

CLEMSON UNIVERSITY MICHELIN TIRE PROGRAM

EVERY MILE MATTERS – ON CAMPUS AND BEYOND

ACTIVE NOW! HOW THE PROGRAM WORKS:

- Use dealer locator to identify nearest / best Michelin dealer.
- Contact dealer to obtain tires, tracks and service for your fleet vehicles and equipment.
- Dealer does not have access to fleet program pricing as this comes from Michelin directly.
- Provide Name, Branch, Vehicle Asset Number and Ship-To Number to Michelin dealer and sign for tires and service provided.
- Michelin processes and sends invoice at program pricing.

Michelin delivers unmatched R&D, long-lasting performance and data insights trusted by professional fleets worldwide.

Bringing new operational value, including:

- Optimized total cost of ownership
- A diverse portfolio of brands and products lines
- Access to an industry-leading retreading network
- Advanced fleet management tools
- Direct access to engineering expertise for real-world solutions
- Data-driven insights to impact the bottom line

OVERVIEW OF PAY REMITTANCE PROCESS

Accessing the Portal

1. Login:

- Navigate to the www.Michelinb2b.com website.
- Enter your User ID and Password, then click to log in.

2. Menu Navigation:

- Select **EBusiness** from the top menu options.
- Click on **View Your Statement** from the left menu.

Viewing Statements

3. Accessing Statement Details:

- Choose **View Statement Details** to view outstanding items against the account.
- Only open items will be displayed since this is a running statement.

4. Generating Search Results:

- Use the **SEARCH** button to list any outstanding items by entering specific search criteria, such as:
 - Item Number
 - PO Number
 - Item or Due Date Ranges
 - Ship To Number, etc.

Creating Remittance

5. Adding Items to Remittance:

- Select items from the open items listing to add to your remittance:
 - Check-mark individual items and click **ADD TO REMITTANCE**.
 - Click on the overlapping boxes in the **RMT** Column Header to select all items.
 - Alternatively, click **ADD ALL PAGES TO REMITTANCE**.

6. Managing Remittance:

- In the **View Open Remittance** section, you can:
 - Continue adding items while the remittance is **OPEN**.
 - Remove any items as needed.
 - Cancel the entire remittance if required.
 - Use **RECALCULATE REMITTANCE** for future date amounts.

Completing Remittance

7. Finalizing Payment:

- Click **REMIT NOW** to finalize your remittance.
- A Remittance Summary will display, and options will be available to:
 - **PRINT** a remittance detail report.
 - **RETURN TO REMITTANCE** for further processing.
 - **PAY REMITTANCE** to initiate payment.

8. Choosing Payment Method:

- Select your preferred payment method from the following options:
 - Paper Check (with check number)
 - Credit Card
 - E-Check
 - Other (e.g., wire transfers)
- For credit card payments, ensure the card is stored in the system.

9. Making the Payment:

- Complete the payment process by clicking **PAY NOW** after entering the required payment information.
- A payment receipt voucher will be generated for your records.

Follow-Up

10. Handling Additional Payments:

- If further payments are necessary, return to **View Statement Details** and repeat the selection and payment process as needed.
