ORGANIZATION AND CHAPTER HISTORY

Delta Phi Lambda Sorority Inc. was established on December 5th, 1998 at the University of Georgia to raise Asian awareness and foster Asian unity. DPhiL currently has over 1700 initiated members between 23 collegiate chapters. Our seven virtues are loyalty, honesty, respect, dedication, integrity, discipline, and academic excellence. Delta Phi Lambda Sorority, Inc. advocates Asian awareness, empowers women leaders through its values-based programs, and forges Everlasting Sisterhood through diverse shared experiences.

The Sigma Chapter at Clemson University is the FIRST Asian-Interest sorority in South Carolina and on our campus. The Sigma Chapter was chartered at Clemson University on April 10, 2016 as a founding member of the Multicultural Greek Council.

PHILANTHROPY

DPhiL is proud to support our national philanthropy, **Osteoporosis Awareness and Prevention Advocacy**, by partnering with American Bone Health.

Osteoporosis is a condition that causes bones to become weak and brittle, and affects Asian women at a much higher risk compared to other populations.

The Sigma Chapter dedicates our time to advocating and providing resources within our community for **Minority Mental Health**. Minority Mental Health is a movement created to help individuals in the minority community feel included and heard. We strive to bring awareness to mental health issues that are prevalent in various minority groups.

KEY PROGRAMS AND EVENTS

Our chapter hosts multiple events throughout the year, ranging from sisterhood to campus events, but some of our favorites have been:

- Butterflies and Brunch
- Lake Days at Y Beach
- Lunar New Year Wishing Tree
- Semester Sisterhood Retreats
- Galentine's Night
- Annual Sisterhood Banquet
- Korean BBQ and Karaoke

NEW MEMBER REVEAL

One of the biggest events we host every semester is our new member reveal. A new member reveal, also known as new member presentation or probate, is an event where the newest initiated members of Delta Phi Lambda Sorority Inc. present themselves to the rest of the Greek community. New members present organization history, reveal their bigs, show appreciation to their new member educators, and reveal who they are. This event is a big celebration of our organization's newest class and our largest event every semester!

MEMBERSHIP REQUIREMENTS

The Sigma Chapter of DPhiL hosts our very own recruitment week at the beginning of every semester.

Recruitment is a non-binding period where you to get to intimately meet sisters and see first-hand what makes our sisterhood so unique.
