

Dear First-Year Bridge Residents: Don't Miss Your Bus!

As classes begin, **please take a few minutes to confirm your Bridge bus stops and set up Tigers Commute.** Knowing where to board and how to track your bus will help you plan your trip between Clemson University and Tri-County Technical College (TCTC). **Watch this quick video to learn more about your transportation and mobility options at Clemson University** <https://vimeo.com/1213348076>

1. Know Your Options and Where to Catch Your Bus

Please use the **official Bridge bus stops** below:

- **Thornhill Village:** McMillan Road at Dunavan Road
- **Lightsey Bridge:** Lightsey Bridge Commons
- **Tri-County Technical College:** Miller Hall
- **Tri-County Technical College:** Mechanic St

Important: Please use these designated locations when boarding the Bridge buses.

View Bridge routes, schedules and stop information:

<https://www.clemson.edu/campus-life/parking/transit/campus-services/bridge-route.html>

2. Set Up Tigers Commute Before Your Next Trip

Tigers Commute is the best way to track your bus and plan your trip in real time. We recommend setting it up before you need to travel.

You can:

- **Download the Tigers Commute app** from the Apple App Store or Google Play Store.
- **Use the web version at [TigersCommute.com](https://www.tigerscommute.com)** — no app required.
- **Watch the instructional videos** available in the app and through Clemson Parking and Transportation resources if you need help getting started.

Before leaving for your stop: Open Tigers Commute, check your route and bus location, and allow extra travel time, especially during the first week of classes.

3. Need Transportation Help? Call Us.

If you are unsure where to catch your bus, have trouble accessing Tigers Commute or have another transportation question, **please contact Clemson Parking and Transportation Services rather than guessing where to board.**

Call Customer Service: 864-656-2270 or email us at www.parking.edu

Email: www.parking.edu

We know there is a lot to navigate during the first week. Taking these three steps—**confirm your stop, set up Tigers Commute and check your route before you leave**—will help make your trips between Clemson and TCTC easier and more predictable.

Have a great start to the semester!
