

## **University Research, Scholarship, and Artistic Achievement Award**

### **Call for Recipients**

The Office of the Senior Vice President for Research, Scholarship and Creative Endeavors and the Research Advisory Board solicit recommendations for the University Research, Scholarship, and Artistic Achievement Award recognition for 2026.

Intended to encourage and reflect inclusive excellence, URSAAA recognizes Clemson University faculty whose work has been acknowledged at the highest levels nationally and internationally. URSAAA winning faculty are lifetime appointees who participate in a yearly celebration of these faculty achievements.

As a recognition, this award is externally competitive. Any Clemson faculty member who has achieved any of the following accomplishments will be recognized for their extraordinary success in the arts, research, and/or scholarship.

Indices of such achievement include the items in the following lists of fellowships, prizes, and international scholarly organizations that give awards and prizes. This list is not meant to be exhaustive, but it is meant to be illustrative of the extraordinary level of achievement required for and celebrated by this award. Please nominate (or self-nominate) any faculty member who receives any of the acknowledgements/achievements listed on the following pages during his/her time at Clemson to be considered for membership in URSAAA:

## **Achievements/awards recognized by URSAAC:**

- 1,000-citation article or book. Research articles selected should be from work performed by the candidate during their independent research career such as a faculty, a scientist in a national lab, industry. Review articles do not qualify.
