

ORGANIZATION AND HISTORY

Delta Zeta sorority was founded at Miami University in Oxford, Ohio, in 1902. It was the first sorority to be founded at the university. The founders then went on to lay the foundation for the sorority which would have a national reach. Today, Delta Zeta has enriched the lives of over 260,000 alumnae and collegiate members in the United States and Canada.

The Pi Epsilon chapter at Clemson University was founded in 2004 and now has over 300 members. Our chapter currently holds the 4th highest Panhellenic GPA on campus and our mission is to create strong women while fostering growth, leadership, and sisterhood.

Philanthropy

Our philanthropy is Hearing and Speech. We nationally support the American Society for Deaf Children and the Starkey Hearing Foundation. Locally our sisters volunteer at the Meyer Center for Special Children in Greenville. Sisters participate in many service projects throughout the year directly in the Clemson community. Each year, sisters are given the opportunity to volunteer at SeriousFun camps, our global community service project. We are proud to be one of the top-raising Delta Zeta chapters. This year our chapter raised \$47,000 for our partners.
