

# Brown Bag Series

## Spring 2025

**RESEARCH  
COMPLIANCE**  
*Division of Research*

The Brown Bag Seminar Series provides the Clemson University community with an opportunity to gain a deeper understanding of topics related to research integrity and research compliance.

**TO REGISTER, PLEASE GO TO:**

**FEBURARY 20, 2025**

### **WHEN UNPROFESSIONALISM IMPACTS RESEARCH INTEGRITY**

The narrow federal definition of Research Misconduct--Fabrication/Falsification/Plagiarism--does not account for all sorts of other bad practices, including unprofessional conduct, which can include but is not limited to harassment, bullying, etc. This presentation will include how professional misconduct is defined, how these behaviors impact research integrity, how to prevent and report misconduct in all forms, and the potential outcomes.

**Presenter:** Robin Tyndall, Director of the Office of Research Compliance

**Time:** 12 PM - 1 PM

**Location:** Via Zoom **Meeting ID:** 965 2454 6984 | **Passcode:** 084850

**Join the Zoom Meeting:** [Here](#)

---

**MARCH 6, 2025**

### **BIOSMUGGLING WITH THE FBI**

Join us for an insightful presentation on research protection and ethical collaboration. American universities lead the way in cutting-edge research, but when this research is exploited by individuals with nefarious intentions, it can have serious consequences—tarnishing reputations, leading to funding losses, lab closures, and legal issues.

***This session, presented by the FBI, will focus on:***

- Steps to secure intellectual property and research materials
- Proper practices for collaborating with international universities

**Presenter:** Nathan Livesey, FBI-WMD Coordinator

**Time:** 12 PM

**Location:** G100 BRC **(IN-PERSON ONLY)**

---

**MARCH 25, 2025**

---

## **WILDLIFE AND FIELD RESEARCH PERMITTING**

Explore the essentials of obtaining permits for wildlife and field research in South Carolina. This seminar, led by experts from the SC-DNR, will provide valuable insights and guidance for researchers.

**Presenter:** Emily Kearse, SC-DNR Permitting Biologist

**Time:** 12:00 PM - 1:00 PM

**Join Zoom Meeting:** [Click here to join](#)

Meeting ID: 941 0768 0858 | Passcode: 996710

**RCR SEMINARS NOT HOSTED BY ORC**

---

**JANUARY 14, 2025**

---

## **MENTORING PLANS**

This workshop will provide insights into the new NSF and NIH requirements for graduate student and postdoctoral mentoring plans. Attendees will also learn about resources offered through Clemson's Graduate Center for Transformational Mentorship and explore opportunities to collaborate with the center in supporting their students and postdocs, as well as enhancing their own mentoring skills.

**Hosted By:** CU Office of Research Development

**Time:** 2 PM - 3 PM
