- Ambulance rides
- Emergency room visits
- Surgery and anesthesia
- Prescriptions
- Major Diagnostic Testing
- Burns

Plan Features

- Benefits are paid directly to you, unless otherwise assigned.
- Coverage is guaranteed-issue (which means you may qualify for coverage without having to answer health questions).
- Benefits are paid regardless of any other medical insurance

Group Critical Illness Insurance

The plan pays cash benefits that you can use to pay bills related to treatment or to help with everyday living expenses after you experience a critical illness such as a heart attack or stroke.
