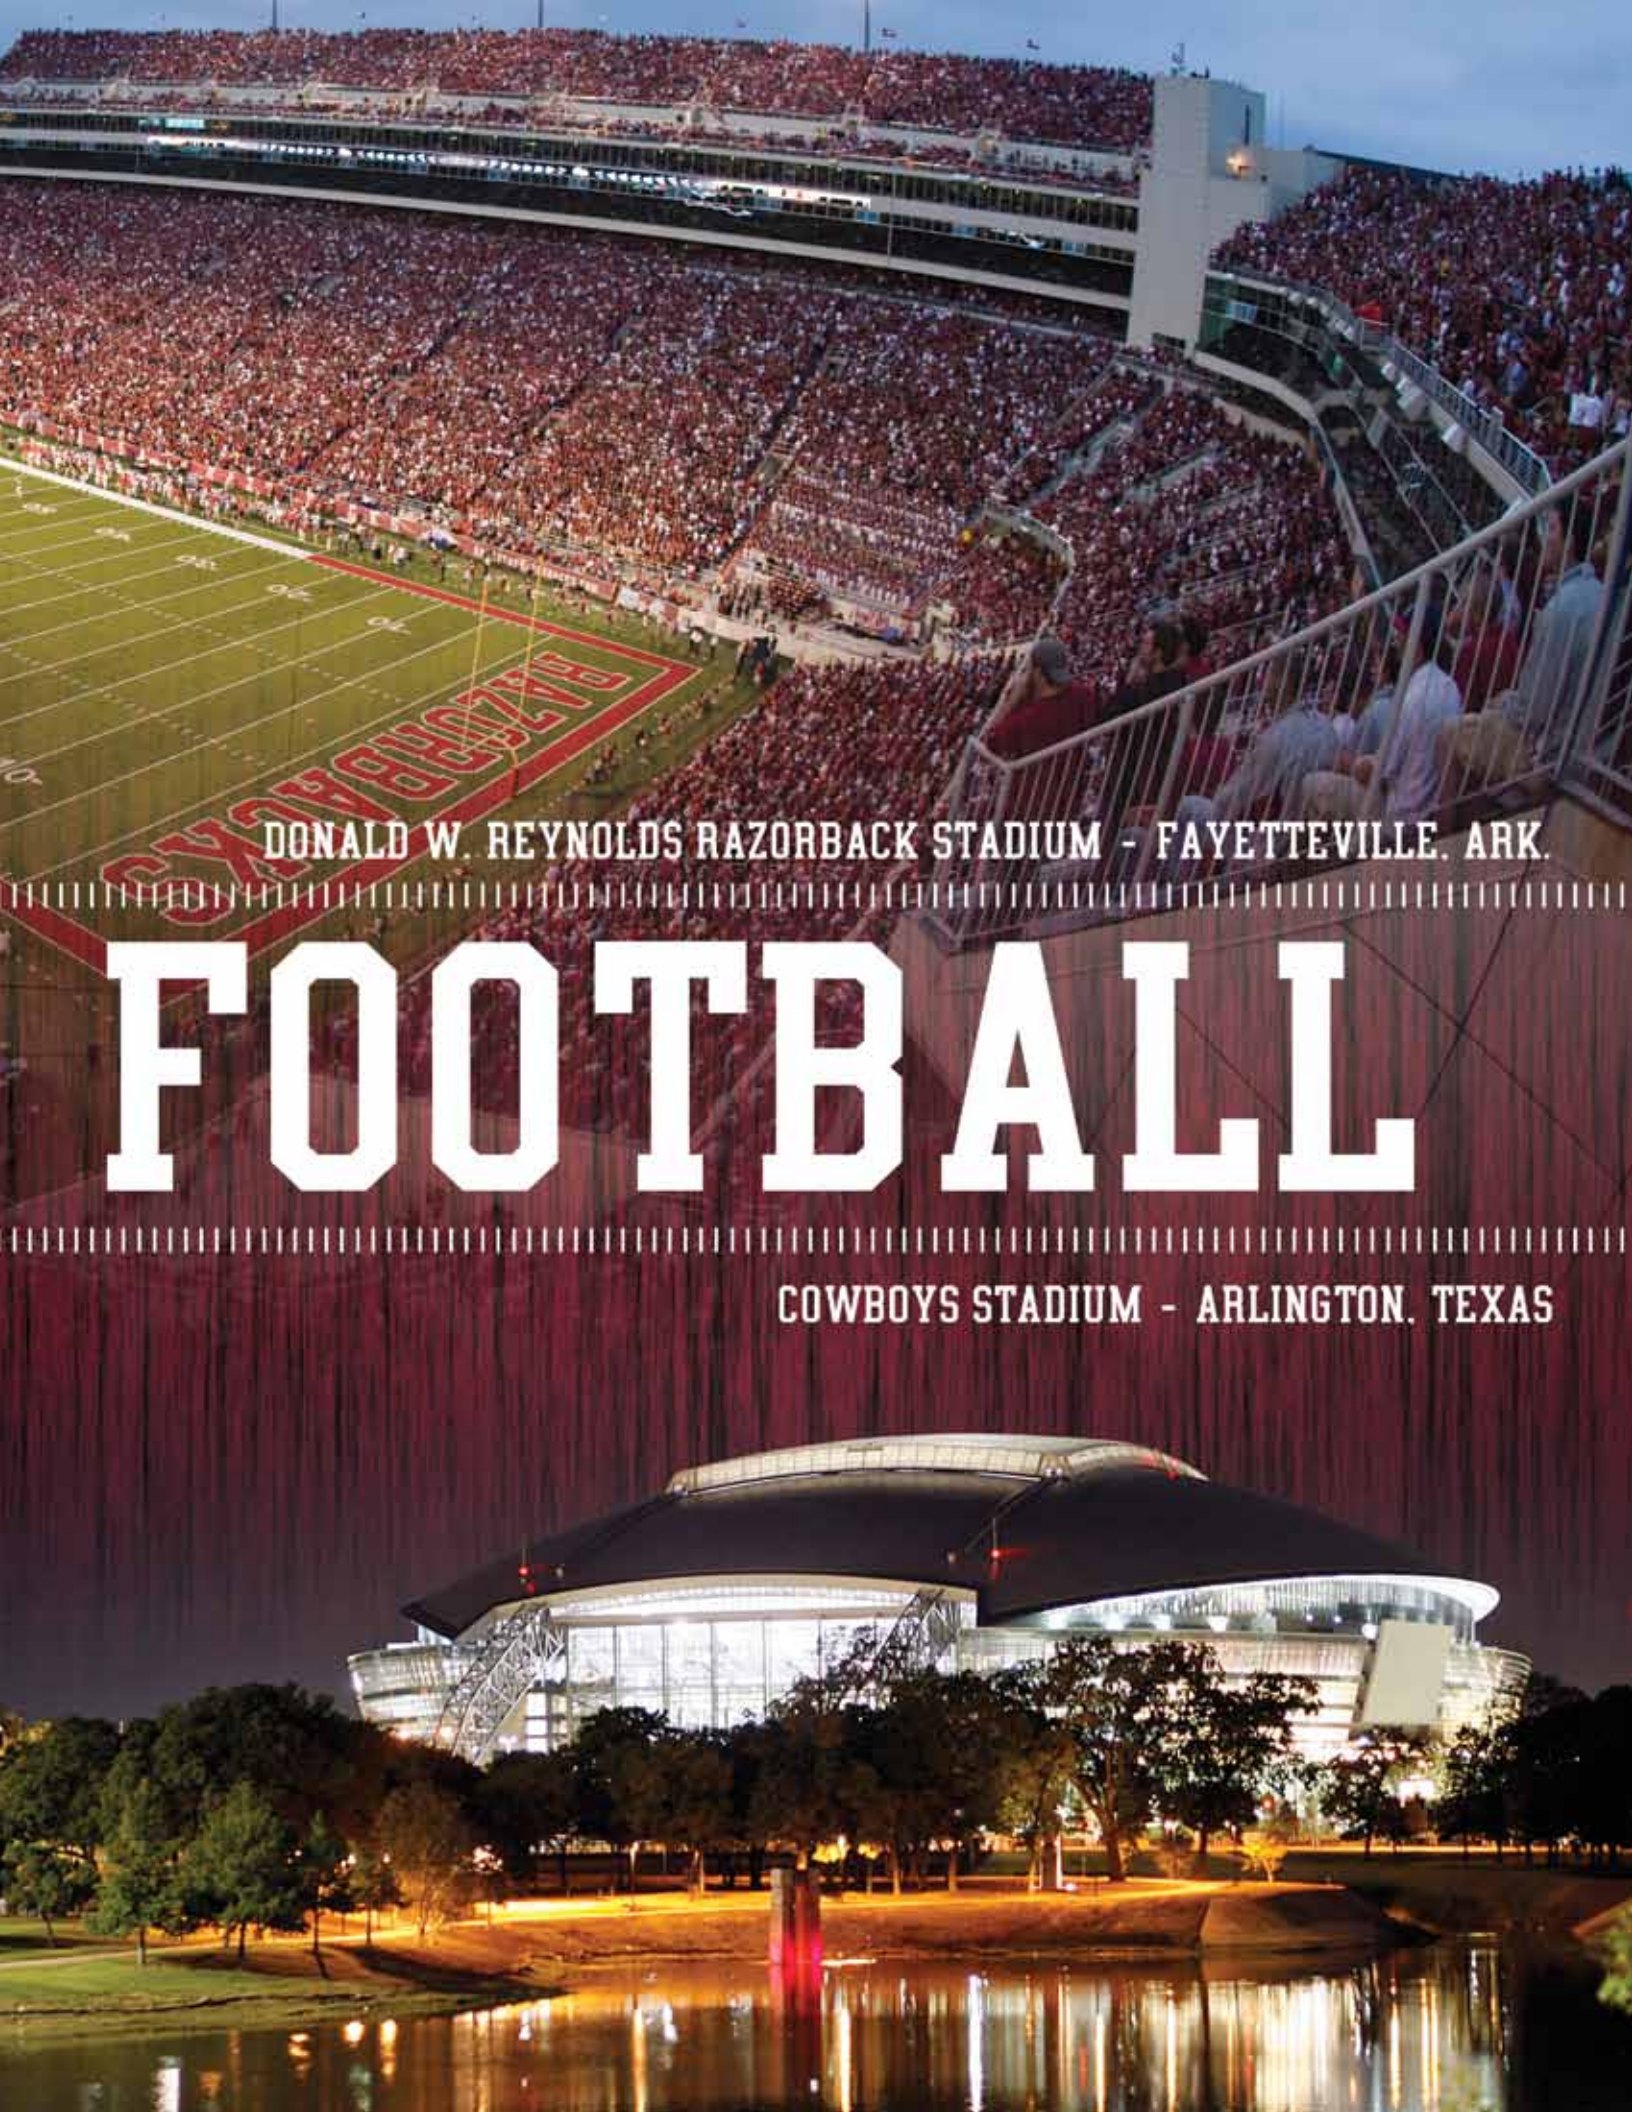

Arkansas' all-time record at DWRRS is 154-78-2 (.610). Prior to 1938, the Hogs played in a 300-seat stadium built in 1901 on land atop "The Hill," now occupied by Mullins Library and the Fine Arts Center.
