Service for Sight

Anchor Splash is our main philanthropy event. Other campus organizations compete in water sports and synchronized swimming!

Service for Sight supports the five schools founded by Delta Gammas and other North American organizations that provide access and advocacy for people in the blind or visually impaired community or who promote sight preservation and conservation.

During **Slices for Sight**, students can purchase tickets for slices of pizza and dessert to support our philanthropy!

At **Anchor Bowl**, teams compete to have the most points in a bowling competition!
