Gamma Phi Beta

Epsilon Theta Chapter

Organization And History

Gamma Phi Beta was founded on November 11, 1874 at Syracuse University, becoming the first female organization to coin the term “sorority.” More than 145 years later, there are currently about 180 collegiate and alumnae chapters across the U.S. and Canada with more than 246,000 initiated members and counting.

The Epsilon Theta Chapter at Clemson University was founded on April 9th, 1988. Each of our sisters exemplify Gamma Phi Beta's four core values: Love, Labor, Learning, and Loyalty. Our mission is to build confident women of character who celebrate sisterhood and make a difference in the world around us.

Philanthropy

Girls on the Run

Gamma Phi Beta proudly supports Girls on the Run as our national philanthropic partner! GOTR is a non-profit organization that inspires young girls of all backgrounds to recognize and embrace their inner strength. This semester-long after school program teaches 3rd-5th graders valuable lessons about physical, mental, and emotional well-being and culminates in a 5K. Epsilon Theta loves working hands-on with the Liberty and Pickens Elementary School Program, where our sisters are coaches, running buddies, and role models.

Moonball

Every fall semester, epsilon theta hosts a volleyball tournament in which teams made up of Clemson organizations compete against one another. During our 2021 Moonball, we raised over \$14,000 for our local GOTR chapters! Our member love participating by coaching team, cheering on favorites, and acting as referees during the games.
