PERMIT GUIDELINES
VISIT CLEMSON.EDU/PARKING/PERMITS FOR FULL DETAILS.

Everyone (excluding visitors who park in metered spaces) must obtain and display a permit to park anywhere on campus at any time. Short-term and temporary permits are available for those with short-term business on campus or for students who must switch out cars for any reason, e.g. using their parents’ car. This makes you a CU term business on campus or for students who must switch out cars to do so can result in citations being automatically linked to your account.

- Any person to whom a decal has been issued shall remove the decal from the vehicle when the vehicle is sold or traded. Failure to do so can result in citations being automatically linked to your account.

- If you park anywhere other than a marked space, your vehicle may be towed.
- Towed vehicles may be retrieved from Parking Services during business hours or after hours from the CU Police Department.
- Clemson operates on revised parking regulations on home football game days including the Spring Game. See clemson.edu/parking/football for details.
- Towing begins 2 hours prior to Brooks Center events from logo marked spaces (known as Patron’s row) within C-11. The marquee at the entrance of C-11 will be updated for each event.
- Any person to whom a decal has been issued shall remove the decal from the vehicle when the vehicle is sold or traded. Failure to do so can result in citations being automatically linked to your account.

- Rules are enforced year-round, including days when classes are not in session.
- Any vehicle, person or permit with three or more past-due citations may not park on campus and is subject to tow.
- Any vehicle, person or permit with three or more past-due citations may not park on campus or in and be towed.
- CUPH: park for the “One-Hour CU Permit Limit” or as otherwise posted. Note: some meters are for “Visitors Only” and may not be used by a CUPH.
- Parking permits will not receive a permit in the mail because the license plate is visible from the travel lane.
- For your parking permit to be valid, your vehicle information (license plate number, year, color, make, and model) must be accurate and may not be towed.
- To purchase parking permits will not receive a permit in the mail because the vehicle license plate is visible from the travel lane.
- Any vehicle, person or permit with three or more past-due citations may not park on campus and is subject to tow.
- Rules are enforced year-round, including days when classes are not in session.
- Any vehicle, person or permit with three or more past-due citations may not park on campus and is subject to tow.
- Number of permit limitations are available. Your assigned lot is based on the permit selected at the time of purchase. Your permit can be used to park on campus according to your parking regulations beginning at 4:30 p.m. -2 a.m. on weekdays and from 4:30 p.m. Thursdays until 7 a.m. Mondays. Official Use permits are only valid during this time. When Park-N-Ride shuttles are suspended, your permit can be used to park on campus according to your permit regulations. Visit clemson.edu/parking/permit for complete parking regulations.

- The decals should be affixed to the left front fork. On mopeds, the decal should be permanently affixed to the rear wheel cover.
