

APARTMENT PARKING GUIDELINES

(Calhoun Courts and Thornhill Village)
(Lightsey Bridge I and Lightsey Bridge II)

IF YOUR APARTMENT AREA IS FULL, YOU CAN ALSO PARK IN LOTS R-4, R-4 EXT, R-6 AND R-10.

Everyone (excluding visitors who park in metered spaces or areas) must obtain a permit to park anywhere on campus at any time. Short-term and temporary permits are available for those with short-term business on campus or for students who must switch out cars for any reason, e.g., using their parents' car. It is your responsibility to make sure that the vehicle information linked with your parking permit is correct.

All Calhoun Courts, Thornhill Village and Lightsey Bridge I and II Resident students will purchase a "virtual permit". This permit will be associated with one vehicle ONLY. **Your license plate number will be your permit**, so as always, it is important to keep your account up to date at all times. If you need to change vehicles contact PATS.

- Refrain from parking in the closed-on street parking spaces during winter weather university closures. Roadways include: Centennial Blvd., Avenue of Champions, Williamson Rd., S. Palmetto Blvd., Fernow St., Calhoun Dr., Cherry Rd. and McMillan Rd. west of Cherry Rd.

The Calhoun Courts, Thornhill Village and Lightsey Bridge I and II Resident Student permit is valid for parking in these areas (except when reserved for special events):

Note: R-4 and R-4 extension have magenta parking lines and are reserved for Lightsey Bridge and Bridge Apartment permit parking only.

- Unrestricted employee (green parking lines, no "24 HR" lots or pavement marking) from 7 p.m.-7 a.m. Monday-Thursday and from 4:30 p.m. Friday until 7 a.m. Monday; E-1, E-4, E-5 and Cherry Road from 4:30 p.m. until 7:30 a.m. Monday-Thursday

- Rules are enforced year-round, including days when classes are not in session.
- Clemson operates under revised parking regulations on game days including the Spring Game. Check the Athletics website and Game Day information on the Parking & Transportation website for more information. Unauthorized vehicles may not park in areas designated for athletic event parking as of 12:01 a.m. the day of home football games and as posted prior to the start of any other sporting events.
- A portion of the Brooks Center parking lot is reserved for non-student and non-employee patrons during special events (see designation lot C-11).
- If you are moving in or changing rooms other than during the scheduled Fall Semester Move-In (as defined by University Housing), and you need to load/unload your vehicle near a building, you will need to contact Parking and Transportation Services during business hours (M-F 7:30am to 4:30pm) to obtain a Loading/Unloading permit. Failure to secure a permit may result in a citation and your vehicle being towed.
- In the event your vehicle breaks down in an unauthorized space or you need to load or unload near a building, you should contact Parking & Transportation Services during business hours or the Clemson University Police Department after hours for special permission and assistance.
